

Farmer on Piazza—"I cut my grass with the **Wide-Cut Eureka Mower**, and finished a week ago."

Deluded farmer in the field—"I am trying to cut mine with a side-cut. I'll use the **Eureka** hereafter."

See what they say of the "Eureka."

"I consider the EUREKA the best mowing machine I ever used."

GEN. N. M. CURTIS,
Ogdensburg, N. Y.

"The EUREKA Mower's value to the farmer is equal to the price of two side-cut mowers and a hay tedder."

JOS. HARVEY, Prest.
ALLEN BROWN, Sec'y.

Thorn Hill Farmers' Club,
N. Y.

And many others.

"I have this day tried three side-cut mowers and a 6-ft. EUREKA. I consider the EUREKA worth any two of the side-cuts."

J. C. CARTER,
Monroe, Wis.

"The small side-cut machines are too slow for the large farmer, who conducts his operations on business principles, and figures time as *money*."

I. P. ROBERTS,
Prof. of Agricul., Cornell University.
