

THE D. M. OSBORNE & CO. (AUBURN, N. Y.) HARVESTER AND BINDER.

ITS superior qualities are universally conceded. It is sold in every land under the sun where grain is harvested. It is light; drawn with ease by two horses. It cuts a finished swath; binds a symmetrical bundle; never neglects to bind; completes its work satisfactorily under all circumstances! An object of pride to its owner and a perpetual recommendation of its makers. Its admitted superior points:

1st. Lightness of draft. 2d. Cuts handily a grain of all kinds. 3d. Simplest and strongest. 4th. Greatest range of work. 5th. Adjustability; reliability.

We make both Right and Left-Hand Harvesters and Binders, Rear or Front Gear.

Our No. 8 Reaper leads the world! Binder twine of all kinds at lowest market rate.
