D. MOSBORNE & CO.

THE D. M. OSBORNE & CO. (AUBURN, N. Y.)
HARVESTER AND BINDER.

ITS superior qualities are universally conceded. It is sold in every land under the sun where grain is harvested. It is light; drawn with ease by two horses. It cuts a finished swath; binds a symmetrical bundle; never neglects to bind; completes its work satisfactorily under all circumstances! An object of pride to its owner and a perpetual recommendation of its makers. Its admitted superior points:

1st. Lightness of draft. 2d. Cuts handily grain of all kinds. 3d. Simplest and strongest. 4th. Greatest range of work. 5th. Adjustability; reliability.

We make both Right and Left-Hand Harvesters and Binders, Rear or Front Gear.

Our No. 8 Reaper leads the world! Binder twine of all kinds at lowest market rate.

BRANCH HOUSES. Chicago, Ill.; St. Louis, Mo.; Dallas, Texas; Philadelphia, Pa.; San Francisco, Cal.; Portland, Ore.; Salt Lake City, Utah.

THE D. M. OSBORNE & CO.
No. 4 MOWER.

THE most convenient, durable and the safest Mower in existence. Noiseless in operation; attractive in appearance; absolutely unequalled in lightness of draft. Its loose and flexible Cutter bar adjusts it to all inequalities in land; the gearing simple, strong, completely inclosed, fully protected from rain, mud or dust. Direct draft. Wide traction. The leading and the best Mower in the world! Our No. 4 is front cut; our No. 5 rear cut; our No. 3 is a one-horse mower. All goods sold under D. M. Osborne & Co.'s guarantee—a pledge of good faith that has never been questioned in thirty-four years of enormous sales.

Human ingenuity can make no better Mower than the Osborne No. 4!

All kinds of Binder Twine at lowest rates!
