

MICH. ENG. CO. DETROIT.

In addition to the foregoing record of Victories
the GALE CHILLED PLOWS were awarded,
by the Michigan State Fair in the year
1875, the following Premiums, viz :

For Finest Display of Plows, 1st Premium,	\$75.00.
For Attachment for any Plow for covering grass or long manure.....	1st Premium.
For <i>Superior Quality</i> of Chilled Iron for Plow Castings.....	1st Premium, Silver Medal.

At the Western New York Fair, 1875, Rochester.
Gale Chilled Plow, 1st Premium, Silver Medal.

Within the past six months there have been some
valuable improvements, among which are, a new
and simple device for bracing the Moldboard which
protects it from breaking. Also, a new Jointer
which performs its work perfectly in all kinds of soil
and to the satisfaction of all who have tested it.

During the year 1875, there were manufactured
and sold throughout the country **5.000** of these
Plows ; and of the entire number we are unadvised
of a single failure, in giving its purchaser the com-
pletest satisfaction.

Owing to the continued and increased demand
for the justly celebrated *Gale Chilled Plow*, our
facilities for manufacturing have been greatly in-
creased, which will enable us to manufacture **10.000**
Plows for the trade of the year 1876.
