

With Avery's Plows you'll always find,
A level head and studious mind—

The Farmer reads and loves to tell
How much is saved by plowing well.

AVERY'S Granite Chilled Plow

Has Come to the Front to Stay.

**Perfect Shape, Has great Turning
Capacity, Light Draft,
Finely Finished.**

It combines many valuable improvements, including our patent Adjustable Heel in Landside, which can be adjusted to compensate wear of Landside; Ribbed Mold-boards, to increase strength and prevent breakage; Adjustable Beam Rest, etc.

From the thousands who have used them, we have received but one verdict, viz.: "They are the best in the world." Prices low.

We also manufacture a complete line of Farming Implements.
