Machines securely bundled for shipment and delivered free on board cars at Detroit.

The special conditions of this order are that the Machine is to be perfectly satisfactory to me. It is to be well made, of good material, durable and servicable; and **guaranteed forever** against breakage caused by defects in material or workmanship.

I am to have 30 days from the time it arrives at my Railroad Station during which time I agree to give it a thorough test.

If at any time during the Trial Period the Machine does not do the work as I think it should, I will write you fully about it at once. Upon receipt of your reply I will give it another fair trial, following your suggestions. Then if it fails I am to have the privilege of taking it down and delivering it to the Railroad Station for shipment to you, which I agree to do, sending you Bill of Lading for shipment. When the machine is returned to you, all money paid you on it is to be returned to me. I am not to be charged anything for the 30 day loan of the machine, neither am I to make any charges against you.

This order is given in good faith on my part. It is my intention to keep the Machine, provided it is as represented, and does my work satisfactorily.

We want every customer satisfied that our Machine is exactly as represented and will do his work right. If you do not have an opportunity during the 30 days following the arrival of the machine to give it a satisfactory trial, we will, if requested, grant an extension of the trial period.

We are so confident that our Machine will please you that we have made all the conditions of this order **favorable to you. You run absolutely no risk** in ordering from us, therefore please fill out the above Blank, sign and mail it. You will be glad if you do.
