CHALLENGE LEADER DROP

Our Annual Greeting:

Again we introduce our little planter family, as the acknowledged leader everywhere.

THE CHALLENGE LEADER DROP (see cut on opposite page) stands alone without a peer, unapproached and unapproachable.

THE CHALLENGE TWO-HORSE DRILL PLANTER has the best record made, it has never failed to please.

THE CHALLENGE CHECK ROWER has proved itself to be the most accurate check dropper ever put in the field.

THE CHALLENGE ONE - HORSE PLANTER will drill or plant in check, and always give satisfaction.

Our motto is: The best **MATERIAL**, the best **WORKMANSHIP**, the best **FINISH**, and the **LEADER** in valuable **IMPROVEMENTS**.

Fifteen Year's Practical and Successful Use.

Write for illustrated descriptive circulars of all our goods, including the **CHALLENGE ICEBERG REFRIGERATORS**.
