

THE "MANSUR"

... IS A ...

**HAND, CHECK-ROW AND DRILL
PLANTER COMBINED.**

It is Light, Strong, Well Finished and has proved
a Favorite wherever used.

THE CHECK ROWER is attached strongly
to the main frame of the Planter, but can
be quickly removed for convenience in storing
and shipping.

IN CONSTRUCTION it is the best Planter
that has ever been devised for securing

EASE OF HANDLING,

LIGHTNESS OF DRAFT

AND CORRECT WORK.
