

SELF DUMP RAKE No.4

Manufactured by JOHN DODDS,
DAYTON, O

FOR SALE BY
Hawley Bros. Hardware Co., San Francisco, Cal.
Sole Agents for California.

IT IS BUILT OF THE VERY

BEST OF MATERIAL,

(BOTH WOOD AND IRON,)

STEEL TEETH,

That can be secured in the Market.

Further—It is not a new and experiment,
but has been in

Practical Use for over Eight Years,

and with the improvements and experience that
I have had in the manufacture of rakes in twenty
years past, let me say to all concerned,

“HERE IS THE RAKE.”

Buy it, and you will have the full worth of your
money, at the low price that it is now in the mar-
ket. Buy it at the factory, or of the agent whose
name you will find on this circular, and you will
be happy.
