D-4	Duster Hood	3.50
D-5	Duster Side, right or left	1.25
	Duster Canvas Tube	per foot .50

NOTE—In ordering Parts for Attachments you must give Thresher Model Number to get just the Parts you want.

If you have a Doylestown Grain Thresher, bought after 1914, and want to CHANGE it over to thresh PEANUTS, you MUST have following parts:

If No. 1A Thresher—ONE No. 1A Peanut Concave with 32 Spikes inserted	18.90
If No. 2 Thresher—ONE No. 2 Peanut Concave with 40 Spikes inserted	21.50
If No. 3 Thresher—ONE No. 3 Peanut Concave with 44 Spikes inserted	23.30
If No. 4 Undershot Thresher—FOUR Pieces No. 4 Peanut Concave Spike Bar with 10 Spikes inserted; price per complete bar	3.75
Also—ONE No. 57 Pulley (replaces No. 99) for Cylinder Shaft to take slower drive from Engine	5.00
ONE No. 53 Pulley (replaces No. 108) for opposite end of Cylinder Shaft to drive Fan and Shaker Shafts	2.50
ONE No. 426 Pulley (replaces No. 47) for outer end of Shaker Shaft,	4.00
ONE No. 52 Pulley (replaces No. 51) for Fan Shaft	2.00
ONE Peanut Chaffer (perforated metal in wood frame) to replace Grain Chaffer which has wood slats	12.50
ONE Peanut Sieve, with wood slats, for Peanuts to pass through...	5.00
ONE Peanut Screen Board to replace Wheat and Oats Screen Board	2.25
ONE Special Socket Wrench to remove Cylinder Spikes	2.50

NOTE—Be sure to take out every 2nd spike from each cylinder bar.

The above list indicates that it would cost you to change Grain

Thresher over to thresh PEANUTS, in best way possible, as follows:

For No. 1A—Total of Necessary Items above, . . .	54.65
For No. 2 —Total of Necessary Items above, . . .	57.25
For No. 3 —Total of Necessary Items above, . . .	59.05
For No. 4 Undershot—Total of Necessary Items above .	\$50.75

NOTE—In ordering you MUST give Model Number of your Thresher, and year you bought it, to get correct Parts, as each size Thresher requires its own size Parts in almost every case.

All Prices Subject to Change Without Notice.

Part No.	Part Name and Description	Price Each
BUT—To do best work, and to save all Peanuts, and save hand labor, it would pay you to add following:		
	ONE Peanut (combination wood and metal) Spout, with Sand Screen	3.00
	ONE Peanut Tailings (combination wood and metal) Spout with Sand Screen	3.00
	ONE Special Peanut Tailings Elevator with Sand Screen, Belt, Pulleys No. A-O-4 and No. 49, Supports and Bolts	40.00

NOTE—If you order any of the above equipment you **MUST** list just which items and how many of each you want in order to get correct parts.

If you have a Doylestown Peanut Thresher bought after 1914, and want to change it over to thresh GRAIN, you **MUST** have following parts:

If No. 1A Thresher—ONE No. 1A Grain Concave with 32 Spikes inserted	18.90
And 32 Cylinder Spikes @ .20	6.40
If No. 2 Thresher—ONE No. 2 Grain Concave with 40 Spikes inserted	21.50
And 36 Cylinder Spikes @ .20	7.20
If No. 3 Thresher—ONE No. 3 Grain Concave with 44 Spikes inserted	23.30
And 40 Cylinder Spikes @ .20	8.00
If No. 4 Undershot Thresher—FOUR PIECES, No. 4 Grain Concave Spike Bar with 10 Spikes inserted; price per complete bar	3.75
And 36 Cylinder Spikes @ .20	7.20
Also—ONE No. 99 Pulley (replaces No. 57) for Cylinder Shaft to take drive from engine, for No. 1A, 2 or 3	3.50
ONE No. 99A Pulley (replaces No. 57) for Cylinder shaft to take drive from engine, for No. 4 Undershot	5.00
ONE No. 108 Pulley (replaces No. 53) for opposite end of Cylinder Shaft to drive Fan and Shaker Shafts	3.50
ONE No. 47 Pulley (replaces No. 426) for outer end of Shaker Shaft	5.00
ONE No. 51 Pulley (replaces No. 52) for Fan Shaft	2.50
ONE Wheat Sieve	4.00
ONE Oats Sieve	4.00
ONE Wheat and Oats Screen Board	4.00
ONE Special Sqcket Wrench (to put in Cylinder Spikes)	2.50

NOTE—In ordering you **MUST** give Model Number of your Thresher, and year you bought it, to get correct Parts, as each size Thresher requires its own size Parts in almost every case.

All Prices Subject to Change Without Notice.

Part No.	Part Name and Description	Price Each
----------	---------------------------	------------

As your Peanut (combination) Spouts and Tailings Elevator will work with Grain all right, the above list indicates that it would cost you, to change Peanut Thresher over to thresh GRAIN, as follows:

For No. 1A—Total of Necessary Items Above, . . .	\$54.30
For No. 2 —Total of Necessary Items Above, . . .	57.70
For No. 3 —Total of Necessary Items Above, . . .	60.30
For No. 4 Undershot—Total of Necessary Items Above, . . .	52.70

NOTE—In ordering any of above Change Equipment it is absolutely necessary that you list just what items you want and exactly how many of each, and your order will be entered accordingly, as we no longer make lump sum prices on any of this equipment.

Kaffir Corn and Soja Beans are threshed successfully by any of our Grain Threshers, but you **MUST** replace the wooden slatted Grain Chaffer with a PEANUT Chaffer (perforated metal in wood frame) to get good results. This Peanut Chaffer costs the owner of any of our Grain Threshers, extra \$12.50

If you have one of our Peanut Threshers, you would have to change over to Grain Equipment listed above, with exception of Chaffer, to be able to thresh these products.

Cow Peas are threshed successfully by any of our Grain Threshers but you **MUST** replace both Cylinder and Concave Teeth with Special Sharp Teeth to get any proper results. These teeth cost 30 cents each, for as many as wanted, and you should use same number as you find in your Grain Thresher.

You also need:

ONE No. 57 Pulley for Cylinder Shaft to take drive from engine .	5.00
ONE No. 53 Pulley for Opposite end of Cylinder Shaft	2.50
ONE No. 426 Pulley for Outer End of Shaker Shaft	4.00
ONE No. 52 Pulley for Fan Shaft	2.00
ONE Special Socket Wrench (to put in spikes with)	2.50

If you have one of our Peanut Threshers—You **MUST** have—in order to Thresh Cow Peas, the following:

If No. 1A—ONE Grain Concave with Special Sharp Spikes inserted	22.10
If No. 2—ONE Grain Concave with Special Sharp Spikes inserted	25.50
If No. 3—ONE Grain Concave with Special Sharp Spikes inserted	27.70

Also Special Sharp Spikes for Cylinder for No. 1A—54, for No. 2—63, for No. 3—72, for No. 4—63; costing 30 cents each.

ONE Oats Seive	4.00
ONE Socket Wrench (to change spikes with)	2.50

Above changes are suggested to show you how you can get many uses out of your Thresher.

NOTE—In ordering you **MUST** give Model Number of your Thresher, and year you bought it, to get correct Parts, as each size Thresher requires its own size Parts in almost every case.

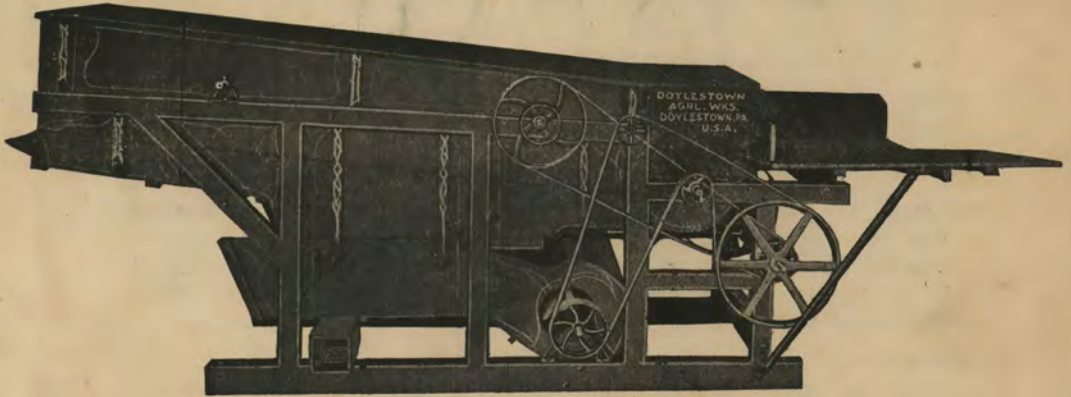

All Prices Subject to Change Without Notice.

DOYLESTOWN AGRICULTURAL COMPANY

DOYLESTOWN, PA.

Makers of Individual Threshing Machines Since 1851

*And Every Year's Experience has brought Refinement
and Improvements = But in all that time no radical
Change in Design*

This Cut Shows No. 2 or No. 3 Thresher

**NOTE—No. 1A, 2 and 3 are Exactly Alike in Design and Construction
They Differ Only in Size and Capacity**

No. 4 Undershot Costs a Little More—But Will do More and Better Work

Our Threshers have been Copied by More Makers than any Others

**But We Have Had the 69 Patient Years
of Development Which Many Others Lack**

CONSEQUENTLY—We have Never had a Failure of a Single Thresher

**More Farmers in Eastern and Southern States Speak Well of Our Thresher
than of any other make. Our Sold Machines are Our Best Advertisements**
