Dr. John V. Atanasoff
Naval Ordnance Laboratory
White Oaks, Maryland

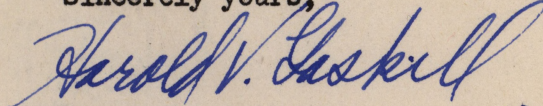

Dear Dr. Atanasoff:

I want to congratulate you on the participation of members of your division in the society sessions described in the May, 1948, report.

I was sorry that I missed you the last time I was in Washington, and I presume Jean gave you my message. I look forward to seeing you the next time I am there.

Personal regards.

Sincerely yours,

Harold V. Gaskill
Dean
