Dr. L. H. Pammel,

Iowa Agr'l Experiment Station, Botanical Section,

Ames, Iowa.

My dear Dr. Pammel:

I wish to thank you for your favor of recent date, and beg to say in reply that I do not recall having received a copy of your "Talk on Weeds". I have seen it advertised, however, in the Iowa State Register, the Ames Intelligencer, and one or two farm journals with most excellent and flattering comments. I shall be glad to receive whatever you may have to send me.

With sincerely good wishes, I am,

Yours very truly,
