Dr. L. H. Pammel,

Dept. of Botany, Ia. State College,

Ames, Ia.

My dear Prof. Pammel:

your good letter came a few days ago and I am glad to know that you will stop and see us when you visit the South again. I trust this may not be too far in the future.

I note you say you have sent me some publications. As yet they have not reached me.

With best wishes for yourself, Mrs. Pammel and the children, I am,

Very truly yours,

Geo. W. Carver

Director.

P. S. I can get you a plant of Okra about six inches high, now, if it is not too late.
