Dear Dr. Pammel:

Upon my return from Blue Ridge, N. C., I found your good letter awaiting me. I have enjoyed it exceedingly. If any published reports come out with reference to your anniversary, I should like very much to get a copy. It seems to me that the Alumni Bulletin should give you a very good account of it.

With sincere good wishes, and kindest regards to Mrs. Pammel, I am

Very truly yours,

P. S. If you have not already heard it, I feel sure that you will be pained to learn of the death of Dr. Sparks, who accompanied you here to Tuskegee. I just received the message last night, and was very pained to hear it indeed, as I feel that he was one of God's chosen messengers.
