September 24, 1926

Prof. G. W. Carver
Department of Research & Experiment Station
Tuskegee, Institute, Alabama

Dear Mr. Carver:

I have your letter of September 20 and thank you very much. I am pleased always to hear from you. I am glad that Mr. Romm can be with you. He did fine work in the Botany Department here. He is a fine man.

Yours truly,

LHP:OT
