Dr. L. H. Pammel
Iowa State College
Department of Botany
Ames, Iowa

My Dear Dr. Pammel:

I want to thank you for your fine letter of recent date.

I shall look forward to receiving the issues of the Park Bulletins with much interest.

I have received nothing that I think would be of special interest to the history of the peanut exhibit at Windsor, North Carolina. I have several news paper clippings, but they treat it in a very general way and I doubt if they would be of interest, as I stated before. I shall, however, continue to look for them as I presume there will be much better accounts of the entire exposition. I am sending under separate cover a write up which may be of interest.

With sincerely good wishes and with the hope that you and Mrs. Pammel will come by Tuskegee on your way back to Iowa. What a treat it would be to have both of you here.

Very truly yours

G. W. Carver
