Prof. Geo. W. Carver,
Tuskegee Institute,
Tuskegee, Ala.

Dear Prof. Carver:

I am glad to get your letter. I am afraid
it will be impossible on my return trip,
to stop with you, as my time is limited.
I leave here the middle of March, and
must spend a few days at Atlanta, Georgia,
and Knoxville, Tennessee.

I am enjoying this splendid Florida weather.

Mrs. Pammel joins me in wishing you well.

Yours truly,

P/H
