Geo. W. Carver,
Director Department of Agriculture
And Experiment Station.

Tuskegee, Ala., Dec. 12, 1902.

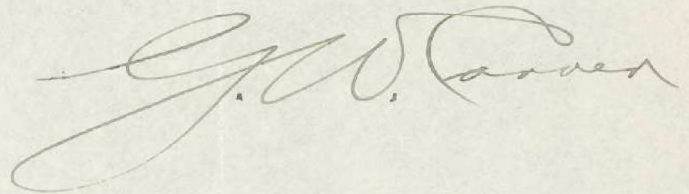

Dr L. H. Pammel,

Ames, Iowa.

My Dear Doctor Pammel:

I am sending you today a small package of plants which are among our most troublesome weeds. I did not get the entire fifty of them but I think I can supply you with these a little later. Trusting these will be of some value to you, I beg to remain,

Yours very truly,

A handwritten signature in cursive script, reading "Geo. W. Carver". The signature is written in dark ink and is positioned below the typed closing "Yours very truly,".
