Mess 7.

your kind and welcome sheet
came to hand just one
~~I was glad to hear that~~
to hear that you was in health
my dripping almost fainting

you spoke of times that
more than a year ago
all for the wares of soldier
to surprise the wrong and

off when gloomy thoughts
has wandered back fondly
and thought is it just and
thus to suffer repine? To
then to drown ~~such thoughts~~
I turn me to the one
^{on calypso}

~~I find it written in his~~

though late,
month from date,
~~you was well~~
with friends so near
hard did cheer

is passed and gone
when I left my home
for to be
defend the free

has pressed my mind
to the time
rite for loving hearts
bleed and smart

~~and comfort me~~ free
~~that let for broke upon the~~
~~whos hearts strings~~

~~word~~

then to drown such thoughts
I turn me to the one
surely if Christ for sin
man should make a willing
yon spoke of the beautiful
and wished me there to
to make one in number
found hearts found hopes
all along yet in visions
my wandering thoughts
will return and mingle as
with all my friends and
Through many hardships I
many sore trials I've
many dangers already
so it may be with me to
But oft neath a southern
scorched with heat, ah, it
to have stooped to drink
instead of the southern warm

and comfort me
on Calvary
hath did
of sacrifice
sabbath morn & late
share with you I might
and more in joy
are all ayle
of the night
in blissful high
I wish to do
with you
have come
under gone
passed
the last
sun at noon
would have bin a brown
of northern orient cool
and
in bluish pool

you alone - I must be lonely
with no friends or relations
you wished me home its
such a thought I could
~~while war is still the~~
~~the emblem of peace~~
as the emblem
threat

while war is still the cry
as threatnings of our noble
but sister let not sad the
though I wander far in

I miss my brother true
a friend I have that
closer than a brother
shielding a blessing and

in here
near
comforts to share
not have
cry or ~~write~~
as long

or as long
liberty is prolonged
rights for me your sworn press
duty I and blessed

but still
will
be
protecting me

And now my lines to you I
hoping we all may good cheer
And that the time soon
That I can return again if
But not til this ^{whole} ~~month~~ ^{selection is done} ~~month~~
Can return as before in peace
When captives shall all shall no
more shall

when liberty is to captives given
and ^{all can} worship one master the one

my thanks to you for
a continuance of the same
Some times I write as do
as for this except it from

give
us live
may come
to my home
rice and all
owed to thee

in heavin

favours parred
I de asked
otherz
your brothe

Bricksburg taken and if it
