Dear Phil:

Here are some further starling records
for the south-west part of the state which
I hope that you can use:

(Union Co.	Creston	Apr. 9)
Adams Co.	Corning	Apr. 10
Page Co.	Clarinda	Apr 11 & 12
Montgomery Co.	D Stanton	Apr. 12
Adair Co.	Bridgewater	Apr. 13.
Bridgewater		

I'm having a great time ornithologizing
as I travel. I saw a bald eagle in Poweshiek
Co. this afternoon, just below the Tama County
line on Primary Road 59.

Sincerely

Harlow Mills
