Dr. L. H. Pammel,

Campus,

Dear Dr. Pammel:- I should like
to be considered in application
for remunerative investigational
or field work for the summer
months.

It is my preference to work indepen-
dently along some line or to finish
some personal work which I have
already undertaken. It is how-
ever imperative that I consider such
summer occupation as will supple-
ment my income in order that I may
fulfil responsibilities which rest
upon me, hence I am making this
inquiry.

Very truly,

April 10, 1924.

Ada Hayden
