

Dear Dr. Parrish: - Your letter was recently received and I thank you for the enclosure. I do not think now that I shall be a candidate.

I thank you for the church clock and string which was received today.

I think I found a tree of Durcas ~~valley~~ this week. Have a few adorns & leaves. Could get no branches. They were too high but have a picture. I shall enclose some pictures.

What do you think of having a series of pictures of this part of the country for lantern slides? I took the pictures that are enclosed with a rented camera.

If I should get a Kodak and take pictures suitable for department use, would the department furnish the films & develop them? I suppose there is no department camera now in use at present, that I could use? Do you want any oak pictures? I am enclosing some samples.

I seem to have made a mistake in my calculations concerning the pay of assistant. I will send the balance in check for the January payment. You previously received a check for 82⁵⁰ and

I am enclosing pie for \$37 ⁴²/₁₀₀

I suppose I had better not try to come back for next semester. I did not want to stay away this semester. I am better but not normal by any means I suppose I must admit. My uncle thinks that I should not start so soon too.

As sorry not to have been able to attend Harriet's wedding I wish them the best of fortune.

With wishes to you all for a prosperous year.

Very truly,

Ada Hayden.

Uncle Tom will send a letter to you.
