4. Discussion of Fall-out Resulting from May 19 Test Detonation

The Commissioners discussed with Mr. Salisbury matters related to the fall-out resulting from the test detonation on May 19. Mr. Zuckert said that in a memorandum to the General Manager, he had requested a statement of the criteria which determine when a shot will be fired. A copy of this memorandum is on file in the Office of the Secretary.) After further discussion of these and related matters, the Commission:

REQUESTED a statement of the criteria which determine
when and under what circumstances test detonations are fired.

Harold D. Anamosa
Acting Secretary

Approved by the Commission: June 25, 1953
