EXECUTIVE 3-8100

June 16, 1966

Mr. Dwight Ink
Assistant Secretary for Administration
Department of Housing & Urban Development
Washington, D.C.

Dear Mr. Ink:

This is to express our appreciation to you for pointing out the omission of "Response to Disaster" from our second edition of the Committee on the Alaska Earthquake Bibliography in your June 9 letter to Dr. J. Vail Foy, Editor. I am writing in behalf of Dr. Foy who is finishing up his teaching duties at the University of Idaho, and may be unavailable.

As you might expect, we were more than a little surprised and quite chagrined to find that in the mechanical process of correcting the card entry for "Response to Disaster" it somehow was omitted even though it did appear both in the earlier first edition and its supplement.

There certainly is no question about its belonging in the Bibliography. In fact, I am unable to think of a single entry that is more important. It certainly will appear in the next issue, as well as in our forthcoming Errata Sheet. If you happen to note other significant errors or omissions, we would very much like to have them. A phone call to 961-1508 or Code 1224, extension 508 will do just fine.

Thanks again.

Very truly yours,

William L. Petrie
