Mr. Timothy Russell
Systems Accountant
Office of Financial Management
Bureau of the Budget
Washington 25, D.C.

Dear Tim:

I should like to thank you for the very fine work you did in assisting the White House Task Force on Education during the past two months.

The suggestions in the important area of fiscal management have been adopted by the Office of Education and should be most helpful to them as they overhaul much of their fiscal systems.

I appreciate your willingness to take time from your other duties to help us on a priority basis.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
