Mr. Herbert N. Jasper  
Assistant Chief  
Office of Legislative Reference  
Bureau of the Budget

Dear Herb:

I should like to add my thanks for the outstanding job you did as a Member of the White House Task Force on Education.

All who worked with you were highly impressed with your competence. Your incisive analyses, combined with your realistic approach to the practical problems confronting the Office of Education, resulted in a series of organizational and procedural proposals which should be extremely useful to Secretary Celebrezze and Commissioner Keppel. As you well know, most of these recommendations already have been adopted and are being implemented.

It was a pleasure to work with you, and Sam Hughes is indeed fortunate to have you as Assistant Chief of the Office of Legislative Reference.

Sincerely yours,

Dwight A. Ink, Chairman  
White House Task Force  
on Education
