President James H. Hilton

Ames, Iowa

Dear President Hilton:

Thank you very much for your letter of May 17, as well as the suggestions you passed on to me by telephone concerning the Office of Education.

We have completed the work which the President asked us to undertake in assisting Secretary Celebrezze and Commissioner Keppel. The Office of Education has a heavy task ahead in meeting the new responsibilities resulting from unprecedented legislation over the past several years.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
