Mr. Nicholas J. Oganovic
Executive Director
U.S. Civil Service Commission
1900 E Street, N.W.
Washington 25, D.C.

Dear Nick:

I should like to express my appreciation for your taking the time to serve as a Member of the White House Task Force on Education. Your willingness to draw so heavily upon the resources of the Civil Service Commission has contributed substantially to the concrete steps now being taken by the Office of Education to gear up for its new responsibilities. As you know, nearly all of the Task Force recommendations have been approved with implementation now underway.

I very much enjoyed working with you, and am well aware of the problems with which you were faced in also taking on the very heavy duties of Executive Director of the Civil Service Commission.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
