The Honorable Orville K. Freeman
Secretary of Agriculture

Dear Mr. Freeman:

I should like to thank you and Joe Robertson for making Mr. Tom Canada available on very short notice to assist in the work of the White House Task Force on Education.

His suggestions in the area of fiscal management were very helpful in our assisting Commissioner Keppel gearing up to meet his new responsibilities resulting from recent legislation. Making him available to us in less than twenty-four hours is an extension of the very wonderful cooperation I also received from your office during the past year while serving as Executive Director of the Alaska Reconstruction Commission.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
