Dear Mort:

I should like to thank you personally for the help you gave the White House Task Force on Education.

We enjoyed working with you and found your work to be of a very high professional quality. Your suggestions were constructive and many are reflected in the recommendations of the Task Force.

You should feel a sense of satisfaction in having contributed to Commissioner Keppel's efforts to reorganize and revise his management procedures in meeting the new responsibilities of the Office of Education.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
