Mr. Harold Seidman
Assistant Director for
Management and Organization
Bureau of the Budget
Washington 25, D.C.

Dear Harold:

Thanks again for the help and guidance you provided the White House Task Force on Education in reviewing the organization and management procedures of the Office of Education.

Particularly appreciated, of course, was the availability of one of your key staff, Herbert Jasper, to work full time as a Member of the Task Force.

As you know, most of the recommendations have been adopted by the Office of Education and we are hopeful that they will be of substantial assistance in Commissioner Keppel's efforts to gear up the Office for its new responsibilities.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
