MEMORANDUM FOR COMMISSIONER KEFFEL

SUBJECT: REPORT OF THE EVALUATION PROCEDURES STUDY GROUP TO THE
WHITE HOUSE TASK FORCE ON EDUCATION

Attached is a report on proposal evaluation procedures made by a study group we established several weeks ago.

We believe this task group has made a very significant contribution within a very short period of time, and you will find their comments provocative and useful. The Task Force agrees with the recommendations in principle, though our thinking is not in complete agreement with all the supporting statements.

We will provide you, on Monday, with the Task Force version of these recommendations.

Dwight A. Ink, Chairman
White House Task Force on Education
