Mr. John D. Shytle
Controller
Veterans Administration
Washington 25, D.C.

Dear Mr. Shytle:

Thank you very much for the brochure on the "VA Chart Room," which I passed on to the people in the Office of Education who are concerned with developing a stronger management reporting system.

We found our visit to your Chart Room very helpful and I would like to congratulate you on a system which appears to be very well adapted to your specific needs. We appreciated the time which your staff and others took with us in explaining your reporting process.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force on Education
