MEMORANDUM FOR COMMISSIONER BUNTING

SUBJECT: OFFICE OF EDUCATION RESEARCH PROJECTS

Attached are examples of research efforts undertaken by the Office of Education. I am very hopeful that you can squeeze in the time to glance at these so that I might have your reaction concerning the value of this work.

If you have the opportunity to show any of these to Dr. Seaborg, John Palfrey, or Jerry Tape, I would also welcome their informal reactions.

I should like to discuss this with you, at least by telephone, on May 18 or 19.
