Dear Jim:

I should like to thank you for the excellent assistance you provided the White House Task Force on Education. Your recommendations in the planning and fiscal management areas were incorporated by the Task Force in its report to Commissioner Keppel and Secretary Celebrezze.

As you know, the recommendations have been adopted and many already are being implemented. Further, the President has expressed his pleasure with the results of our effort.

I appreciate your willingness to take the time from your other work to provide us with this help.

Sincerely yours,

Dwight A. Ink, Chairman
White House Task Force
on Education
