

ADMINISTRATIVELY CONFIDENTIAL

WHITE HOUSE TASK FORCE ON EDUCATION

NOTE FOR RUSS WOOD

After we have completed most of our interviews - probably in about a week - we would like to discuss the following with you in some depth:

1. The problems you have observed in the present organization, particularly as they might affect the carrying out of the programs as expanded by recent legislation.
2. The concepts and organizing principles underlying the "shadow" organization which has been developed.
3. The organizational problems which you anticipate under the revised structure.

I believe Mr. Jasper mentioned at the conclusion of our earlier conference that we would want to discuss these areas in greater depth at a later date.
