**Honorable Paul H. Nitze
Secretary of the Navy**

Dear Paul:

I should like to thank you and the Office of Naval Research for making Mr. Howard Wighton available for several weeks to the White House Task Force on Education.

Mr. Wighton provided us with very valuable advice and suggestions in the contracts and fiscal management areas. He impressed all of us as one who is highly competent and experienced. Most of Mr. Wighton's recommendations were incorporated in our Task Force report and have been adopted by the Office of Education.

We very much appreciate your having made available so capable an individual.

Sincerely yours,

**Dwight A. Ink, Chairman
White House Task Force
on Education**
