✓ Northern Waterthrush	1	8-22	Gull Point S.P. Dickinson Co.
✓ Rusty Blackbird	1	11-20	One lone bird Lake Manawa S. P. Pott. Co.
Common Grackle		11-2	Grackles have been feeding and bathing in back yard. Today they are gone.
Common Grackle	1 to 3	11-24 to 11-29	Three birds appeared. Two males, One female. One of males is one-legged.
Dark Eyed Junco	3	10-21	First Junco's of fall. In back yard.
American Goldfinch	2	10-30	First Goldfinches of fall although I have had finch feeder up.
Many days I don't see a bird. Part of the problem may be that I have gotten others in the area putting up feeders, but there seem to be fewer goldfinches than normal.			
American Goldfinch	4	11-20	Along drive South side of Lake Manawa.
Chipping Sparrow	1	10-24	In back yard. Thought late.
American Tree Sparrow	10	11-20	Along drive south shore Lake Manawa.

A cool, but mild fall in the Council Bluffs, Iowa area. No measurable snow. Only the very shallow ponds are frozen over.

A major winter storm with 50 mph winds passed on Nov. 12 but the snowfall was all north of Council Bluffs.

Today, Nov 29 predicts a high temp of 50 and for Nov. 30 a high of 55.
