Dear Mr. Kent;

I am sorry to see you go but I wouldn't want the job ~~either~~ it must have taken a lot of your time. I would like to meet the people that are active in IBL but that isn't possible. The Iowa Bird book is going to be a great help to me in filing ~~of~~ my reports. It's a great book and I use ~~it~~ a lot. Every good birder should have one. You have been a great help to me, which I appreciate. I know that I have made some errors, but after 10 years of very active bird watching I hope that they will be fewer.

Thank You For Your Help

Good Birding
