DR. RAYMOND M. HUGHES
President of Iowa State College

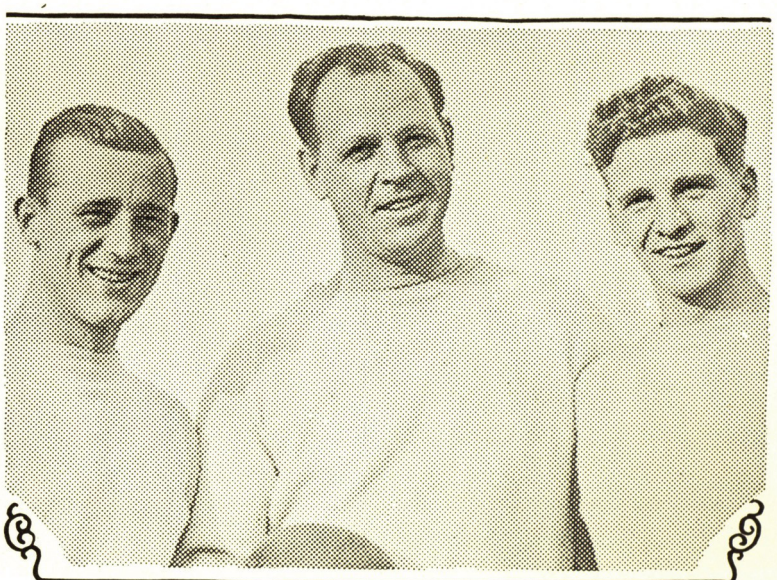

IT is a great pleasure to welcome the Drake University Team and the Faculty and Students of Drake, to Iowa State College for this great annual game.

We welcome the Fathers and Mothers of our students who have come for this "Dad's Day" celebration. We hope you will enjoy walking over the campus with your sons and daughters and meeting their friends and teachers.

We welcome the Alumni who are here today. Iowa State College, like all American Colleges, is changing and growing. We hope in some ways you will feel that your college is stronger and better than it was in your day, and that the best traditions of the earlier days are being maintained.

R. M. Hughes.

SOPHOMORE FOOTBALL MEN

On the page opposite are pictures of eight sophomores who have made the varsity squad this season.

Kenneth Wells (Lake View). Shifted from line to backfield because of his speed. The fastest man on the squad. Also a baseball numeral man.

Hillford Bowes (Albert Lea, Minnesota). A very deceptive and shifty ball carrier. Numeral in football, basketball and tennis.

Lloyd Lounsbury (Colo). Guard and tackle, especially strong leader of interference. Weight man in track.

Franklin Nolte (Hampton). Giant tackle; 6 feet 5 inches; 200 pounds; out since Missouri game because of broken bone in leg. Center in basketball.

Bob Smith (East High, Des Moines). Hard charging tackle with a knack for blocking punts. Weight man in track.

Lloyd Nagel (Guthrie Center). Shifted from end to backfield after injuries removed Trauger, Larson, Tegland, Swoboda and Wilcox from the line-up. A vicious tackler and a hard-driving back. Basketball and track man.

Franz Swoboda (Omaha, Nebr.). His leg was broken in the Marquette game just when he had earned a place on the first team. His will to be a great player more than compensates for his lack of weight. Basketball man.

Gordon Nagel (Guthrie Center). After being used in the preliminary practice at end, tackle and guard, he found his niche at center. A steady passer and a power on defense. Basketball center, weight man in track.

Other new men whose pictures are not shown on this page are:

Warren Duesenberg (Garner), whose line-backing has earned him a place on the first eleven.

Gilbert Hitch (Fort Madison). Now regular right end. Varsity basketball guard.

Arthur Boardman (Canton, S. D.). Center.

THE error in the belief of some novices that color decoration requires matched shades is shown in this Crane bathroom, where a charming result has been obtained through sharply contrasted fixture colors. The bathtub, blending into the deep water effect of the floor, is the *Corwith* in Lisbon blue. The *Corwith* lavatory and *Saneto* closet are in citrus yellow, a part of the sunlight effect of the walls. Pale blue and white in the ceiling complete the motif of water, sun, and sky. Tasteful decorative ideas are a part of the good measure given with the beauty and quality of Crane fixtures, valves, and fittings. For a new book of twelve other such beautiful rooms, one of which may be just the one for you, write for *Bathrooms for Out-of-the-Ordinary Homes.* Ask a responsible plumbing contractor about the economy and the added value of Crane materials. See them at nearby Crane Exhibit Rooms.

CAPT. WOODS HITCH

The prospects appear good for the strongest basketball team in years. Woods and Hitch from last year's team will be supported by an unusually fine group of sophomores. Among the most likely of the new men are: Gordon Nagel, Richard Hawk, Jack Roadcap, Albert Heitman, Hillford Bowes, and Herman Holmes.
