Cyclones Face Huskers

This is the day the Iowa State College takes time out to honor the parents of the nearly 10,000 students enrolled for 1947. All parents of Iowa State students have been invited to attend the program of events lined up on the campus for the occasion.

The parents of the members of the football squad are seated in a special section near the center of the field.

Highlight of the weekend, from an athletic point of view, will be the game about to take place. The game pits powerful Nebraska against rebuilding Iowa State in the second conference encounter of the season for the Cyclones. It will be the first Big Six game for Nebraska.

The Cornhuskers are in Ames today with a little matter of personal revenge to take care of—it has been six football seasons since the Redshirts have won a game in Ames! That, the Huskers vow, will be a situation that will be changed by 4:30 p.m.

Power exhibited by the Cornhuskers in opening games indicate that Bernie Masterson squad may well be in shape to win a football game in Ames for the first time since 1941. That year Nebraska scored a 14-0 win. In 1943 Iowa State won 27-6 and again in 1945, 27-7.

Coach of the Cornhuskers is Bernie Masterson, great Nebraska back of the early 1930's. This marks the first time he has brought a team to Ames.

Olympic Contribution Game

The Nebraska game today is going to have a meaning even next summer — because Iowa State College has named this contest as its "Olympic Contribution Game".

When the athletes of this great nation enter the 1948 Olympics their expenses will be paid from the fund gained from the voluntary contributions of the American sports fans. The Olympic Games committee of the United States has asked each college and university to name one game during the year as its time to collect funds to defray the expenses of the athletes of this nation.

For the game today there were boxes as the fans entered, into which they could place their voluntary contributions. The Committee has asked that those who care to give do so for the amount of 25 cents.

The same boxes will be waiting when you leave the stands. Give as you care to — to aid the American team in its 1948 effort to defend its Olympic title.

Nebraska Star Now Coach

BERNIE MASTERSON

Bernie Masterson, who spent seven years playing football in Lincoln, Nebraska, looks like he'll spend a lot more than that coaching there.

Head coach at his Alma Mater, Masterson last year pulled the Cornhuskers into a tie for third place, the highest Nebraska had finished since 1942.

Masterson played three years at Lincoln High school and three more at Nebraska. During his playing years he led the team to three Big Six titles.

Following graduation he played with the Chicago Bears. There he called the final play of the long career of Red Grange. Previous coaching experience includes backfield posts at Stanford in 1941 and at U.C.L.A. for 1941-42.

A GOOD START IS HALF THE BATTLE

IN football, the man who starts fast has a decisive jump on his opponent.

The man who gets the early habit of saving has already won an important advantage in the game of life that will stand him in good stead in later years.

He has already traveled many yards toward the goal of financial independence.
