WELCOME TO IOWA STATE UNIVERSITY

IOWA STATE UNIVERSITY *Becoming the best.*

For more than 133 years, Iowa State University has been providing a high quality education to students, conducting important research, and helping improve the quality of life for people throughout the world as Iowa's land-grant university.

Today, Iowa State is a broad-based international university. Its nearly 28,000 students come from all 50 states and nearly 120 other nations, and include more National Merit Scholars than all but six other public universities in the nation and more National Achievement Scholars than all but four other public universities. Students can choose from 200 programs of study leading to baccalaureate degrees in the colleges of Agriculture, Business, Design, Education, Family and Consumer Sciences, and Liberal Arts and Sciences, many of which are ranked among the top 10 nationally. The College of Veterinary Medicine offers the Doctor of Veterinary Medicine degree and students seeking advanced degrees can choose from among 200 fields of study leading to master's, doctor of philosophy and specialist degrees.

Students who come to Iowa State discover a university community that is both supportive and filled with opportunities. Features include: a national-award-winning lectures program; nearly 500 different student clubs and organizations for campus and community involvement and leadership development; and an extensive intramural program that boasts one of the highest participation rates in the nation, offering all popular sports as well as such unique activities as inner tube water basketball and broomball.

Facilities are second to none. New buildings are under construction for the colleges of Business and Engineering. A modern Student Health Center provides comprehensive medical services as well as rehabilitation, nutrition, wellness and health education programs. The three-level, 220,000-square-foot Lied Recreation Facility includes 20 basketball courts, nine racquetball courts, a 300-meter ground-level track, an elevated jogging track, and extensive weight and aerobics training facilities. The Ames/ISU Ice Arena, a cooperative venture involving Iowa State and the city of Ames to support the rapid growth of recreational and competitive skating, including ISU's very successful club hockey program, opened in the fall of 2001. Golf enthusiasts can enjoy Iowa State's championship-caliber Veenker Memorial Golf Course.

Iowa State's residence hall system, which is undergoing a \$100 million renovation, is nationally recognized for the high quality living environment it provides to students. The residence system is organized into individually-named, self-governing houses, which provide students greater autonomy and sense of community. Nearly half of all new freshmen now enter as part of an even more personal learning community. Learning communities consist of students with similar majors or special interests and have proven to significantly increase student success in terms of grade-point average and retention. In addition, Iowa State's Greek system is consistently ranked as one of the top in the nation and the Cy-Ride bus service makes off-campus apartment living as close to the campus as the residence halls.

Iowa State has a comprehensive computing network with thousands of computer workstations located in labs throughout the campus and residence halls and network support for students no matter where they live. The university is consistently ranked among the top wired Universities by Yahoo!Internet Life magazine; its C6 and C2 virtual reality labs are among the most sophisticated in the world; and it is a national leader in computer security with its designation as a charter Center of Excellence in Information Assurance by the National Security Agency.

Often described as a park, Iowa State's central campus covers more than 1,700 acres and is recognized as one of the most beautiful in the nation by the American Society of Landscape Architects. The campus has more than 160 buildings, ranging from beautifully restored historic landmarks to striking examples of modern architecture. The university has an extensive art collection, including the largest Grant Wood murals in the nation, located in the Parks Library, and the nation's largest public collection of Christian Petersen sculptures, many of which are located throughout central campus itself. Scenic Lake LaVerne, the stately Memorial Union and the historic Campanile with its Stanton Memorial Carillon anchor the south side of central campus.

Major expansion of the campus has occurred southeast of central campus, beginning with the four-building Iowa State Center entertainment and continuing education complex which hosts top names in popular and classical music, national theater productions and international art exhibitions; Jack Trice Stadium, College of Veterinary Medicine, ISU Research Park and the rapidly growing Reiman Gardens, which has become one of the most popular garden attractions in the Midwest and whose new conservatory and butterfly gardens are scheduled to open this fall.

Wishing the Cyclones good luck this Football season!!

CYCLONES VS. TIGERS

IOWA STATE FOOTBALL

Iowa State, ranked 22nd on the latest AP poll, returns home to battle a much-improved Missouri team. The Cyclones (6-3, overall; 3-2, Big 12) play at home after consecutive road losses at No. 2 Oklahoma and No. 7 Texas. The Cyclones have been in the AP poll for seven consecutive weeks, the second-longest run in school history (eight weeks, Oct. 2-Nov. 20, 1972). Iowa State's three losses have been to teams ranked among the nation's top 18 teams (at No. 2 OU, at No. 7 Texas and vs. No. 18 Florida State). Iowa State's 6-3 record matches the nine-game mark of the 2000 season and is tied for eighth-best in ISU's 111 years of football.

Last weekend, Iowa State led No. 7 Texas, 10-7 at halftime, but a third-quarter 59-yard TD run by Longhorn running back Cedric Benson put the Longhorns ahead to stay and Texas prevailed for its 17th-straight home field victory, 21-10. ISU **QB Seneca Wallace** hit on 12-of-19 passes for 177 yards in the first half, including a 16-yard TD pass in the corner of the endzone to **WR Lance Young** with 2:16 left before halftime. The Cyclones outgained the Longhorns, 217-176 before intermission, but Texas had a 210-68 advantage in the second half. Late in the third quarter, **DB Nik Moser** blocked a Texas punt that **DB Nick Linder** recovered, giving ISU a 1st-and-10 at the Longhorn 29, but the Cyclones had to settle for a 32-yard field goal attempt that was wide right, one of two Iowa State failed field goal attempts. One of the game's biggest plays came on the fourth-quarter's first drive -- a 4th-and-1 sneak at the Cyclones' 21-yard line by Texas quarterback Chris Simms that ISU defenders thought they had denied. But after the ball was spotted, Texas was awarded a first down by an inch.

Wallace finished 18-of-39 for 226 yards with one TD pass and one interception. ISU **WR Jack Whitver** made six receptions for 73 yards. **LB Chris Whitaker** led Iowa State with 12 tackles, with a tackle for loss and a sack. **SS JaMaine Billups** had 10 tackles and an interception for the Cyclones. The Cyclone rushing game was led by **RB Michael Wagner** with 38 yards on 10 attempts. **KR Lance Young** tallied 64 yards on three returns at Texas. **P Tony Yelk** averaged 38.2 yards on the day after notching 153 yards on four punts.

Missouri, 4-4 overall and 1-3 in conference play, beat Kansas 36-12 last weekend in Columbia, Mo. The Tiger attack features freshman phenom **QB Brad Smith**, who ranks seventh nationally in total offense at 295.6 yards per game. The Mizzou signal-caller has gained 779 yards on 123 rushes (6.3 ypc.) this season. Smith threw for 135 yards and two touchdowns vs. Kansas and ran for 117 yards on 15 rushing attempts. **WR Justin Gage** had four receptions for 77 yards to lead the team against the Jayhawks. Gage also leads the squad in receiving with 758 yards on 58 catches.

LB James Kinney led the Tigers defensively against Kansas with seven tackles, followed by **CB R.J. Jones**, **FS Brandon Barnes** and **DE Antwaun Bynum**, each with six tackles. Kinney also leads the team in total tackles for the season with 96. **PR Marcus James** tallied 51 yards on four returns with a 48 yard long. **P Brock Harvey** averaged 38.7 yards on seven punts for 271 yards against the Jayhawks. **PK Mike Matheny** missed his one field goal attempt vs. Kansas and is 7-of-10 on the season.

RICHARD O. JACOBSON ATHLETIC BUILDING

IOWA STATE FOOTBALL

Underscoring Iowa State's commitment to a winning football program is the \$10.6 million Jacobson Athletic Facility, which opened to rave reviews in 1996. The Jacobson Athletic Building provides the ISU football program with a state-of-the-art office and training complex. The facility is located on the north end of Jack Trice Stadium.

The facility includes:

- a football office complex
- expanded strength and conditioning work areas
- a comprehensive sports medicine center
- a 140-seat auditorium for team meetings
- football lockerrooms
- a video production office
- a football equipment unit

The Jacobson Building also houses almost all of Iowa State's athletic department staff, including offices for Olympic sport coaches, camps, development, marketing, media relations, ticket operations and ISU's athletics hall of fame. The construction included a substantial face lift to the Olsen Building, renovating its space to create the strength and conditioning facility and the R. Earl Feldman Athletic Health Care Center.

Iowa State's defense, Tom Perticone (33), Jerry Washington (17), Mark Settle (57), Greg Rensink (71), Mike Stensrud (63), Craig Volkens (52) and Tom Boskey (96) after holding North Carolina State late in ISU's Peach Bowl defeat.

Fresh off an impressive showing in 1976, the Iowa State football team had a lot to look forward to and much to prove heading into the 1977 campaign. Fifth-year head coach Earle Bruce and the Cyclones were still stinging after being spurned by bowl scouts the previous fall.

Bruce's Cyclones were blessed with the return of a fine core of starters on both sides of the ball. The defense, which anchored this team, was led by defensive linemen Mike Stensrud and Tom Randall. The pair was the first Cyclone defensive line duo to earn first-team all-Big Eight honors in the same season. The secondary featured first-team all-Big Eight cornerback Kevin Hart. Junior captain Tom Boskey earned second-team all-Big Eight honors for his fierce play at linebacker.

The offensive leader would again be diminutive tailback Dexter Green. "Money" rushed for 1,240 yards and scored 15 TDs in 1977. The junior would earn first-team all-Big Eight honors and become the Cyclones' all-time leading rusher.

The season finale vs. Oklahoma State in Ames was pivotal for ISU. A loss would take the Cyclones out of contention for a bowl bid, while a win would keep its bowl hopes alive. Scouts from the Peach and Hall of Fame Bowls watched ISU down the Cowboys, 21-13, to end the regular season at 8-3 overall and 5-2 in the Big Eight. Green was stellar, scoring all three touchdowns, two by run and one by air, while gaining a game-high 176 yards on 30 carries.

The next day, only the Peach Bowl had a vacancy and ISU was still waiting for an invitation. Peach Bowl officials finally made their decision, selecting Iowa State to battle North Carolina State.

No one was happier about the selection than Bruce. "Our kids deserve this," Bruce said. "They worked very hard for it, and I'm sure glad they got it. This was one of our goals when the season started -- to go to a bowl game and make up for last year."

Heading into the New Year's Eve showdown, the Cyclones found themselves a slight favorite over North Carolina State. Over 12,000 ISU fans traveled to Fulton County Stadium in Atlanta, Ga., to watch a game that was billed the Dexter Green-Ted Brown showdown. Brown was N.C. State's top runner who would later star in the NFL with the Minnesota Vikings.

Brown did his damage in the game, rushing for 114 yards, but the star of the game was Wolfpack quarterback Johnny Evans, who gained 264 yards of total offense to help NCSU to a 24-14 win. N.C. State opened the scoring with a 77-yard bomb from Evans to Randy Hall in the first quarter to give the Wolfpack a 7-0 lead. N.C. State closed out the half with two more scores and a 21-0 advantage at intermission. With ISU's offense stalling, Bruce inserted Quinn at quarterback. Both teams were scoreless in the third stanza before ISU finally scored early in the fourth on a fourth-down, 1-yard TD run from Quinn to make it a 21-7 game. N.C. State followed with a 42-yard field goal from Jay Sherrill, but ISU quickly answered with a 68-yard, 13-play drive culminated by a 10-yard touchdown pass from Quinn to Greg Meckstroth to cut the gap to 24-14. After a Wolfpack punt, ISU's comeback hopes were all but dashed when Quinn was intercepted. Green posted a valiant effort in the loss, gaining 172 yards.

ISU compiled its second straight 8-3 regular-season record and earned its third bowl bid in school history. The Cyclones tied for second in the conference with their most wins in Big Eight history, going 5-2 in the nation's best gridiron alliance. All of these achievements helped Bruce earn his second straight Big Eight Coach of the Year award. Not bad for a team that was predicted to finish sixth in the Big Eight's preseason poll.

In 2002, six Cyclone teams qualified for NCAA post-season competition, including the football team, which was invited to participate in its second-straight bowl game, the Independence Bowl. The wrestling team, led by Cael Sanderson, the first undefeated four-time national champion in collegiate history, crowned three national champions and five All-Americans en route to a second-place NCAA Tournament finish. The women's basketball team played host to the 2002 NCAA Midwest Regional. The gymnastics team and the women's track program were both nationally ranked as top 20 programs.

Individually, Iowa State student-athletes qualified for NCAA competition in cross country, indoor and outdoor track, gymnastics, swimming and wrestling.

Recognizing that program continuity and leadership have been major contributors to Iowa State's competitive success, athletics director Bruce Van De Velde has signed football coach Dan McCarney, men's basketball coach Larry Eustachy, women's basketball coach Bill Fennelly, wrestling coach Bobby Douglas and gymnastics coach K.J. Kindler to new contracts, ensuring the stability of the most successful lineup of coaches in school history.

ASSISTANT COACHES

In just two seasons in Ames, Steve Brickey has coached two different quarterbacks to a pair of the finest seasons ever enjoyed by any Iowa State signal caller in Seneca Wallace and Sage Rosenfels. He will assume duties as the Cyclones' offensive coordinator this season while continuing to tutor ISU's quarterbacks. Wallace compiled 2,519 yards of total offense in 2001, en route to Big 12 Offensive Newcomer of the Year honors. The total ranks No. 3 behind Rosenfels on the all-time ISU single-season list.

Brickey was an assistant coach at Texas from 1987-91 after tutoring quarterbacks at Texas Tech in 1986.

He moved on to serve as quarterbacks coach at Texas Christian from 1993-97. Brickey has coached in four bowl games and helped the Indiana State football team to its only NCAA I-AA playoff berths (1983, 1984). Brickey was a member of the Sycamore staff from 1978-85.

Brickey played both quarterback and defensive back and received his degree in 1976 from Missouri, where he began his coaching career as a graduate assistant with the Tigers from 1976-77. He and his wife, Patti, have three sons: Chris (28), John (17) and Mike (15).

John Skladany has engineered major defensive reversals of fortune at Iowa State. His aggressive style of defense forced 23 turnovers in 2000 and 26 turnovers in 2001. ISU, which ranked 108th nationally in turnover margin in 1999, improved to 34th nationally in 2000 and then to eighth last season. Iowa State's 18 interceptions in 2001 were most by an ISU defense since 1976.

2001 Cyclone defenders posted ISU's best total defense numbers since 1992, dropping its yards allowed per contest by 60 yards in one season. Iowa State recorded a pair of shutouts

in a single campaign for the first time since 1978.

Skladany, a Haverhill, Mass., native, played a key role in turning Colorado State into a WAC defensive leader. He has coached several student-athletes who went on to the NFL.

Skladany had NFL free agent tryouts as a defensive lineman with the New England Patriots (1972) and the Washington Redskins (1973). He played for the WFL's Birmingham Americans and spent the 1975 exhibition season with the CFL's Ottawa Roughriders. Skladany and his wife, Sharon, have two daughters, Laura (19) and Stephanie (15).

ASSISTANT COACHES

DeMontie Cross, the all-time leading tackler in Missouri history, made an immediate impact on Iowa State's improved defense last fall, after joining the Cyclone coaching staff in March 2001. He had started his coaching career at his alma mater and at Sam Houston State.

Cross' Sam Houston State pass defense ranked second among 122 NCAA Division I-AA teams in 2000, allowing just 121 passing yards per game. At Missouri, Cross' outside linebackers were part of a Tiger defense that consistently ranked among the NCAA's top 25 in total defense. Missouri's 1998 squad earned the Insight.com bowl championship.

As a player at MU, Cross was team captain in 1996 and was named the team's defensive player of the year that season. He received second-team all-conference honors from the Big Eight in 1995 and the Big 12 in 1996.

A 1997 Missouri graduate with a bachelor's degree in business management, Cross lives in Ames with his wife, Erika.

Wide Receivers

Mike Grant, formerly a key factor in Iowa State's dramatic defensive improvement, made a profound impact as Cyclone running backs coach last fall and turns his efforts to the ISU wide receivers this season. With Grant overseeing the Cyclone backfield, first-team all-Big 12 tailback Ennis Haywood became the seventh Iowa Stater to post at least two 1,000-yard rushing seasons, finishing the 2001 campaign with 1,169 yards on the ground. Iowa State's tailbacks went the entire season without losing a fumble.

Grant came to ISU from James Madison University, where he coached the Dukes' tight ends and wide receivers.

The native of Tampa, Fla., was an academic all-Big Eight signal-caller at Nebraska. Grant earned a pair of bachelor's degrees from Nebraska0. Grant was a graduate assistant coach from 1994-96.

Grant and his wife, Nina, were married in December 1998. She is the director of minority programs in ISU's College of Agriculture.

Mike Nelson
Defensive Line

Mike Nelson's impact on the Iowa State defense was immediate and has remained constant. In 1997, his first season at ISU, Nelson's defensive line figured prominently by racking up 21 sacks, the highest Cyclone single-season total in 10 years. In 1998, ISU sacked opposing quarterbacks a school-record 32 times. Defensive tackle James Reed earned all-Big 12 honors and defensive end Reggie Hayward earned all-league recognition in 1999 and 2000.

Nelson has coached at Wisconsin and Stanford, and tutored the defensive lines at Missouri and Kansas State. Nelson

started his coaching career at Southern Illinois before spending one season in the Ohio high school ranks. ISU Bands

Since its beginning in 1881, the Cyclone Marching Band has enhanced the atmosphere of Iowa State by providing spirit, excitement and entertainment at games and events. The 300-member band performs for more than 650,000 people each year and is considered one of Iowa State's most visible ambassadors.

The members of the Cyclone Marching Band represent nearly every undergraduate degree program offered at Iowa State. Band members rehearse every weekday throughout the fall semester and receive one semester hour of credit for their participation. Recent performances have included the Eddie Robinson Classic in Kansas City, the Independence Bowl in Shreveport, Louisiana, and the Insight.com Bowl in Tempe, Arizona.

In addition to performing at all home Cyclone Football games, the band performs at pep rallies, selected away games, and at the annual ISU "Band Extravaganza." This year's Band Extravaganza will take place on Sunday, November 10 in Stephens Auditorium at 1:30 p.m., and will also feature the Wind Ensemble, Symphonic Band, and Jazz Ensemble from the ISU Department of Music. Tickets are available through the Iowa State Center Box Office and at all Ticketmaster outlets.

Senior Lindsey Wilson

Gregory L. Geoffroy has been a faculty member and top administrator at three of the nation's leading land-grant universities. He became president of Iowa State University on July 1, 2001, and he also holds the rank of professor of chemistry.

Dr. Geoffroy began his academic career as an assistant professor of chemistry at the Pennsylvania State University in 1974, advancing to associate professor in 1978 and professor in 1982. He was appointed head of the Department of Chemistry in 1988 and dean of the Eberly College of Science at Penn State in 1989.

In 1997, Dr. Geoffroy was appointed senior vice president for academic affairs and provost at the University of Maryland, College Park where he was responsible for the academic development of the campus. He administered the university's strategic planning and budgeting processes, and in July and August of 1998 he served as interim president of the university.

Iowa State University's aspiration is to become the best land-grant university in the nation, through excellence in learning, discovery and engagement. In leading Iowa State on this quest, Dr. Geoffroy has outlined three top priorities:

- raising the academic quality of the university, with more of its programs recognized as among the best in the nation;
- providing the best possible education to Iowa State's students, through outstanding academic programs and learning environment; and
- becoming a fully *engaged* university with the people of Iowa, through expanded distance education, economic development and community development initiatives.

To these ends, Dr. Geoffroy has made recruitment and retention of top faculty, staff and students a major focus, and he is personally leading a private fund-raising initiative called "Investing in People" with a goal of raising \$50 million in endowments for faculty positions, graduate assistantships and student scholarships.

Only the second of Iowa State's 14 presidents to come from a chemistry background, Dr. Geoffroy is a nationally acclaimed researcher in organometallic chemistry. He has published more than 200 research articles in referenced journals; presented more than 200 invited lectures in the United States and nine other nations; is co-author of the book *Organometallic Photochemistry* and has directed the work of 37 Ph.D. students and 15 post-doctoral scholars. He also has made special efforts to involve undergraduate students in research by providing opportunities for more than 50 undergraduate students to join his research group.

Dr. Geoffroy's teaching and research have earned him fellowships from the Alfred P. Sloan and John Simon Guggenheim Foundations, visiting professorships to major universities in Germany and France, the Dreyfus Foundation Teacher-Scholar Award, and, in 1991, election as a Fellow in the American Association for the Advancement of Science. He has served in various leadership capacities in the Association for Universities for Research in Astronomy and in the American Chemical Society's Division of Inorganic Chemistry. In 1997 he was named an Alumni Fellow of the University of Louisville.

Dr. Geoffroy earned his B.S. With Honors from the University of Louisville in 1968. He served as an officer in the U.S. Navy from 1969 to 1970 and then earned his Ph.D. in chemistry in 1974 from the California Institute of Technology. He and his wife, Kathleen Carothers Geoffroy, have four children.

"Because Iowa State is my alma mater, coming back to ISU is truly a special opportunity for our family. Great things have happened at Iowa State because people make a difference here. Dan McCarney has made that difference in Cyclone football. We have the greatest fans in the country. I am going to work unceasingly to build upon the success Coach McCarney and the rest of our coaching staff have had in Ames."

-Bruce Van De Velde, Athletics Director

Bruce Van De Velde's impressive administrative resumé in intercollegiate athletics attracted the attention of the Iowa State University search committee charged with hiring a leader who would guide ISU's athletic program into the 21st century. His documented success at each career stop since graduating from Iowa State in 1981 earned him an interview. But it was his vision for the future of athletics at Iowa State and personable style that made him the perfect leader for an ISU program that continues to prosper under Van De Velde's leadership.

Iowa State's former interim president Richard Seagrave affirmed Van De Velde's place among the nation's most respected intercollegiate athletics administrators at a press conference introducing him as ISU's new athletics leader Nov. 1, 2000. Van De Velde's efforts since that day have been recognized.

Van De Velde's tenure at Iowa State already includes successive bowl appearances. The ISU men's and women's basketball teams made NCAA Tournament appearances in his first year in Ames and were crowned Big 12 champions in 2001.

The Sporting News in 2001 rated Iowa State as the seventh-best athletic program among more than 115 NCAA Division I-A programs nationally. The ranking considered competitive success, graduation rates, fan support and NCAA compliance to determine national rank. Iowa State joined Wisconsin, Florida and Notre Dame as the only schools nationally to have its football and men's and women's basketball teams ranked in their respective final 2000-2001 polls by The Associated Press.

Iowa State's graduation rate of 90 percent for student-athletes that complete their eligibility, ranks second in the Big 12 Conference. In 2002, a total of 177 student-athletes earned a 3.0 grade-point average or higher in at least the term prior to competition. Underscoring their academic excellence, 22 Iowa State student-athletes earned academic All-America honors during the 2001-02 school year.

Van De Velde's vision has led to the development of an athletic facility master plan. Recent projects include a partnership with Musco Lighting of Oskaloosa to install permanent lights in Jack Trice Stadium and the Cyclone Soccer Complex. A state-of-the-art video board, new scoreboard and expanded parking lots were introduced with the 2002 season. Current projects include construction of a \$9 million indoor practice facility that will break ground in the Fall of 2002. Other successful areas of emphasis include a COED TEAM program (Cyclones on Educated Decisions, Together Everyone Achieves More), as well as diversity and reading programs.

Annual giving by the 4,760 members of the National Cyclone Club reached \$3.3 million in 2002. Including major gifts and scholarship endowments, \$14 million has been raised for ISU student-athletes during Van De Velde's short tenure. Fundraising has been completed for the \$9 million indoor training facility. Van De Velde has also negotiated a \$9.4 million, five-year multimedia marketing rights contract with ESPN/Clear Channel Sports.

Van De Velde has served on the NCAA Division I-A Athletics Directors Strategic Planning Committee, the NCAA Committee for Financial Aid and peer review team for NCAA certification. He currently serves on the Big 12 Conference Television, Administrative and Finance Committees.

Van De Velde's last stop before returning home to Ames was at Oklahoma, where he served as senior associate director during the Sooners' 2000 national football championship run. Van De Velde directed the Campaign for Sooner Sports, a \$100 million capital campaign to fund facility improvements and scholarship endowments.

Van De Velde, a Sterling, Ill., native and his wife, Debbie, have a daughter, Ashley, born May 12, 2000. Debbie is a graduate of Kansas State University. An Iowa State graduate, Van De Velde earned a master's degree from the University of Iowa and has completed course work toward a doctorate in education from Kansas State.

"Iowa State University's athletic department is making great strides under Bruce's leadership. We're very proud of the accomplishments of our Cyclone student-athletes, coaches and staff. Bruce and his staff work very hard to create an environment that supports and encourages high achievement in athletics and academic work."

-Gregory L. Geoffroy, ISU President

HEAD COACH DAN MCCARNEY

**"We will bring back respect; we're going to bring back winning; we're going to bring back fun; we are going to turn (Jack Trice) Stadium into one of the most exciting places to play in college football."
- Dan McCarney, Nov. 23, 1994**

When 2001 Big 12 Coach of the Year Dan McCarney laid out his vision for the future of Iowa State football at a press conference to announce his arrival in Ames seven years ago, he stressed that the program's transformation would not occur overnight. McCarney possessed enthusiasm, unwavering optimism and a seemingly endless source of energy. His background in college football programs that had gone from perennial losers to consistent winners made him a perfect choice for the Cyclone helm. There were more than a few skeptics. Iowa State was coming off a winless season, hadn't had a winning campaign since 1989 and the Cyclones' last bowl trip was in 1978.

Seven years later, Iowa State will begin the 2002 season having played in consecutive post-season bowl games. McCarney's program is more than a one-hit wonder. ISU enters the 2002 campaign having won 16 of its last 24 games, one of 27 teams nationally to reach the 16-victory plateau during the 2000-2001 campaigns.

Powered by a singular sense of purpose, McCarney steadily molded Iowa State's football program, bringing in a top-notch coaching staff and the best recruiting classes in recent memory. Backed by a university administration committed to providing state-of-the-art facilities, McCarney relentlessly exorcised the demons that had plagued Cyclone football. After his first teams laid a foundation for success, the 2000 Iowa State unit, led by 25 seniors who had bought into McCarney's vision, remained undeterred by the skeptics. Following McCarney's blueprint, head coach and players went where no Cyclone team had gone, winning nine games, including a 37-29 victory over Pittsburgh in the Insight.com Bowl. Under McCarney, the 2000 AP Big 12 Conference Coach of the Year runner-up, that success continued last season, despite the loss of 15 starters. At 7-5 Iowa State earned an Independence Bowl berth, marking the school's first back-to-back bowl appearances since the 1977-78 seasons. The list of historical superlatives is long:

- Iowa State's 16 wins in its last 24 games is ISU's best record over that span since Iowa State was 16-8 from Sept. 24, 1977 to Sept. 22, 1979.
- McCarney's 2000 Cyclones were the first Iowa State team in 94 years to win nine games. The win over Pittsburgh in the Insight.com Bowl was ISU's first-ever bowl victory and the Cyclones' first bowl appearance since 1978.
- Iowa State's 17-14 win over Iowa on Nov. 24 was the Cyclones' fourth-straight victory against the Hawkeyes, a series first. The Cyclones' 1998, 27-9 win at Iowa snapped a 31-game winless streak on the road and was Iowa State's first win over its in-state rival in 15 years.
- Iowa State averaged 45,172 fans per game at six home games in 2001, the best overall mark in 17 years.

Anyone who has watched McCarney's rise in the coaching ranks would not be surprised by the effort of his national-caliber coaching staff. A native of Iowa City, McCarney was instrumental in rebuilding efforts that produced Big Ten titles and Rose Bowl berths at both Iowa and Wisconsin, two schools that regularly finished near the bottom of the league before his arrival.

McCarney, 49, coached at Iowa for 13 seasons (1977-89), including 11 years under Hayden Fry, before becoming the defensive coordinator at Wisconsin under Barry Alvarez in 1990.

McCarney's defense was the foundation of the Wisconsin rebuilding effort. In the four seasons prior to his arrival in Wisconsin the Badgers had a 9-36 record, and attendance was at its lowest mark since World War II.

In 1993, Wisconsin went 10-1-1, claimed its first Big Ten title in 31 years and scored a 21-16 win over UCLA in the Rose Bowl. Attendance at Wisconsin's Camp Randall Stadium climbed more than 30,000 a game, and sellouts of more than 77,000 were the norm.

During Wisconsin's Rose Bowl season, the Badgers ranked 19th nationally against the rush, allowing just 130.3 yards per game, the sixth-best mark in school history. The team allowed an average of 16.3 points per game, its best effort in 30 years. The Badger defense also intercepted a NCAA-best 23 passes and created 34 turnovers, including six against UCLA in the Rose Bowl.

A 1975 graduate of Iowa, McCarney coached the Hawkeyes in eight consecutive bowl games, including the 1982 and 1986 Rose Bowls. The three-year letterman on the offensive line for Iowa (1972-74) was captain of the 1974 Hawkeye squad. A member of the American Football Coaches Association for 25 years, McCarney is a past member of the AFCA's rules committee.

CYCLONES IN THE PROS

Mike Banks **Tight End** **Arizona Cardinals**

A seventh-round choice of the Arizona Cardinals, Mike Banks started at tight end on Iowa State's Insight.com and Independence Bowl teams. The three-year starter finished his career with 59 receptions for 584 yards. A ferocious blocker, the Ogden native was a team captain as a senior and twice earned honorable mention all-Big 12 honors.

Reggie Hayward **Defensive End** **Denver Broncos**

A third-round pick of the Denver Broncos in the 2001 NFL Draft, Hayward had three sacks in his first professional season. Hayward led Iowa State with 90 tackles, 10 tackles for loss and seven sacks as a senior and was the defensive MVP of the 2000 Insight.com Bowl.

Ennis Haywood **Running Back** **Dallas Cowboys**

A Doak Walker Award semifinalist as a senior, Haywood was a two-time first-team all-Big 12 running back who finished his career with 2,862 rushing yards and 27 TDs. He ranks fourth in school history with 3,468 all-purpose yards. The 2001 team co-captain, a member of Iowa State's Insight.com and Independence Bowl teams, signed a free-agent contract with the Dallas Cowboys.

J.J. Moses **Receiver/Kick Returner** **Kansas City Chiefs**

Moses, a Waterloo native, led NFL Europe in 2002, averaging 11.2 yards on 25 punt returns for the Scottish Claymores. A current member of the NFL's Kansas City Chiefs, he was third in NFL Europe in kickoff returns, averaging 24.6 yards per return. A huge factor in Iowa State's Insight.com Bowl season, Moses finished his ISU career ranked 10th on the all-time ISU career charts with 82 receptions and 10th in all-purpose yards (2,992).

James Reed **Defensive Lineman** **New York Jets**

Reed, who made 333 career tackles at Iowa State, was a seventh-round draft pick in 2001 of the NFL's New York Jets. He made a pair of sacks as a NFL rookie, making two starts and seeing action in 16 games.

Marcus Robertson **All-Pro Safety** **Seattle Seahawks**

All-Pro free safety Marcus Robertson is in his 12th NFL season, his second with the Seattle Seahawks. A two-time first-team all-Big Eight standout from Altadena, Calif., he was the first Houston Oiler safety to earn first-team all-Pro honors in 14 years. He was a member of the 1999 Tennessee Titans' AFC championship team. Earning a starting spot in his second pro season, Robertson has played in 147 games in his first 11 NFL campaigns, with 24 career interceptions. He finished his ISU career in 1990 with 257 total tackles.

Oliver Ross **Offensive Lineman** **Pittsburgh Steelers**

The Dallas Cowboys drafted lineman Oliver Ross in 1998. Last season, Ross played in all 16 games for the NFL's Pittsburgh Steelers. Ross, a native of Los Angeles, Calif., who played in the defensive line in junior college, didn't start in ISU's offensive line until his senior season. His play that fall impressed pro scouts and he was drafted by the Cowboys in the fifth round.

Sage Rosenfels **Quarterback** **Miami Dolphins**

Rosenfels played two seasons for the Washington Redskins after being a fourth-round NFL draft pick in 2001. The Maquoketa, Iowa, native led Iowa State to a 9-3 season in 2000, and was the offensive MVP of the Insight.com Bowl. He ranks third on the all-time Iowa State career list with 4,164 passing yards. Rosenfels now plays for the Miami Dolphins.

IOWA STATE FOOTBALL

FOOTBALL ENDOWMENT PROGRAM

"Investing Today to Insure Tomorrow"

The Iowa State Athletic Department's new initiative, "Investing Today to Insure Tomorrow," is a program designed to develop scholarship endowments for all 18 sports at ISU. Endowments to underwrite the costs of tuition, room, board, books, academic support and other student services for every sports program are a key source of funding for the athletic department. These expenses are not options and they continue to rise on an annual basis. Listed below are endowments established to benefit the Cyclone Football program.

Endowments can be named in honor or memory of an individual with an initial gift or pledge of \$25,000. Gifts of any amount are welcome for new or currently established endowments. For more information regarding endowments, deferred gifts, trusts or bequests, please contact the Athletic Development Office (515-294-5022) or Frank Nogel (515-294-6463).

IOWA STATE FOOTBALL

INDOOR PRACTICE FACILITY

Iowa State has announced plans and a budget for an indoor athletic training facility approved by the Board of Regents of the state of Iowa. The 92,000-square-foot building will be constructed over the existing artificial turf practice field west of Jack Trice Stadium. Construction will begin at the conclusion of the 2002 football season and will be completed a year later. Funding for this project was from private gifts by the athletic department and the ISU Foundation.
