LELAND L. MENDENHALL

The 1945 season marks the start of the twenty-fifth year of service at Iowa State Teachers College for Leland L. Mendenhall, athletic director. Since 1920 Mendenhall has guided the athletic and physical education activities of the college. He is a graduate of the State University of Iowa.

WELCOME

Iowa State Teachers College

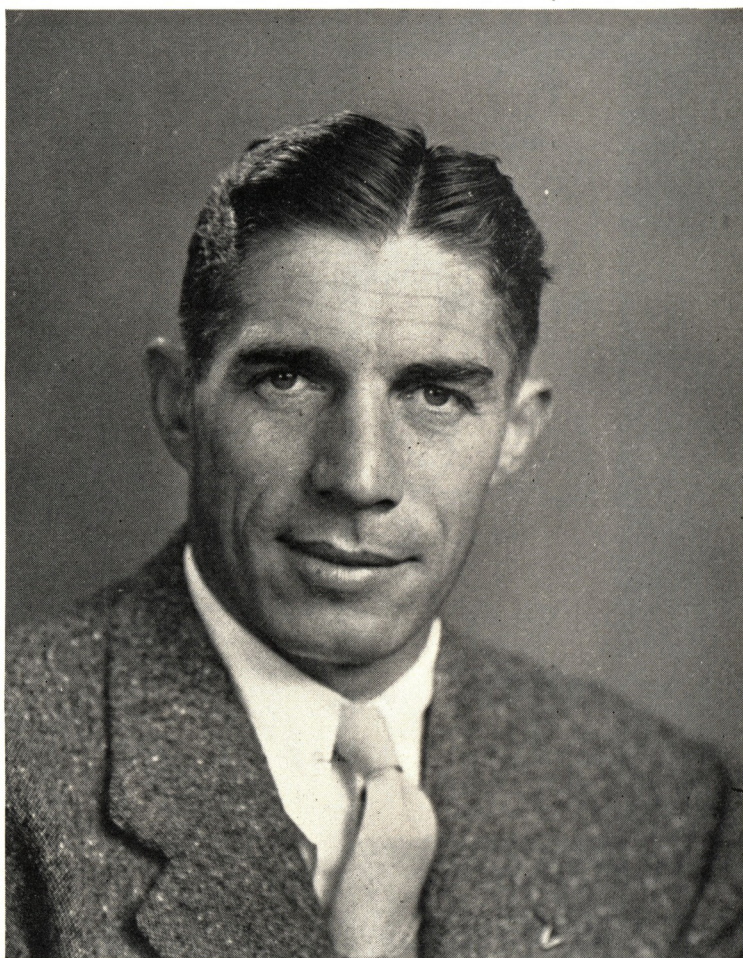

Iowa State College, its faculty and students take this opportunity of welcoming you to our school as another fall brings to the campus another football season—the first peacetime season since December 7, 1941.

It is fitting that Iowa State Teachers College and Iowa State College should mark this occasion on a field of friendly competition.

Back in 1899, Iowa State and the Panthers battled to a 0-0 tie. In 1900, the Panthers garnered 5 points to the Cyclone's 0. In 1901, it

was another 0-0 tie and in 1904, after a two-year lapse, the Cyclones triumphed in a 17 to 0 contest. A top-heavy 39 to 0 win came to Iowa State in the 1905 game. The two squads didn't meet again until 1916 when Iowa State downed the Panthers again 12 to 0. A third scoreless tie was registered in 1936. In the last meeting in 1937, Iowa State nosed the Panthers out by a 14 to 12 margin.

We of Iowa State extend our best wishes to you of Iowa State Teachers.

A. M. "MIKE" MICHALSKE
Football Coach

Coach A. M. "Mike" Michalske is starting his third year as head football coach at Iowa State College during which time the Cyclones have come up in the football world.

When Mike took over in the 1942 season, the Cyclones tied for last place in the Big Six Loop. In his first season as head coach in 1943 the Cardinal and Gold warriors tied for second place and last season, they took undisputed possession of second spot. "Mike" was graduated from Penn State in 1926 and was named all time professional football guard after 9 years of service with the Green Bay Packers.

Assisting Michalske with his duties again

this fall is Clayton "Chick" Sutherland who has charge of the backs. Sutherland, a graduate of Coe College, came to the Cyclone school in 1940. He has served as baseball coach, assistant basketball coach and as an instructor in the department of physical education for men.

Newcomer to the coaching staff is Chauncey "Chan" Welch. This is his first season with the Iowa State College staff. He is serving as line coach. Welch started his new duties at Iowa State on August 15. Prior to that he coached high school football in Iowa at Sioux City East, Red Oak and Storm Lake. He was recently coach at Mason City Junior College, Mason City, Iowa.

Iowa State Teachers

CLYDE L. STARBECK

Clyde L. Starbeck, head football coach, is starting his tenth year at the Iowa State Teachers College. He was graduated from South Dakota State College, Brookings, South Dakota, in 1926 after ranking as the all-North Central conference center for four years while playing with the Jackrabbits. He has had coaching experience at Pipestone, Minn.; at Eau Claire, Wis., where he had an unbeaten season and annexed the state championship crown, and eight years as assistant coach at the University of North Dakota.

ARTHUR DICKINSON

Arthur Dickinson is serving as backfield coach this season in the absence of Oliver M. Nordly. Dickinson is normally head track coach. He was graduated from Iowa State Teachers College in 1917 and served in France in World War I. He coached for one year at Adair, three at Washington and one year at Marshalltown. At the beginning of the basketball season in 1924, he returned to his alma mater to coach track and basketball. He is now beginning his twenty-second year at Teachers College.

IOWA STATE TEACHERS 38
CENTRAL COLLEGE 14

Iowa State's Cyclone gridders opened the 1945 season against the Big Ten's Northwestern University on the Dyche stadium field in Evanston, Ill., and lost by an 18 to 6 score on a sea of mud in a terrific downpour which lasted the entire run of the game.

After an auspicious start in which the Cyclones nabbed a Wildcat fumble deep in Wildcat territory, it looked as though the light Iowa Staters might get an early score. However, that wasn't to be.

Dick Connors got away for a long jaunt to the Iowa State five yard line shortly after and then the Wildcats scored. They scored again in the second period after recovering an Iowa State fumble. Following a scoreless third period, the Wildcats again came to the fore to push over their third and final score.

The Cyclones resorted to passing in the final period with Gene Phelps and John Pflum pegging the soggy pigskin against the wind in a blinding downpour. Suddenly as it started, the rain stopped and the Cyclones had better luck with their passes. John Tenges passed twice to Gallaher for 21 and then for 16 yards. Then Phelps passed to Howard for a 13 yard gain to the Northwestern two-yard line. From there, Phelps plunged for the score. Marks' try for point fell short.

Jim Ryan, Northwestern, fumbled the kickoff on the next play and the Cyclones recovered on Northwestern's 37 yard line. Two tries at the line netted little then Phelps passed to Farni for a 12 yard gain. Marks caught the next pass and it was first down on the Wildcat three-yard line. Howard fumbled the ball on the next play and the game was over.

However, one thing was outstanding and that was the fact the Cyclones will be an interesting team to watch with passes and scat-backs working off the T formation. The passing of Phelps, Pflum and Tenges will be something to watch and the work of Riding and Fathauer in the line will be interesting with the aid of the rest of the strong forward wall.

So, coming into the second game, the Cyclones still have to taste victory in the 1945 season before entering the Big Six loop in the race of the title.

State Teachers' Purple Panthers made their debut in the 1945 season after two gridless years by playing host to Central College, Pella, at Cedar Falls and drubbing their guests by a 38 to 14 edge.

The Panthers scored twice in the first period and once in the second frame for their 19 first half points. The Central lads took to the air and with two passes had their score and the extra point for a 19 to 7 balance at the end of the half.

Central made a scoring bid again at the beginning of the second half but their march was halted on the Teachers' twenty-nine yard line. The Teachers scored twice more in the third period and once in the final frame.

But, the Central eleven were not through for the day. They took to the air again and Marks tossed to Lowe for a 45 yard gain to the Panther five-yard line. Marks went over for the score from that point.

Powerhouse of the afternoon seemed to be George Dutcher who garnered there scores during the afternoon. One of his touchdowns came on a seventy-one yard run. The rest came through his bull-like plunges. Dutcher has been dubbed "Grandpa" because he has returned for his final year of competition after a seven-year absence from the Teachers College gridiron.

Berner, Cribbs and Brandt also scored in the game against Central College and will be men to watch in the contest against the Cyclones this afternoon. Cribbs running and ground gaining set up some of the scoring chances and it is probably a safe bet to say that his mates will try to shake him loose again this afternoon as the Panthers battle for their second win and the Cyclones seek their first of the new season.

Coach Starbeck took advantage of the opener against the Flying Dutchmen to pile up some experience for his reserves and was able to come through the contest with no casualties.

Looking at the statistics, the Teachers outgained their opponents on the ground by the lop-sided margin of 471 to 106 yards. In the air, the Dutchmen had the edge on pass gains with the Dutchmen getting 132 yards to 40 for the Teachers. However, the Central defense was not strong enough to halt the Teachers' advances during the afternoon.

IT'S THE **EXTRA** POINT THAT COUNTS

Failure to make that *extra* point accounted for the loss of over 20% of America's key football games last year!

Failure to chalk up extra points by buying Victory Bonds now to build the peace is stopping short of the goal. Victory Bonds tackle our post-war problems. They hold the line against rising prices, and guard the recovery of our wounded.

And Victory Bonds carry you over the goal to a secure and brighter future.

BUY that extra bond!

IOWA STATE RELIES ON SEAL-O-SAN

IOWA STATE and more than 5500 other schools now have Seal-O-San finished gymnasium floors. For Seal-O-San is the one floor finish that can take the punishment inflicted by all gym activities and come through unharmed.

Especially for basketball is a Seal-O-San floor ideal. Because Seal-O-San makes any wood floor 100% non-slippery. By preventing skids and falls, it assures faster floor play, speedier dribbling, and more confident shooting.

But there are many other advantages of Seal-O-San. It provides a beautiful floor, yet it costs much less than other types of finish, because it is applied without skilled labor. It seals the floor against dirt and moisture, thus eliminating costly scrubbing. And it is easy and economical to maintain.

Seal-O-San offers the correct solution to the gymnasium floor problem. Coaches and school officials are invited to write for complete information.
