The BOMB

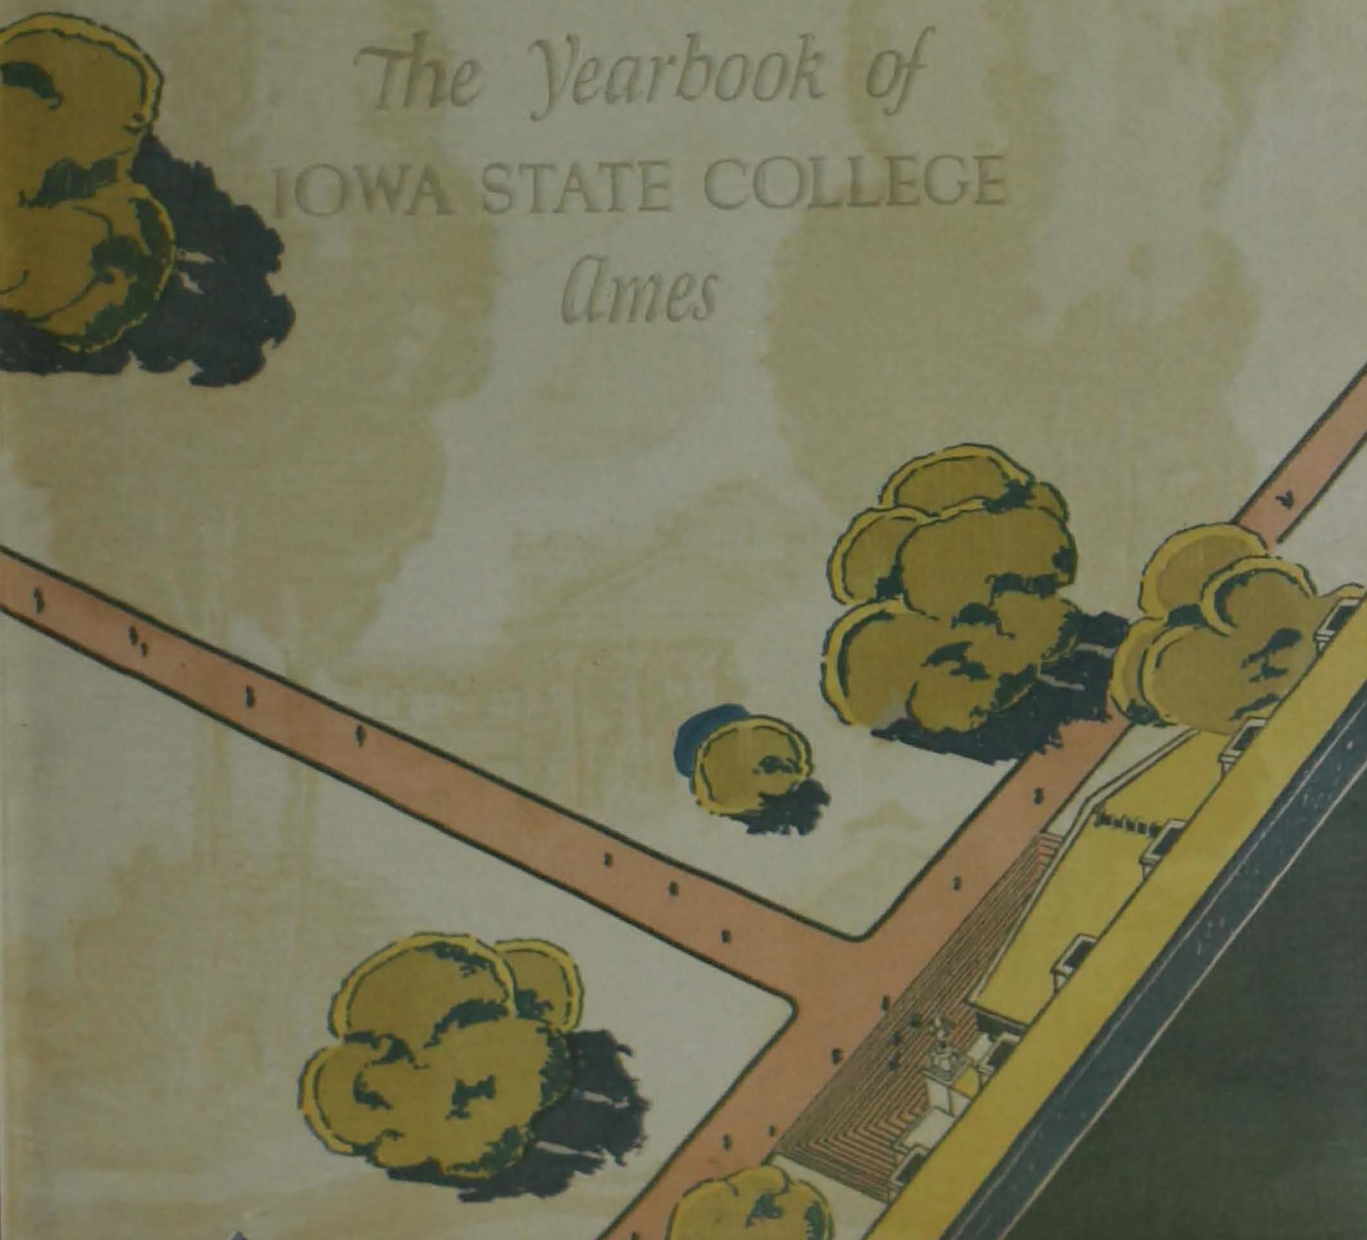
The Yearbook of
IOWA STATE COLLEGE
Ames



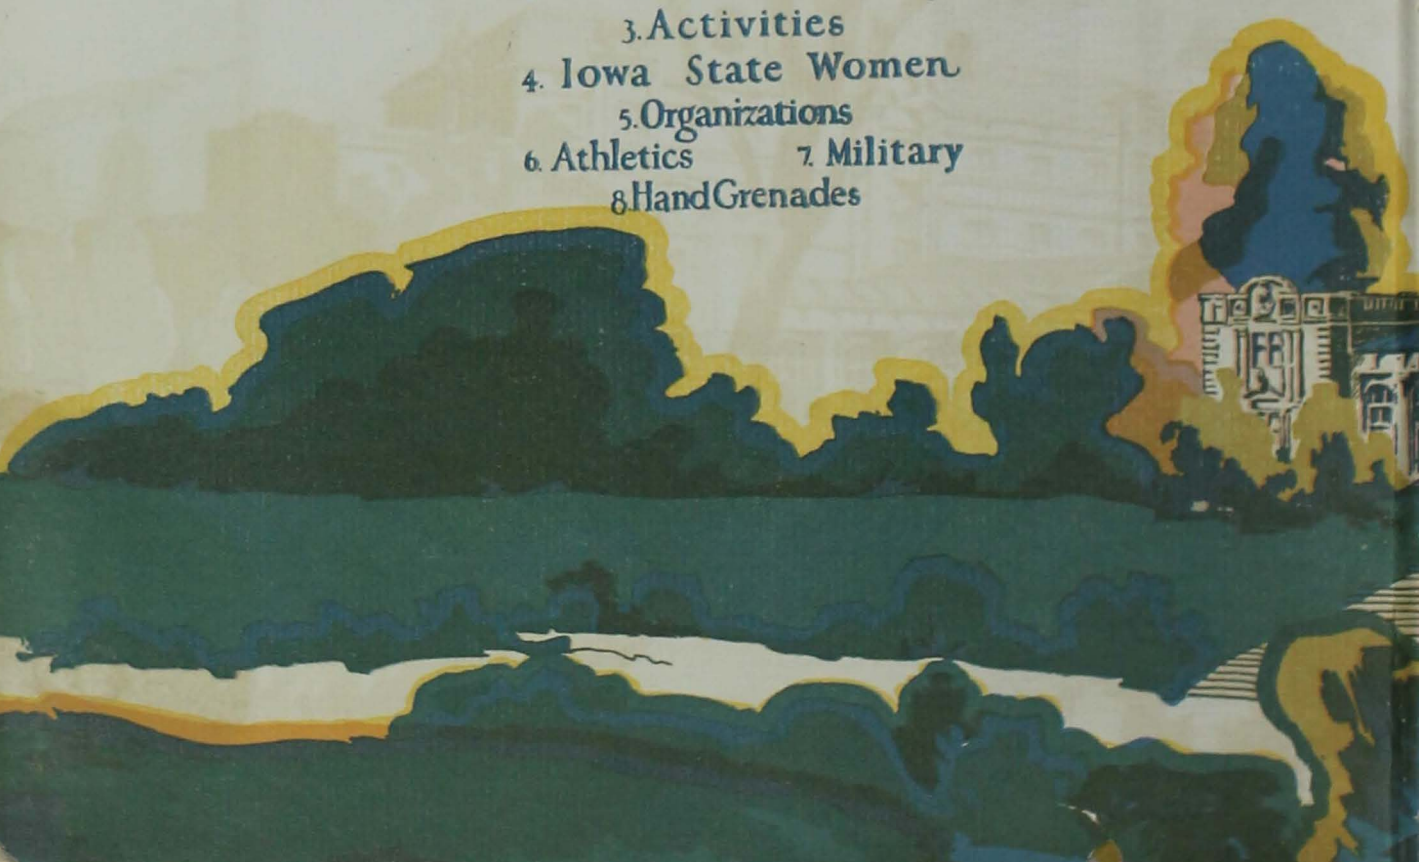
Maria M. Roberts

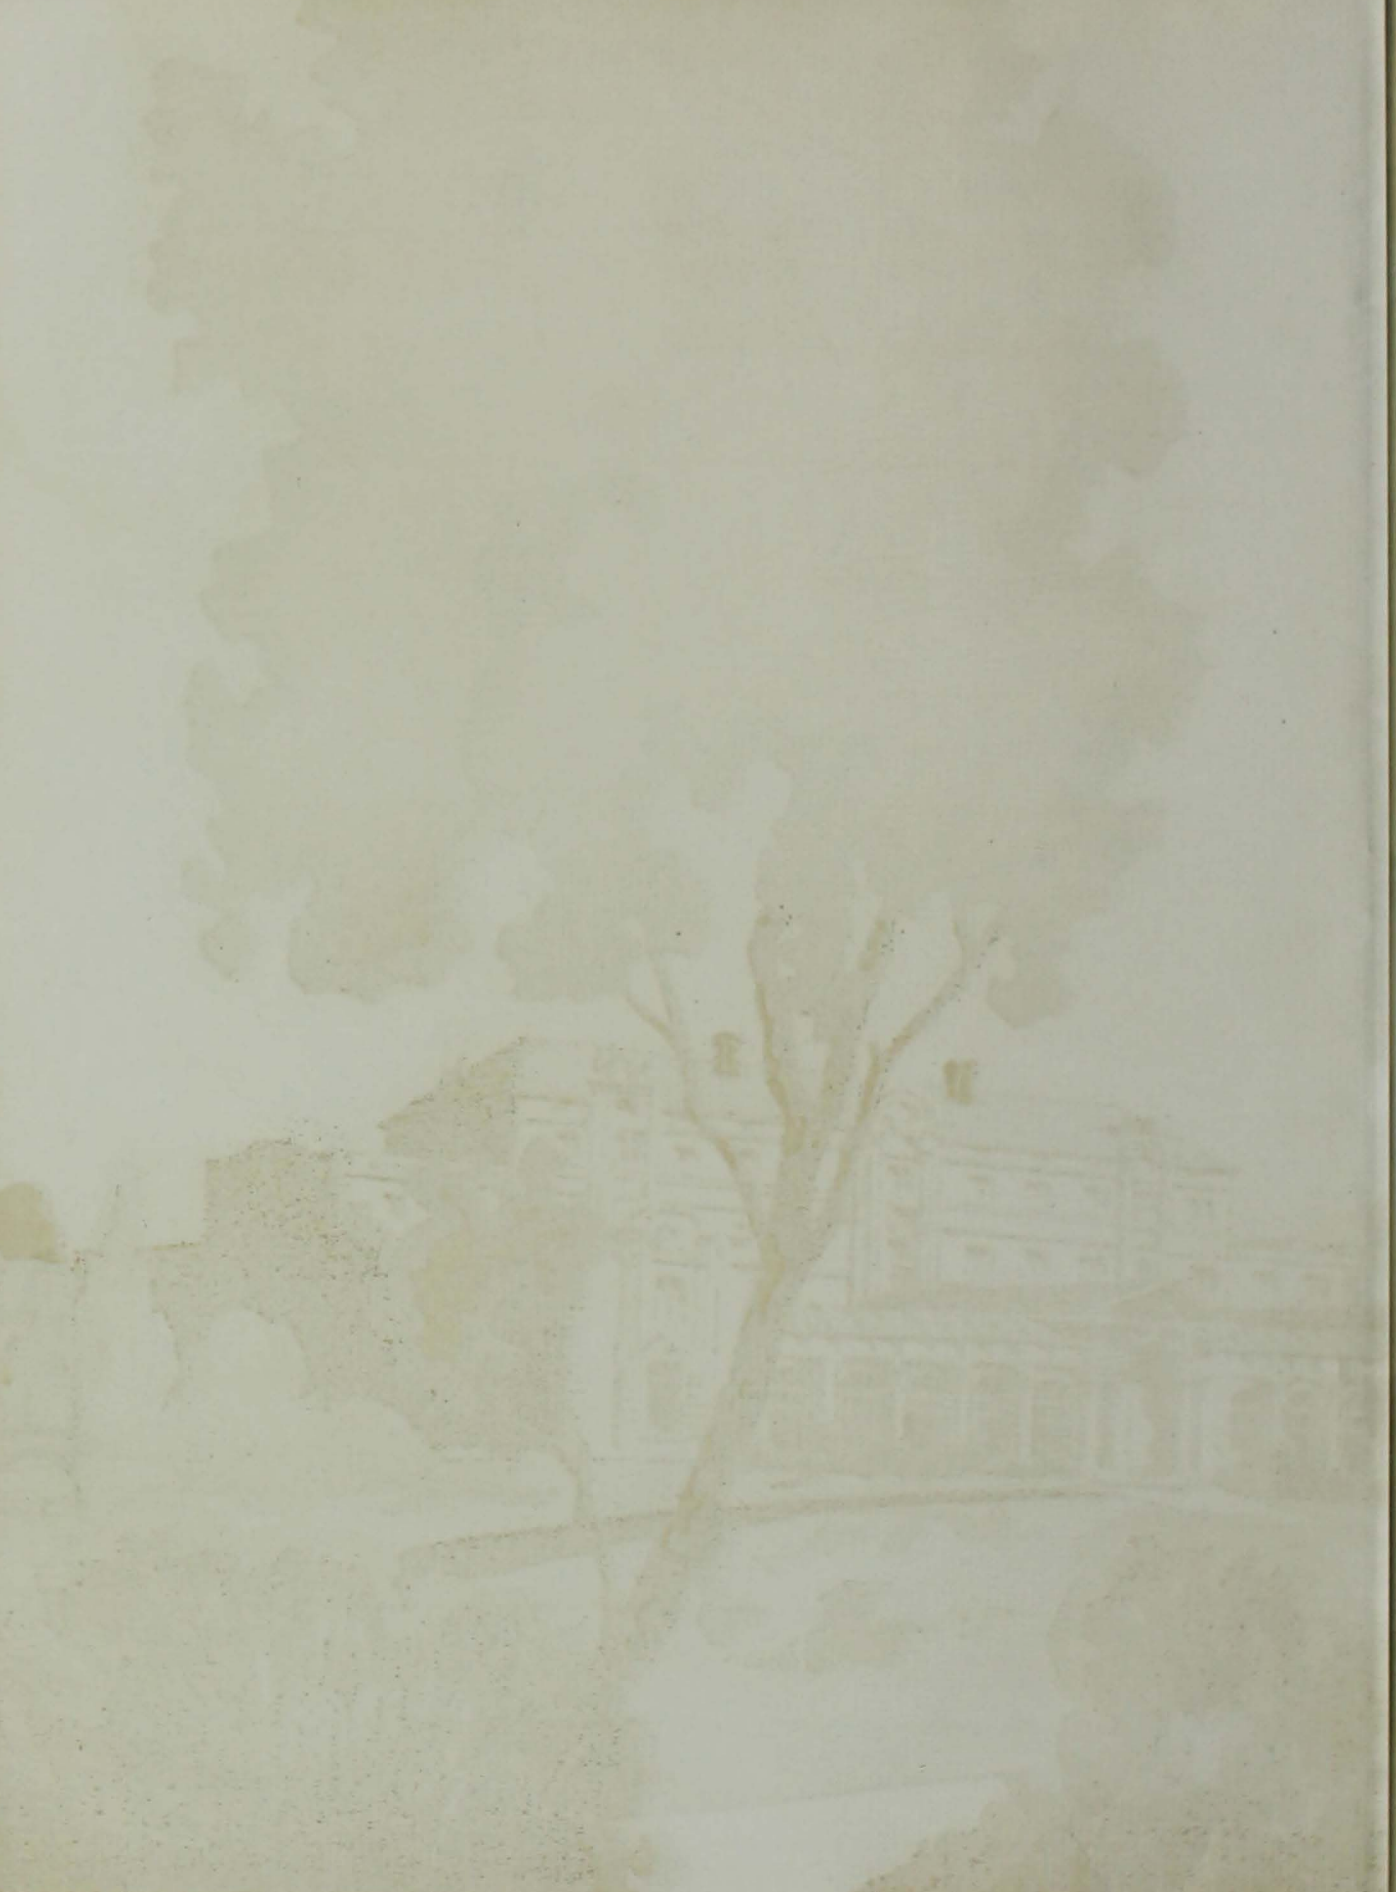
To her, who in public service never falters from personal fatigue; who, controlling the energies and fortunes of all underclassmen, adjusts their problems without partiality or prejudice; to MARIA M. ROBERTS *devoted alumnus, able teacher, strong executive and stalwart friend, we affectionately dedicate the* 1927 BOMB

FOREWORD

That it might provide a faultless mirror in which to reflect the varied events of the college year~indications of a great institution's advancement toward a greater goal~the BOMB *staff of Iowa State College has prepared this volume which is divided into the following books:*

1. The College
2. Cardinal and Gold Days
3. Activities
4. Iowa State Women
5. Organizations
6. Athletics
7. Military
8. Hand Grenades

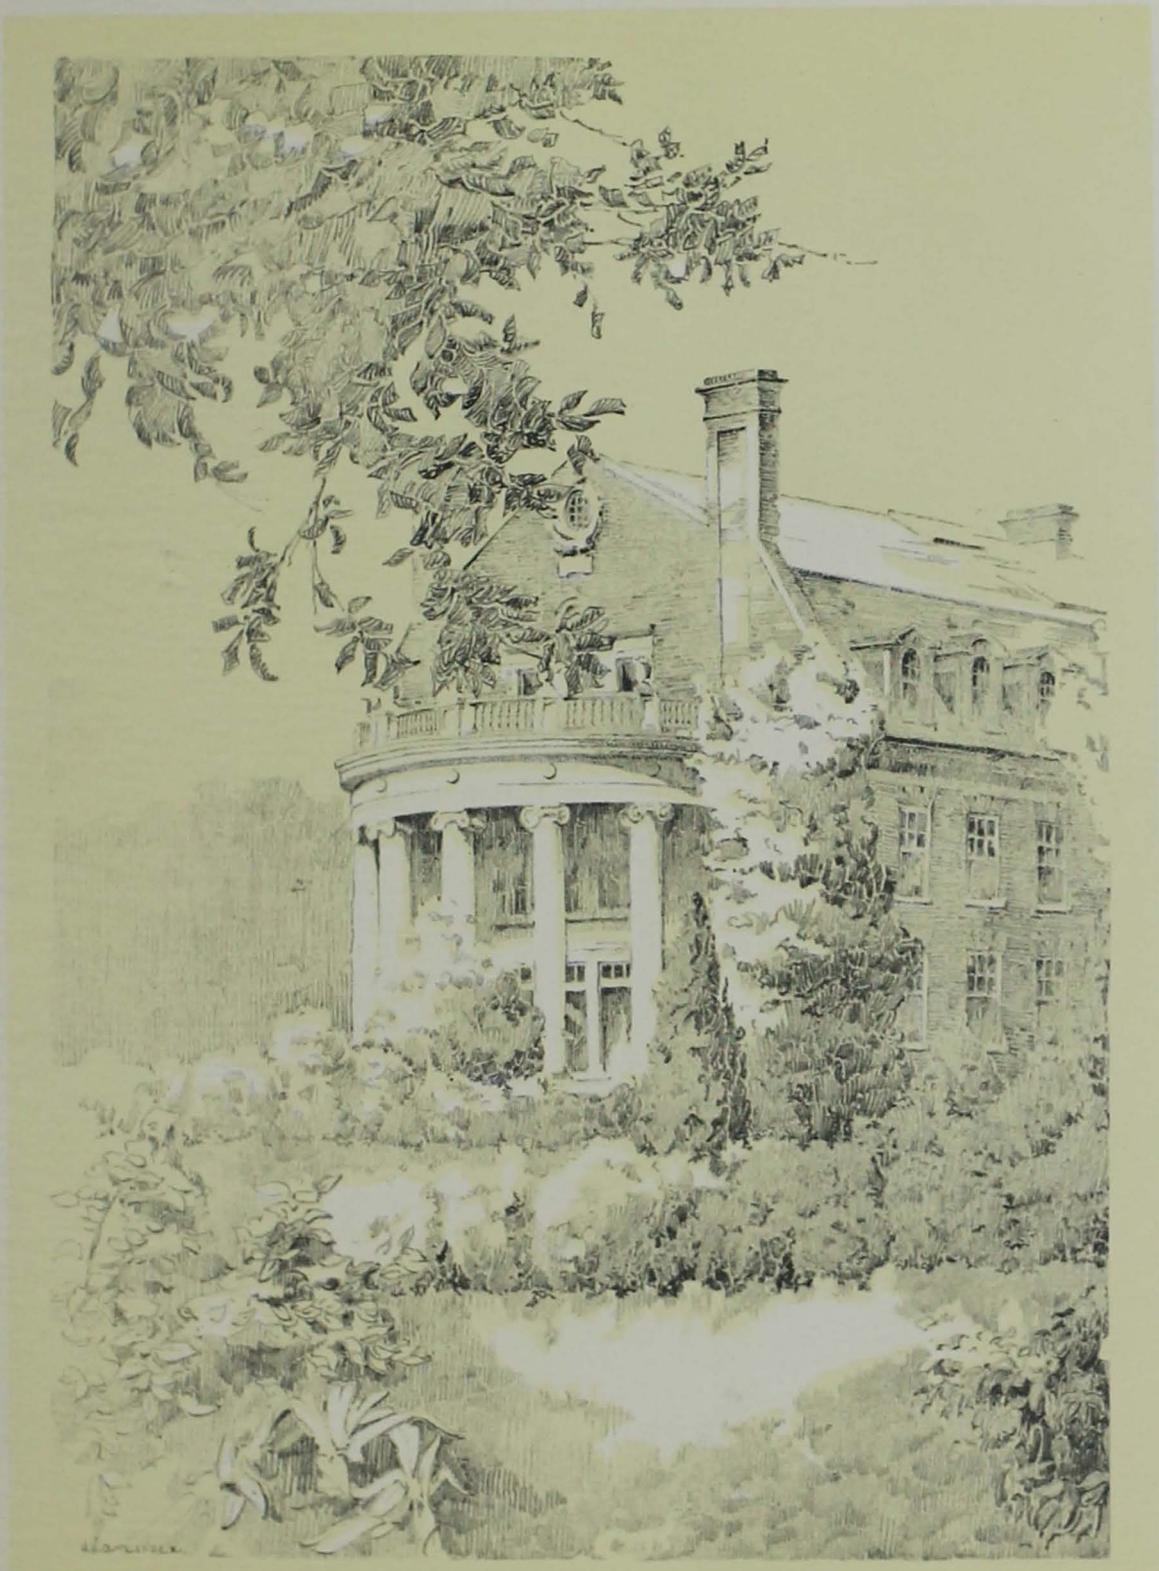




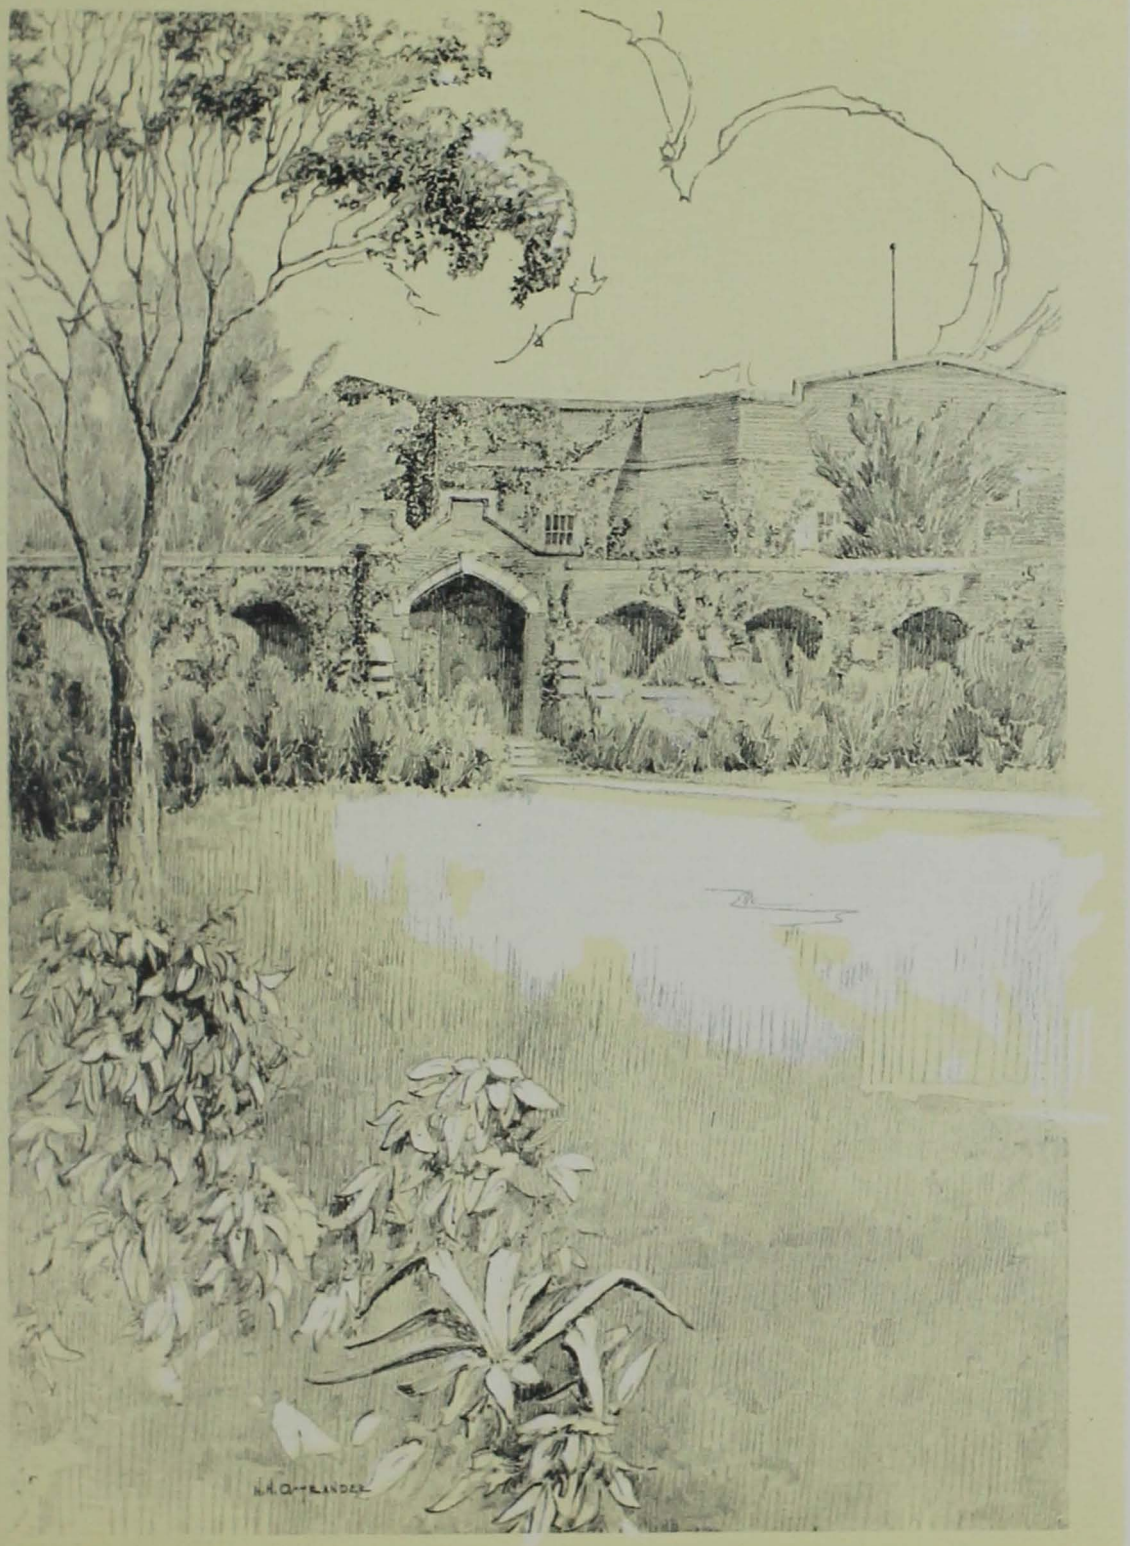
IOWA STATE

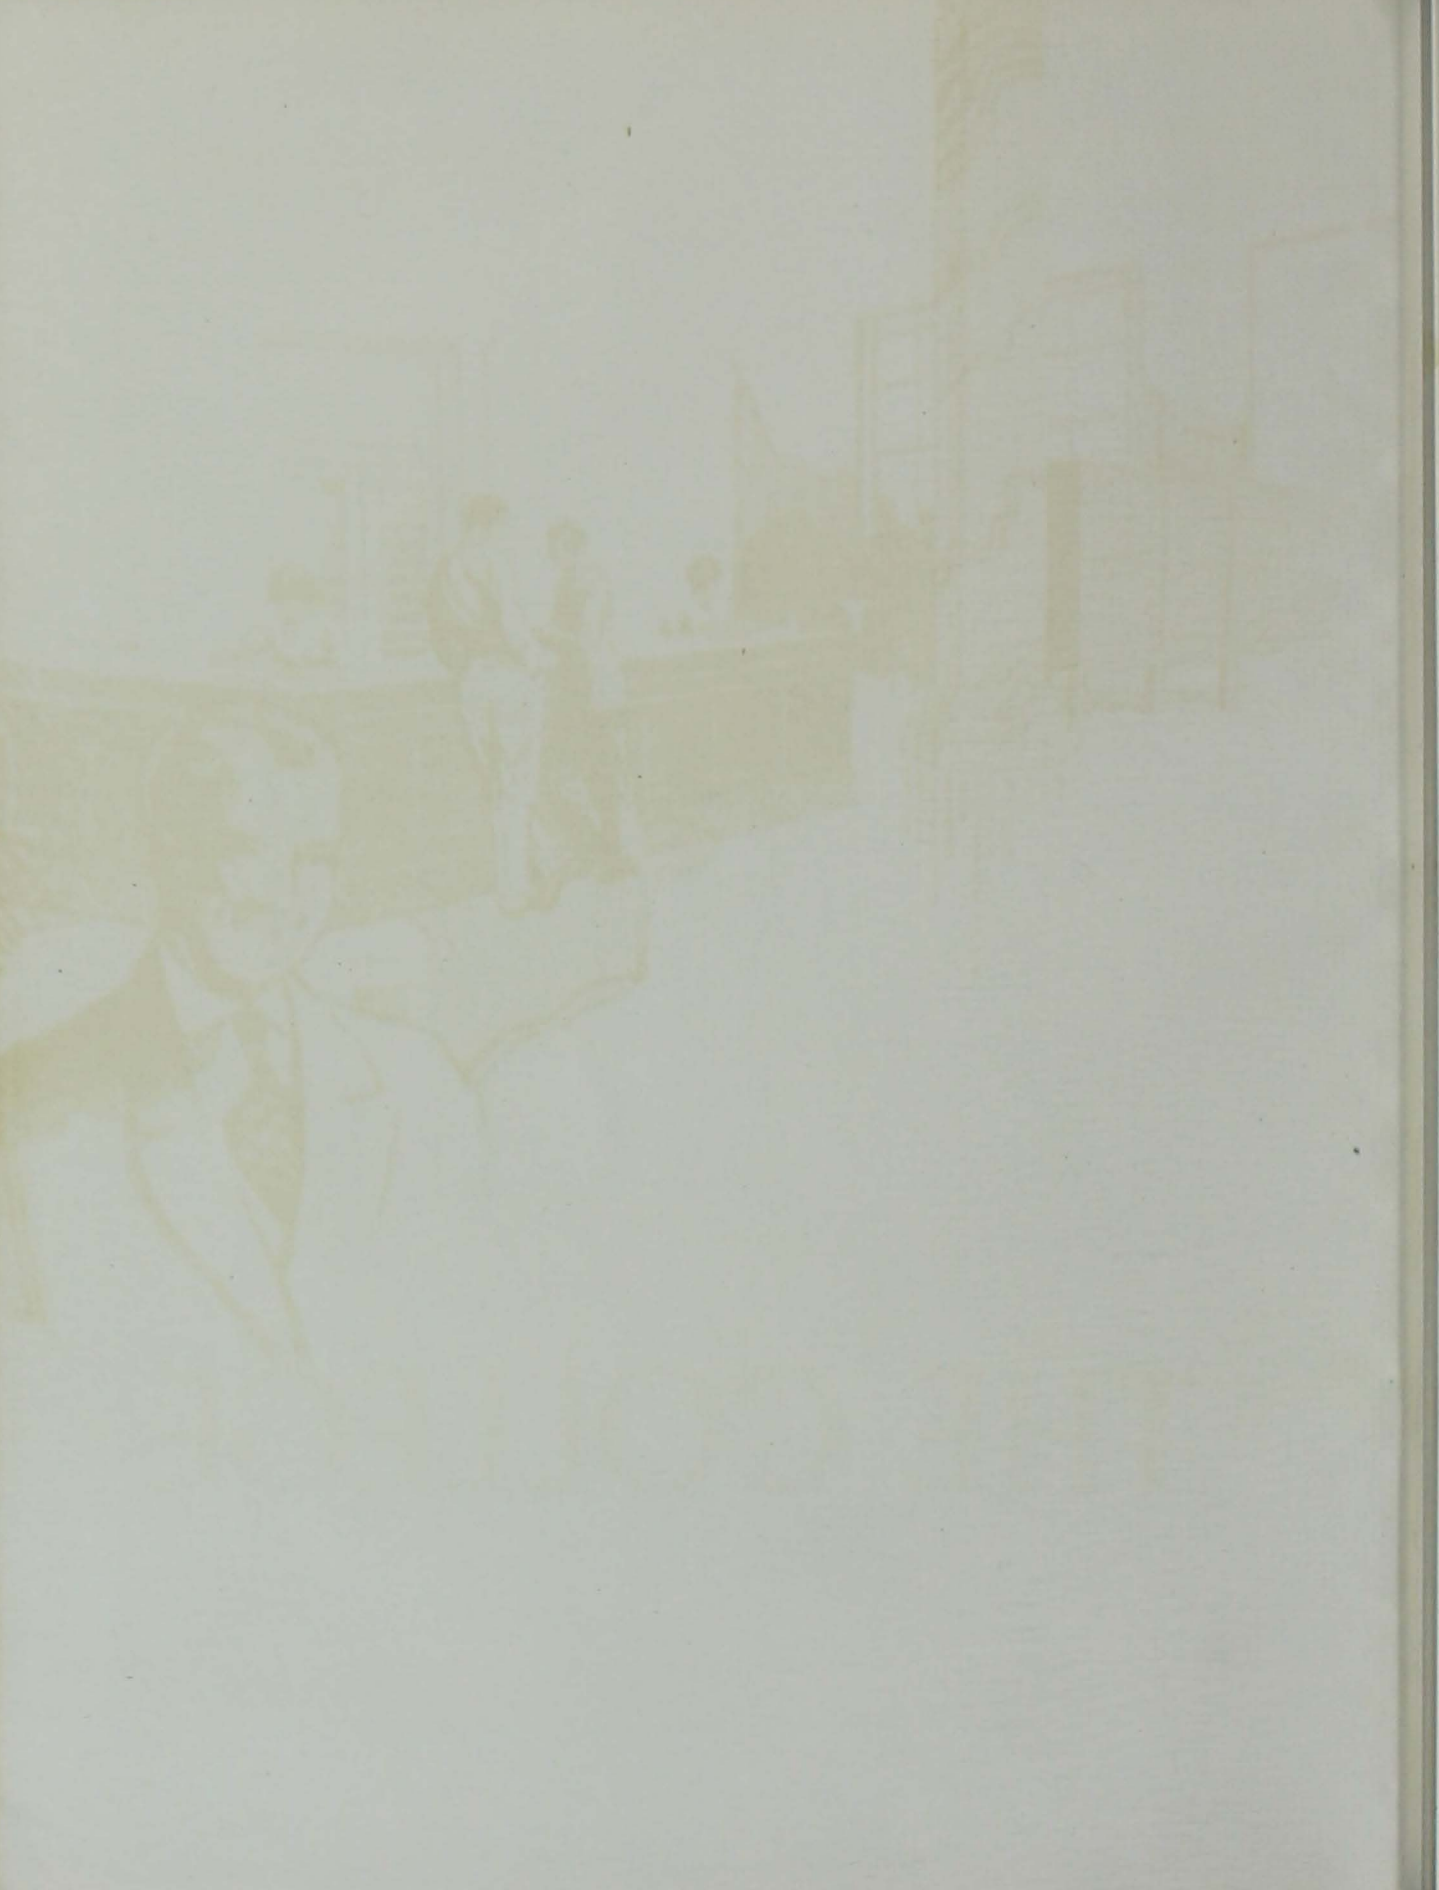
IOWA STATE

IOWA STATE COLLEGE O



ENGINEERING HALL





THE COLLEGE

HERMAN KNAPP
Acting President

ACTING PRESIDENT HERMAN KNAPP graduated from Iowa State College in 1883 and has served his Alma Mater in various capacities for the past thirty-seven years. He assumed charge of Iowa State College in February, 1926, after the resignation of President Raymond Pearson. For the past year Mr. Knapp has not only carried on his own duties of Treasurer and Business Manager, but has handled with ease and efficiency the intricate position of President, making many contributions to the advancement of Iowa State College.

Mr. Knapp, together with the College, extends a cordial welcome to the new President, Dr. Raymond Mollyneaux Hughes of Miami University, Oxford, Ohio.

M. M. Roberts

Junior Dean

In 1921, after graduate work at Chicago, Cornell, and Columbia Universities, and a period in which she was connected with the Mathematics Department of Iowa State, Maria M. Roberts, was chosen to fill the position of Dean of the Junior College, established in her alma mater in 1903. Since that time she has conducted the office with a resourcefullness only varied experience could give.

J. E. Foster

Dean of Men

Dean J. E. Foster is a graduate of Western College, Toledo, Iowa, and Yale University. He came to Iowa State in 1922, after a varied career in public school education. The wide experience he obtained in this field has contributed much to his efficient management of men's affairs at Iowa State.

J. R. Sage

Registrar

Mr. J. R. Sage is a graduate of Ohio State University and Rose Polytechnic Institute, Terre Haute, Indiana. From 1915 to 1920 he was connected with the Mathematics department of Iowa State, first as an instructor and later as an assistant professor. Since 1920 he has served as registrar of the college.

J. M. Shaw

Acting Dean of Men

Mr. John Shaw is a graduate of Washburn College, Topeka, Kansas, in 1913, and Iowa State College in 1922, and is regularly connected with the Dairy Department of that institution. During the recent absence of Dean J. E. Foster, he served in the capacity of Dean of Men.

J. W. STANTON

Dean of Women

Dean Julia Stanton was born and raised in Iowa, graduated from Iowa State College in 1888, and was connected with the Mathematics Department of her alma mater from 1893 to 1899. In 1922 she started the Maples Tea Room and in 1924 turned it over to the College. Since 1923 she has directed women's affairs at Iowa State.

O. H. CESSNA

Chaplain

Dr. Cessna was a member of the first graduating class of Iowa State. In 1900 he was awarded the chair of history and psychology, at which time he also became chaplain of the college. Since then his life has become an integral part of that of the college. Without God there can never be a full life—Dr. Cessna's is complete.

H. E. PRIDE

Alumni Secretary

In 1921 Mr. H. E. Pride was appointed Organization Secretary of the Memorial Union and two years later became secretary of the general alumni association.

Plans for the Memorial Union building are practically ready for contract; at present it is Mr. Pride's highest ambition to see the completion of the Memorial Union Building.

T. SLOSS

Superintendent of Buildings and Grounds

The care and supervision of the Buildings of Iowa State College has been intrusted to Mr. Thomas Sloss since November, 1909. The excellent condition of all property on the college campus is sufficient testimony to the efficiency with which this department is operated.

R. E. Buchanan

Dean R. E. Buchanan has, in his twenty-three years of service at Iowa State, served as instructor, professor, and head of the department of Bacteriology, Dean of the Industrial Science division, and Dean of the Graduate College, in which capacity he has served since 1919.

Graduate College

That the Graduate College has become an important element in the make-up of Iowa State College is evidenced by the fact that during the school year 1925-1926 there were enrolled six hundred and eighty graduate students. They come from scores of colleges and universities, not only from the United States, but of the world.

It is the primary purpose of the Graduate College to give opportunity to carry into the graduate field the work of the various technical and scientific departments of the institution, and to encourage and foster research. It has been only within recent years that enrollment has reached such large proportions, but graduate instruction has been offered and graduate students have been registered consistently for each year of the fifty four years since the first class graduated from Iowa State.

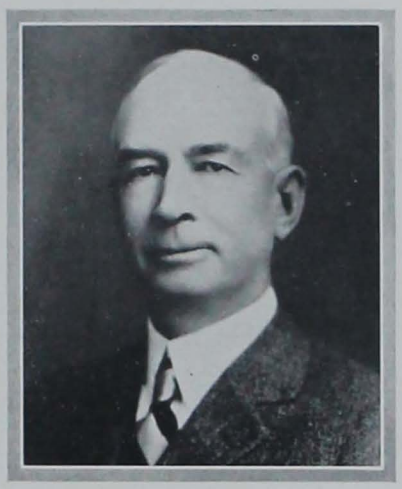
Graduate Faculty

Division of Agriculture

The Division of Agriculture comprises the following departments: Agricultural Engineering (jointly administered); Animal Husbandry, including Poultry and Dairy Husbandry; Agricultural Economics (jointly administered), including Rural Sociology and Farm Management; Farm Crops and Soils; Dairying; Horticulture and Forestry, including Pomology, Landscape Architecture, Truck Crops, and Floriculture; Genetics; Technical Journalism; and Vocational Education.

For years in the early days of the institution all of the agricultural work was grouped under two departments—agriculture and horticulture, with a one man faculty in each department. When three men were installed at one time in the agricultural department, the faculty outnumbered the agricultural students. Later, in the more expansive days, the Agricultural Division included the Home Economics Department, before that work was established as an independent division. That was just proir to the time when it was proposed to consolidate all home economics work at the State University.

No one can fully anticipate the future expansion of important lines of technical instruction in keeping with the demands that will be made upon institutions of this class. The total number of agricultural students enrolled in the Division of Agriculture last year, not including the Farmers' Short Course, or the Farm Managers' Short Courses, was 1764.



C. F. Curtiss

Since 1897, the Agricultural division has been headed by Dean C. F. Curtiss, a graduate of Iowa State in the class of 1887. His long tenure of office is a mute witness of his worth; the importance of his division bespeaks the importance of the man.

Agricultural Faculty

ANSON MARSTON

Anson Marston, Dean of engineering, has been at Iowa State College since 1892. He studied at Berea College, in Kentucky and received a degree of Civil Engineering from Cornell in 1889. His work as Dean of his department since 1904 has encompassed much; the success of the division is due to his understanding and comprehensive efforts.

Division of Engineering

The Engineering Division of the Iowa State College is widely recognized as one of the leading engineering colleges in the United States. It was the first to organize its work systematically in three main lines, viz: Collegiate Engineering Instruction, Engineering Extension and Engineering Experiment Station Research.

Collegiate undergraduate engineering instruction is given in ten four-year engineering courses, with standard entrance requirements: Agricultural Engineering, Architectural Engineering, Ceramic Engineering, Chemical Engineering, Civil Engineering, Electrical Engineering, Engineering (General), Mechanical Engineering, Mining Engineering and Trades and Industry (Industrial Arts). Each of these courses leads to the B. S. degree.

In each of these courses except Industrial Arts a year of graduate work is definitely outlined, leading to the M. S. degree. In addition, two years additional graduate work is offered in several courses, leading to the Ph. D. degree. Sixty-seven graduate students were enrolled in the college in the year 1925-1926.

The Engineering Extension work reaches many thousand persons yearly, and makes a special feature of "Short Course" instruction, in which about 1500 students are enrolled annually.

The Iowa Engineering Experiment Station is an acknowledged pioneer and leader in research, and has made important contributions to engineering science. Some of its discoveries save Iowa many million dollars per year.

The Iowa State College engineering faculty numbers 111.

There are approximately 2800 engineering alumni in Iowa State College. They have attained high recognition in their profession and have achieved large measures of personal success and are rendering invaluable professional service.

ENGINEERING FACULTY

Home Economics Division

The Home Economics Division, at home in its new and beautiful building, is well started upon another busy year. A thousand students throng through its halls and a staff of sixty-five instructors and six teaching fellows carry on the class room work of the eight departments.

The aim of the division is to give a broad education and a well-rounded training through the study of fundamental courses in the arts and in the natural and social sciences: to develop an understanding of the underlying principles which make for physical, mental and social well-being and to prepare for vocational work through professional or technical training.

Courses are offered which prepare directly for intelligent citizenship and efficient home making, a profession which the large proportion of our students eventually enter. Professional work is offered to prepare for the teaching positions, into which the largest number of our students directly go upon graduation. Work is also offered which will prepare for commercial positions, which are constantly opening for the young woman trained in home economics.

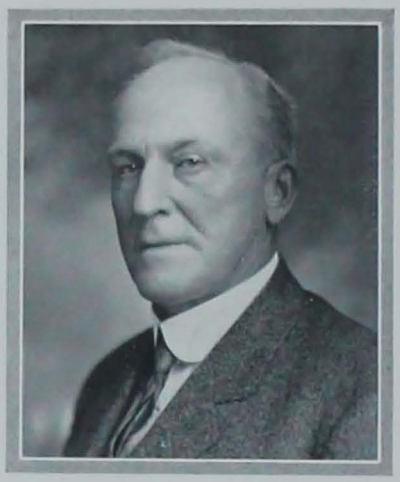
Theory and practice go hand in hand. Three home management houses offer opportunity for the application of the work offered in the courses in home management. The nursery school in its picturesque little building, gives ample opportunity for first-hand observation to the students in courses in Child Care and Training, while the tea room gives practical experience to those students who choose work in institutional administration.

With the fine new building and its splendid equipment, we hope to go still further in upholding the fine record that Iowa State College has always held.

FRANCES SIMMS

Acting Dean Frances Sims is a graduate of the University of Chicago, and Simmons College. She came to Iowa State College in 1925 as head of the department of Textiles and Clothing. In August, 1926, she was appointed acting dean of the division of Home Economics.

HOME ECONOMICS FACULTY



S. W. Beyers

Dean S. W. Beyers graduated from Iowa State in 1889 and from Johns Hopkins in 1895. For ten years he was Vice-Dean of Engineering at Iowa State and in 1919 was appointed Dean of the Industrial Science division. His greatest fame comes from his geological research, in which work he is surpassed by none.

Division of Industrial Science

The division of Industrial Science comprises those departments which are not technical in themselves but which are requisite to a thorough understanding of the several technical courses offered at Iowa State.

The departments which come under this classification are: Bacteriology and Hygiene, Botany, Chemistry, Applied Economics and Social Science, Geology, Mathematics, Military Science and Tactics, Physics and Zoology, and Entomology. The division also serves as an administrative unit for the departments of English, History and Psychology, Library, Modern Language, Music, Physical Training, and Public Speaking.

The division of Industrial Science is the oldest in Iowa State College. In the early history of the institution, no distinction was made between the various divisions as is practiced now; Agriculture, Engineering, Home Economics, and Veterinary Medicine were, in the history of the institution, made separate divisions in the order named and a separate dean appointed for each. Since that time, the division of Industrial Science has had jurisdiction over only the non-technical departments.

All students and members of the faculty are members of the Industrial Science club and the Industrial Science council is intrusted with the duties of this organization. The council is composed of the officers of the club, two representatives from each class, and three members of the faculty. By means of these two organizations, the affairs of the division are managed throughout the school year.

The extra-curricular activities of the division comprise the annual barbeque in the fall quarter, the winter frolic which has become an all-college function in the winter quarter, and the preparation of the Veishea float during the spring quarter.

Industrial Science Faculty

Division of Veterinary Medicine

The veterinary medicine course of Iowa State College was made a separate division and a Dean of Veterinary Medicine appointed in 1879. The lack of competent instructors was, at first, a serious handicap, but Dr. Stalker, the first dean of the division overcame this difficulty by the establishment of a graduate course.

The first class in the division was graduated in 1880. The next twenty years were full of advancement for the science. Dr. J. H. McNeil succeeded Dr. Stalker as dean, and was, in 1908, succeeded by Dr. C. H. Stange, the present dean. The growth of the division has been large; six departments, Anatomy, Pathology, Physiology, Surgery, Medicine, and Veterinary Investigation, have taken the place of the original single unit.

The Veterinary Medical Society, composed of all the students in the division, is the divisional activity. Meetings, presided over by the president who is elected from the senior class, are held twice a month. Meetings are conducted by the students with the aid and advice of the faculty members.

The social activities of the division comprise the freshman mixer in the fall quarter, the annual banquet and dance in the winter quarter, and the faculty picnic in the spring quarter.

The importance of this division to the live stock owners of the state is great. Graduates of Iowa State have been instrumental in many cases in saving these men considerable sums; without them the live stock of the state would be exposed to innumerable diseases and hardships.

C. H. Stange

In 1907, C. H. Stange was awarded the degree of Doctor of Veterinary Medicine at Iowa State College. For a year he took post graduate work in pathology and bacteriology at the University of Chicago, and the next year he returned to his alma mater as Dean of Veterinary Medicine.

Veterinary Faculty

J. C. Cunningham

A. Shane

Vocational Courses at the Iowa State College

The courses not leading to a degree at the Iowa State College were formerly known as the Non-Collegiate courses. They were established in 1910 to meet the demands of young men and young women who on account of lack of funds or geographical location were unable to receive full advantage of the high school.

In Agriculture and Engineering, courses covering two full years are now offered as well as certain ones of from one to three quarters in length. Each of these trains for some definite vocation such as that of general farm management, special livestock, fruit or poultry farm management, supervisors of cow test associations, and numerous other lines of Agriculture.

In Vocational Engineering the training equips the young men for such positions as building superintendents, electricians or machinists.

In the Home Economics division this work is known as the Home Makers Unit Course and is offered in units covering a period of one week for a single subject, or three months where a number of subjects may be taken. There are no educational restrictions for entrance. The work offered trains for the vocation which the name suggests—that of Home Making.

Vocational Faculty

Mr. P. C. Taff

Director R. K. Bliss

Extension Department

Iowa State College through its Extensive Service and in cooperation with organized farmers extends the benefits of its experimental and research work to a constantly increasing number of farmers of the state. Sixty specialists representing the various departments of the Agricultural and Home Economics Divisions and certain phases of the Veterinary and Science Divisions adn certain phases of the Veterinary and Science Divisions are employed in the state work. One hundred county agents, sixteen home demonstration agents and from three to ten club agents make up the permanent field force.

The work is done principally through organized groups of farmers. The county farm bureau, under the law, is the official organization for conducting extension work in the counties. County agents, Home demonstration agents and Club Agents are employed cooperatively by the County Farm Bureau and Extension Service. Extensive work is carried on in cooperation with commodity cooperatives and other organized groups.

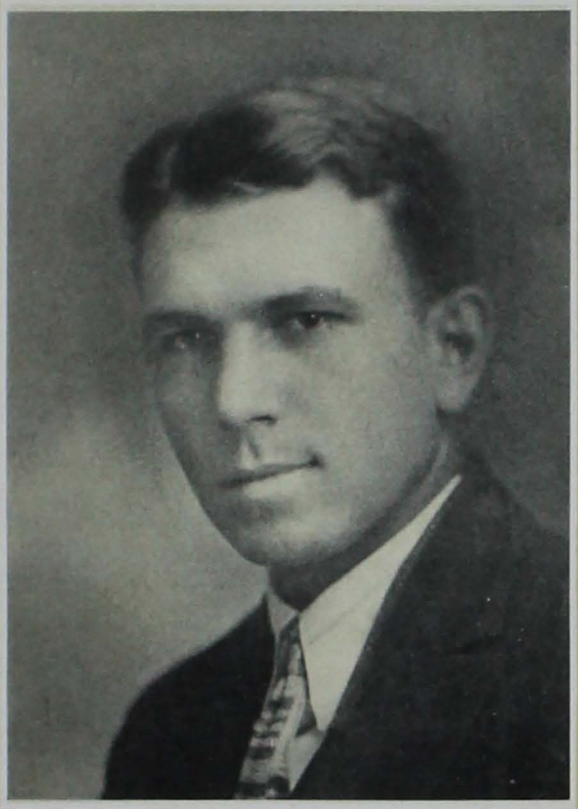
During 1925 practically every township in Iowa was reached with some kind of extension activity. Of the 1,609 in the state, 1,572 reported some kind of rural community work. This gives an idea of the widespread character of the work. Livestock, clothing, and poultry projects led in the number of townships reached; while the work of the entire service encompassed fifteen different types. The worth of this widely diversified service to the farmers of the state can be scarcely underestimated.

Extension Staff

Class of 1877

Fifty years after their graduation, the members of the class of 1877 are returning to Iowa State. Some of them, out of touch with their college for many years, have found numerous changes; others, closer to the college have seen in the advancement of Iowa State from time to time, and prophesy many additional honors in the years to come.

FRONT ROW, left to right: Geo. I. Miller, W. A. Halsell, Cora Patty Payne, E. L. King, J. W. Doxsee.
SECOND ROW, left to right: J. B. Hungerford, Alice Neal Gregg, Alfa Campbell Fassett, F. L. Stratton.
THIRD ROW: L. B. Robinson, W. N. Hunt, Mary Farwell Carpenter, F. W. Booth, Cora Keith, C. C. Colclo, J. C. Milnes, A. P. Hargrave.
FOURTH ROW: Mary Carpenter Hardin, Kate Curtis Myrick, R. F. Jordan, T. F. Lee, T. L. Smith.
BACK ROW: A. Moyer, H. M. White.



A TRIBUTE

IT IS WELL merited honor to dedicate this SENIOR SECTION— to the memory of Howard McCracken. In an important sense he was the type of man a college athlete should be. One beautiful thing about it is that could he speak he would wonder how he came to merit such an honor. He would feel that he had simply tried to do his duty in an earnest manly way and that there must be many others more worthy than he. This very attitude would illustrate one strong characteristic of Howard McCracken that caused his fellows to want to honor his memory in this way. He was modest, unselfish, considerate and winsome in personality—in honor prefering the other fellow.

He came to leadership not only in Athletics, but in other activities. He was respected of his high scholarship, his trustworthiness and his fine influence in the fraternal, social, and religious life of the college.

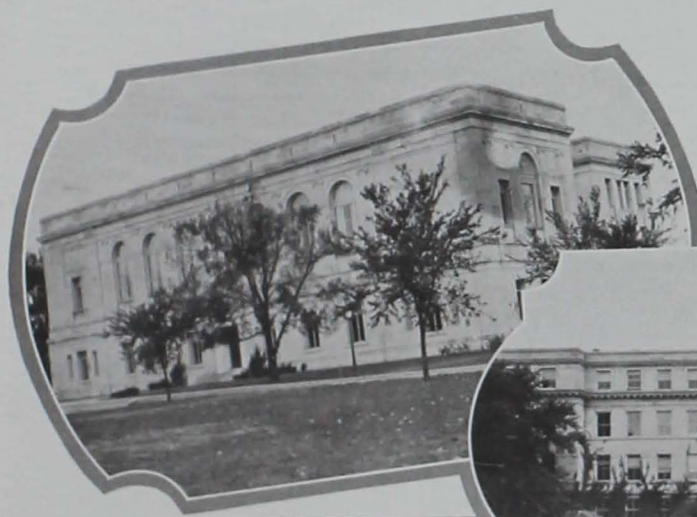
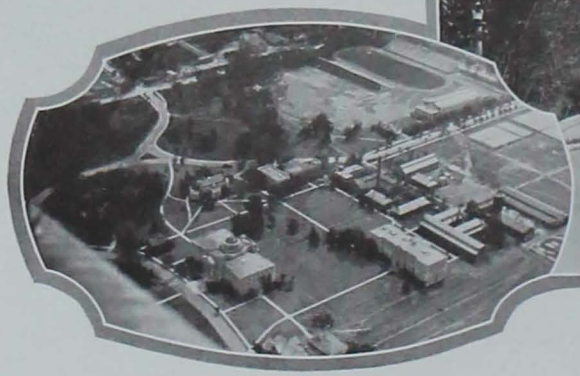
CARDINAL AND GOLD DAYS

May these few pictures of Iowa State's beautiful campus bring back to you the lovely memories of your "Cardinal and Gold Days."



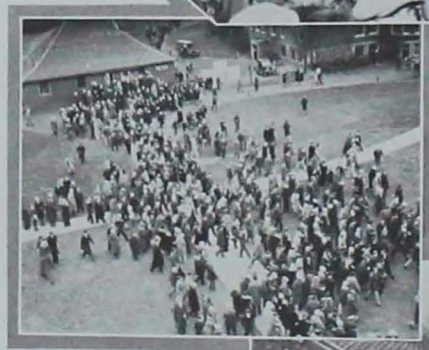
Central
The Campanile
Alumni Hall
Library
Engineering Hall
Agricultural Hall

One may turn from the stately formal gardens and white stone buildings to winding paths through natural woods. Wild shrubs and flowers bloom under the very shadow of their more cultured friends, giving charming surprises to all who walk the wooded paths.



The snows of winter cast a beautiful white blanket over the campus that seems to almost make a new world of Iowa State. Icy creeks, snow-dusted evergreens, cardinal and white buildings, and fiery sunsets paint myriads of pictures that flash day by day all during the winter.

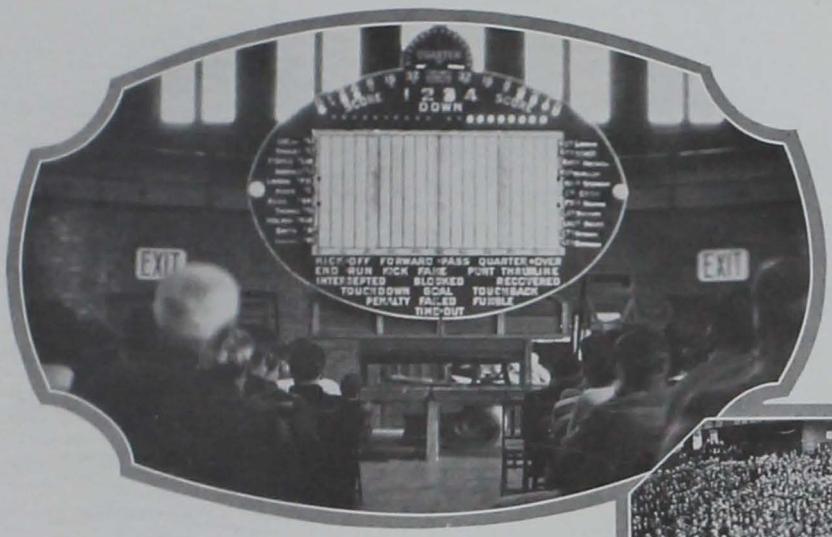
The buildings mounting high above the trees give a lovely outline against the clouded sky.



Fall

The first Saturday of every Fall Quarter finds the Sophomores and Freshman at their annual pushball fight. Torn clothes, broken paddles, and flying oil make real Iowa State men of timid "preps." This year the Freshmen forgot their "manners" and defeated the surprised Sophomores.

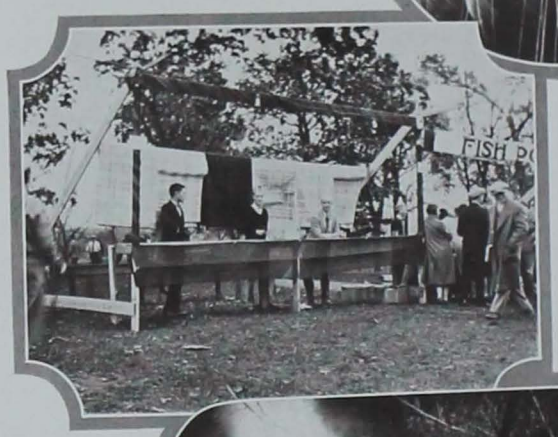
With the coming of football big "pep" meetings give the "Frosh" their first real taste of college life. At the first game of the year they thrill with the "band" and the "Twisters" and sound out their A-M-E-S as true Iowa State men and women.



Fall

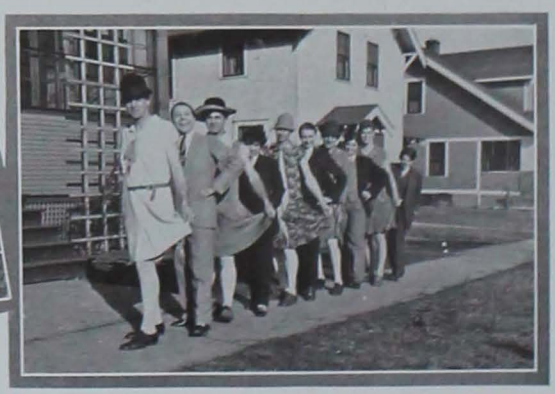
Soon come the convocations at State Gym; here the Freshman is again molded, perhaps less forcibly than on the athletic field, but just as firmly. Arthur Foley Winnington-Inghram, Lord Bishop of London gave the principal address of the Fall. At the "Honors Day" convocation in October the scholastic leaders were given recognition.

Days when the team plays away from home the big grid-graph is set up and is just about as exciting as the actual game itself. About this time the students are given their first opportunities to buy "Bombs," "Homemakers," "Agriculturists," and "Engineers."



Engineer's Campfire

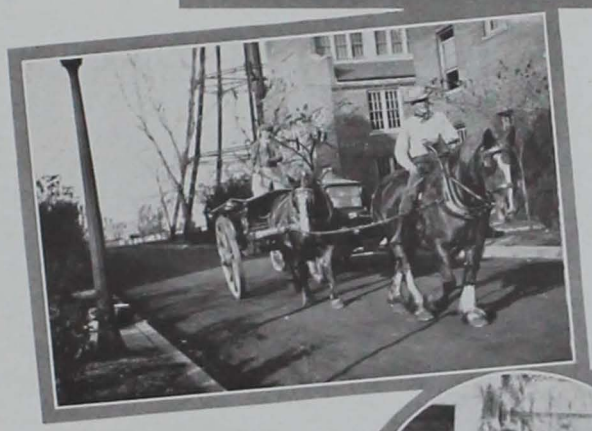
One of the most picturesque occasions of the Fall Quarter is the Engineer's Campfire held in a natural theatre in North Woods. During the afternoon a regular "Side-show" provides entertainment, while at night two big fires light up a stage for student vaudeville stunts. The Engineers are knighted by St. Patrick by the light of the two big "torches." Norman Brown was St. Patrick this fall, and Margaret Erickson was "Engineer's Lady."



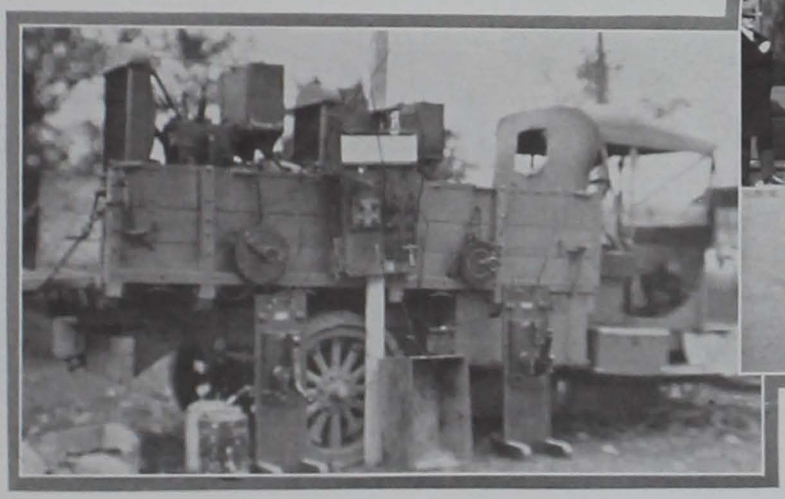
"Blue Ribbon"

Little International

The Ag. Council sponsors the Little International Stock and Grain Show. The students fit and show the regular college stock to get practice for the "real" shows they may exhibit in some day. The whole show is modelled after the "International" of Chicago and is splendidly run from start to finish.



Acting President Knapp

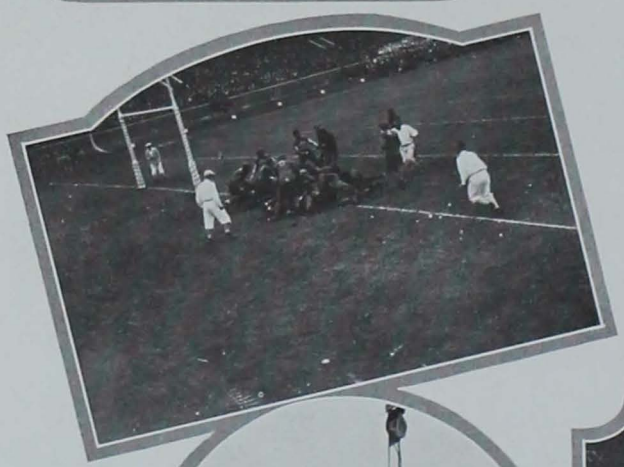


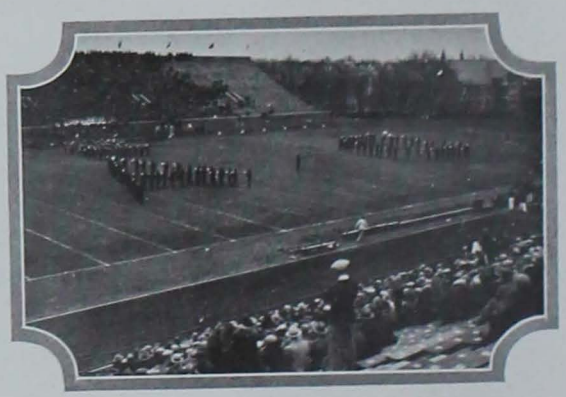
T. K. E.

Homecoming

The big day of all fall is "Homecoming," for school work is forgotten and everything is turned over to the alumni. A victory over Drake made last Homecoming a perfect one, as far as the game went. The weather was terrible, but who cared about that with so many old friends near to warm the heart and relive the Cardinal and Gold Days.

The T. K. E.'s won the Decoration Cup over all other fraternities.



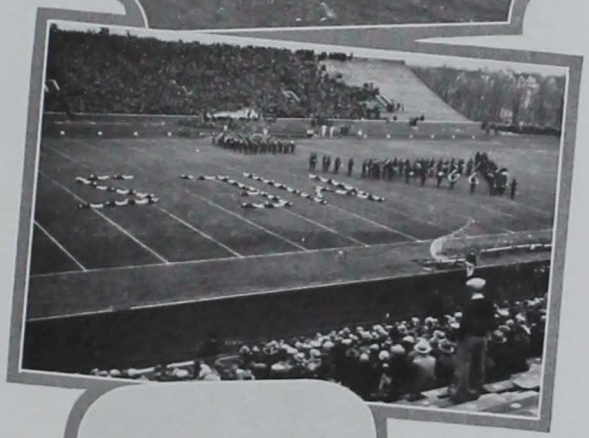


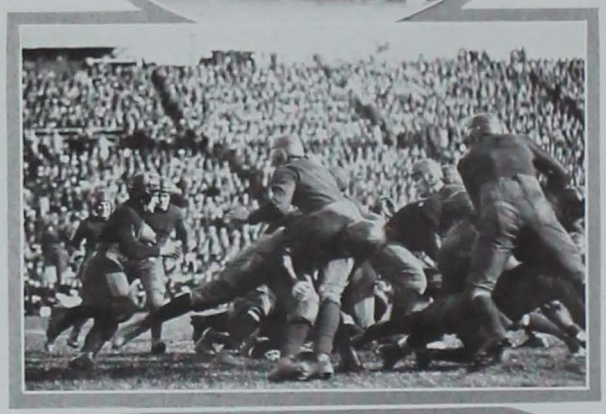
Pi Beta Phi

Homecoming

Just before the game there was a big parade around state field—the D. U.'s were awarded first place as having the best float. Heavy rains did considerable damage to most of the house decorations, and gave the judges a difficult task. Pi Beta Phi won the cup as having the best decorated sorority house, the Lodges winning in the Dormitory Division.

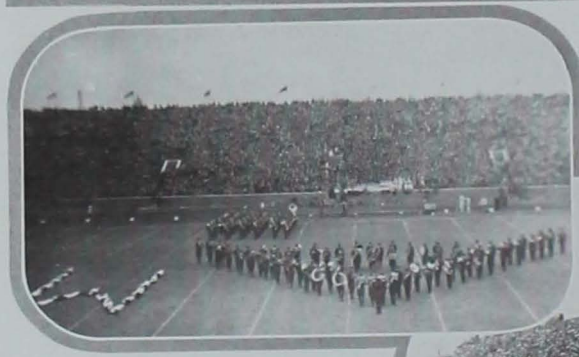
The Band and the Twisters took ten minutes between halves to parade before the stands. The Drake Band made their "D" on one side and the Ames Band their "A" on the other.

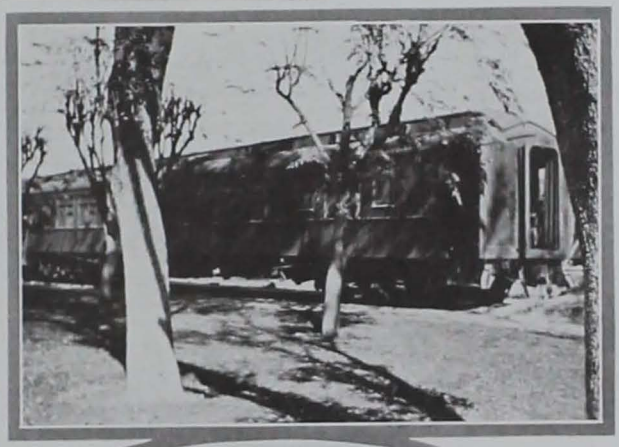




Football

Invigorated by a new coaching staff the football team went through an unusually successful season. The schedule included Washington, Oklahoma A and M, Grinnell, Missouri, Nebraska, Drake, Kansas State, and California, Southern Branch. The close of the football year found us with four victories, one tie, and three defeats. This fine football team has fired Iowa State with a new football spirit which bids for a winning team next fall.





California Trip

After defeating Drake the team started for Los Angeles, winning from Kansas Aggie's on the way. Stop-overs were made at El Paso and Tuscon, where practices and workouts were held. The trip ended with a brilliant 20 to 0 over California, Southern Branch. Iowa State Alumni entertained the team in California and at the bigger cities along the way.

Summer Camps

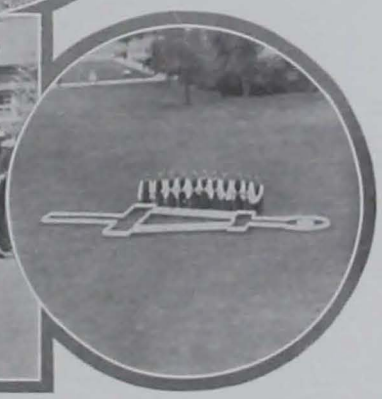
Many students spend a summer at departmental camp. The Foresters going to Lake Superior, Ontonogan, Michigan; the Civils to International Falls. Regular credit is given for this work which is more of a pleasure than a task.

Departmental Work

The Home Economics courses provide practical training in connection with the regular yearly work. Military students go to Camp Knox, Kentucky and Ft. Snelling, Minnesota.

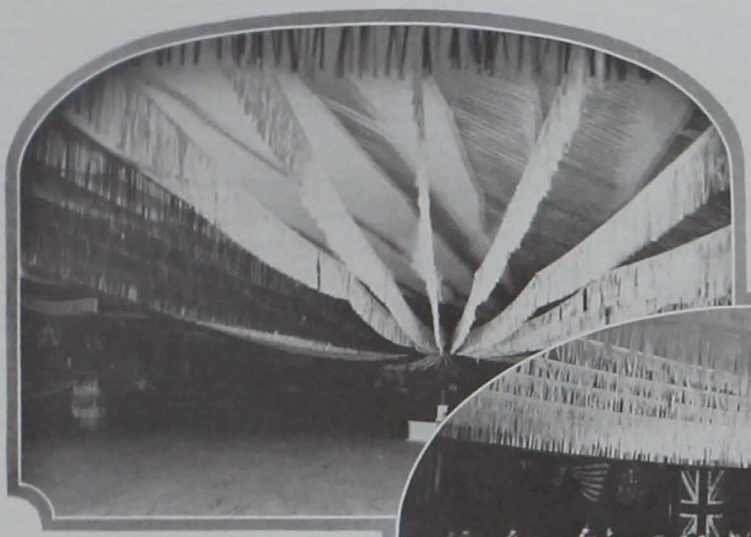
Probations

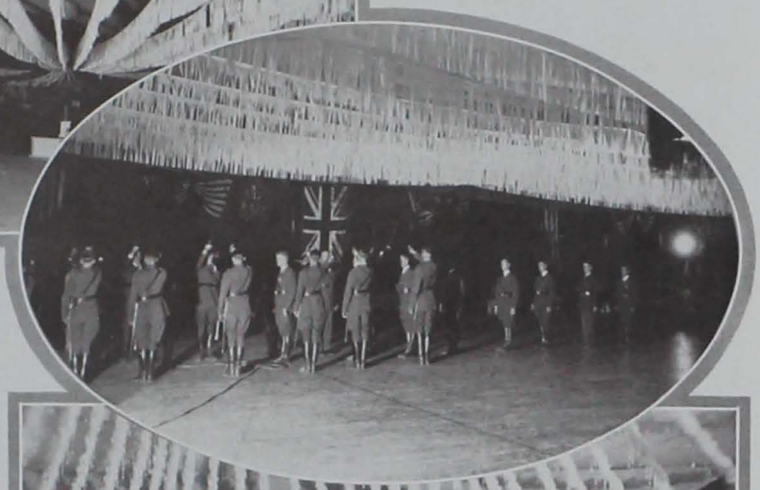
Every once in a while the whole college is entertained by erstwhile dignified upper classmen, who are temporarily on probation to some Honorary society. We have pictures here of those on probation to Alpha Zeta, Phi Mu Alpha, Scabbard and Blade, Pi Epsilon Pi, and Tau Beta Pi.



Hec-Vodvil

One of the lovliest events of the college year is the annual vaudeville staged entirely by the Home Economics Students. This year the girls portrayed "A Trip to the Moon."



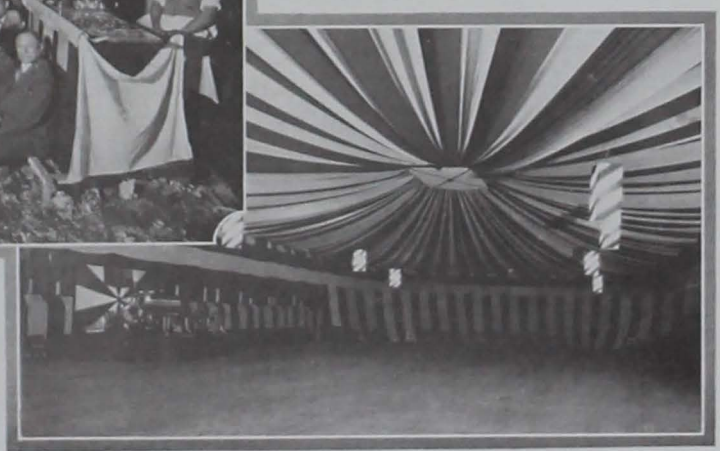


Dances

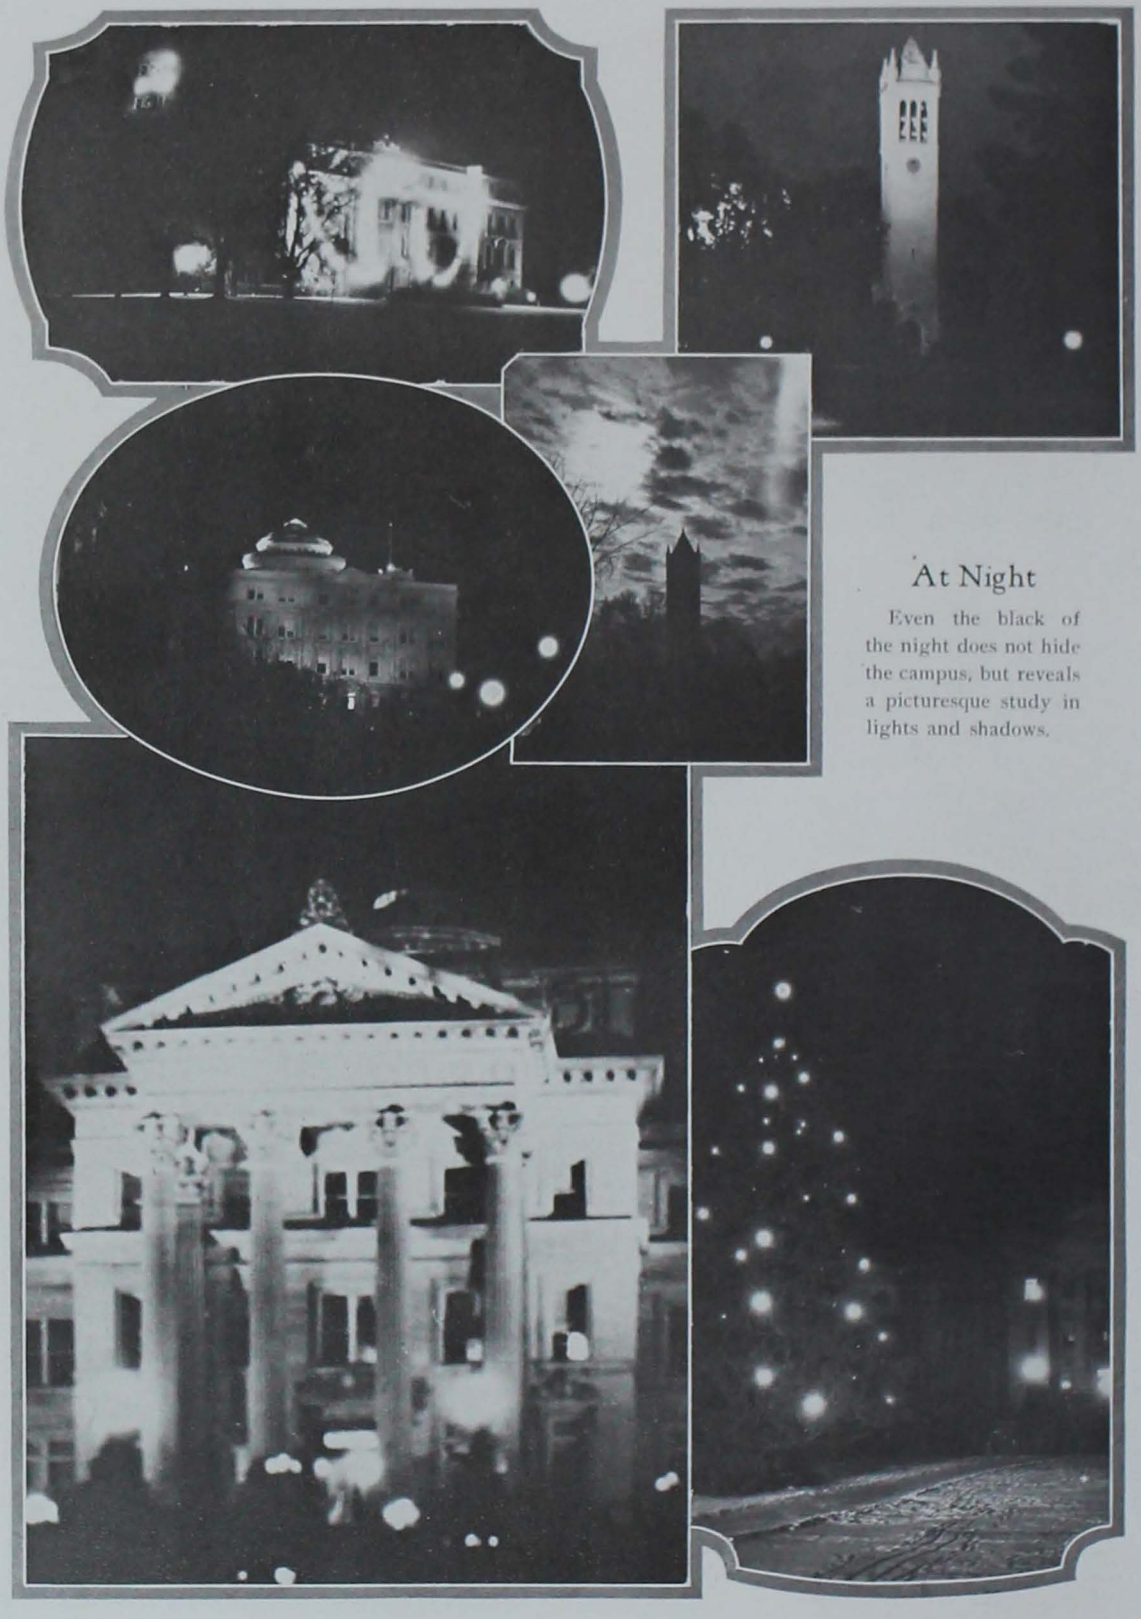
Class and Society dances are held every Quarter. State Gym is transformed into a fairyland by skilled decorators, and college life is made a bit more vivid. At the top are pictures of the Military Ball and the Scabbard and Blade pledging ceremony.

Junior Trot

A House Dance



Women's Pan-Hel



At Night

Even the black of the night does not hide the campus, but reveals a picturesque study in lights and shadows.

May Fete

The May Fete opens the annual Veishea Celebration. Ethel Greenway was crowned as May Queen, and the fete "Every Girl," portrayed the life of every girl from her doll days up through college. Miss Frances Wescott wrote and directed the play.

Veishea Parade

The big parade is perhaps the most popular Veishea attraction. The Architects won the Sweepstakes prize with their "Sphinx;" this statue weighed four tons and took thirty-five slaves to pull it.

"Reserved" Seats

"Sweepstakes

"Wedgewood"

Veishea Parade

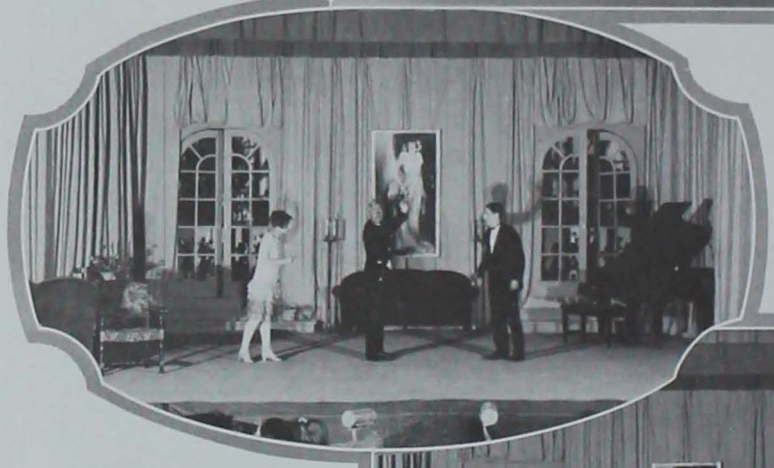
The Divisional Prizes were awarded to Ceramics, Farm Crops and Soils, Textiles and Clothing, Botany and Veterinary.

George Westcott
General Manager of Veishea

"Rosie" and "Ralph"

"Monkey Business"

The Veishea Night Show was written by Margaret Butler, Erenstine Chubb, and Elizabeth Johnson. Margaret Datesman and Al Baker as "Kate" and "Frank" took the "lead" roles. Virginia Alexander and John Slemmons played the second "leads," "Rosie" and "Ralph."



"Society" Chorus

Convict Chorus

"Monkey Business

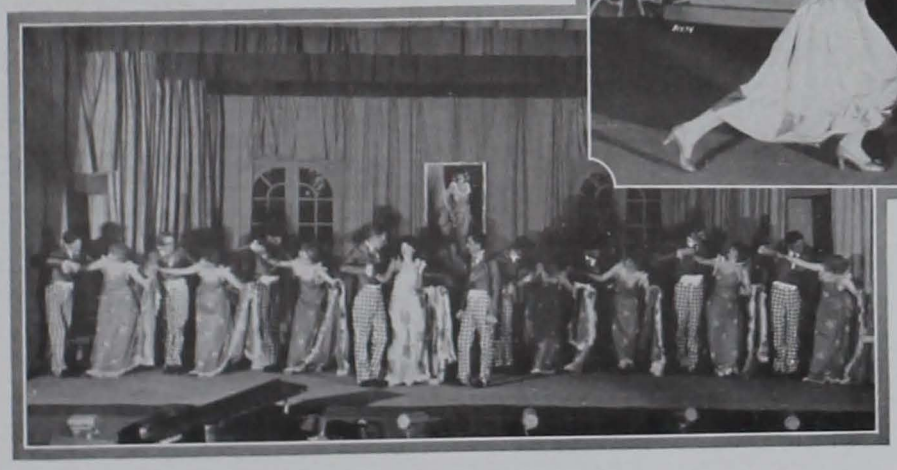
The Night Show was staged and directed entirely by students; Charles Cownie acting as Director, and Richard Le Buhn as Night Show Manager. The choruses were: Golf, Society, Man for Me, Grade, Belle and Beaux, and Convict.

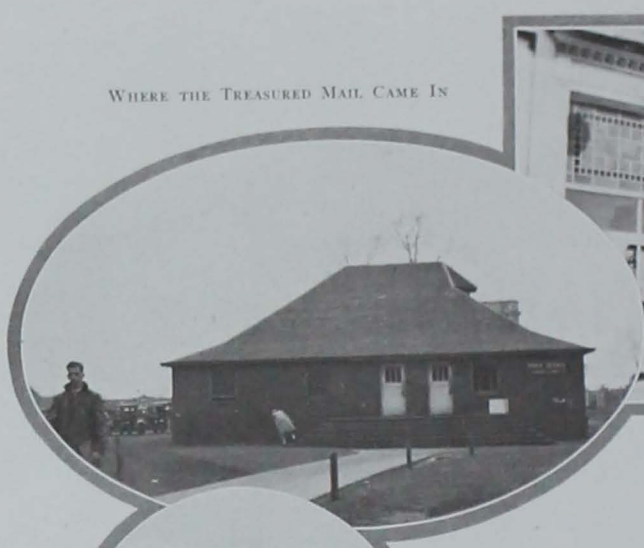
Mr. Herrick and Mrs. Shannon helped the student directors with the play and the ballet.

Ballet

"Sally" and "Mark"

Belle and Beaux Chorus





Where the Treasured Mail Came In

The "Princess"

"Ames"

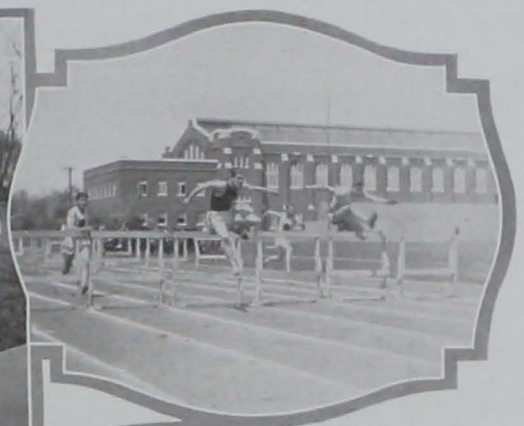
Not all of the college students hours are spent in the class-room and over "Math" books, so we slipped in a few pictures of the city itself. Perhaps some day they will remind you of many "off-campus" occasions!

Even the homely old post office has its share of college memories and traditions. Not only has it been a meeting ground for probationists but has served as the court for the "Sunshine Club."

Most of the "Bomb" Started Here

Riding was Generally Better than Walking
The "Ames"

Many Dances and Dinners Here



They set a World's record at the Rice Relays for the one and seven-eights mile (1 7/8) Medley; time, 7:34 4-10. World's Record in 2 mile Medley at Drake Relays.

Track and Wrestling

Iowa State has had her most brilliant success in these two sports. This year our relay teams have won both the Two-mile, and the Two-mile Medley at the Illinois, Texas, Rice, and Kansas Relays. Ray Conger, Captain, is considered the greatest inter-collegiate middle distance runner in America. He is shown here finishing the mile at the MissouriValley meet.

This year the National A. A. U. Wrestling meet was held in Ames. Iowa State men won the 158 lb. and 125 lb. classes; as well as runner-up in the latter weight.

Iowa State Student

The Iowa State Student is the official student paper published tri-weekly. Its entire personnel is made up of the student body and is published for the students. It is "devoted to the development of a better and greater Iowa State," special emphasis being made to the building of a bigger and better student body. Members of both the reportorial and business staffs are selected from the student body in order to be thoroughly representative.

Horizons

A. R. Merkle

Charles Hanford

Horizons is the quarterly magazine published by the students and staff of the Department of Landscape Architecture. Its purposes are two-fold; first, to encourage out-door improvements, both large and small, particularly in the middle west; and second, to serve as a means of guided expression by the students in landscape architecture, giving literary, graphic and executive experience, all of which are valuable to the potential landscape architect.

The Cardinal Guild is the student-governing body of the college. It is representative of the whole student body and has a very responsible part in the college life inasmuch as it passes rules governing the conduct of student affairs, takes charge of Homecoming, receives nominations and takes charge of all-college elections, and many other such duties. It is an honor to be a member of Cardinal Guild, and each member has a great responsibility placed upon him.

The Agricultural Council serves as a governing body for student activities on the Ag Campus. Its chief object is to act as a unifying agency among the various departments of the Division and to function as an administrative body representative of those departments.

It sponsors the Annual Ag Reception, the Ag Ball, and is responsible for the part taken by the Agricultural Division in Vieshea. It also directs all the activities and programs of the Agricultural Club.

Membership is composed of a junior and senior representative from each departmental club, a member of the Ag faculty, the editor of the Divisional Magazine and the representative of the division to the Cardinal Guild.

The Industrial Science Council was organized in the winter of 1927 to take the place of what has been known heretofore as Industrial Science Club. The officers are the same as those of the Club; the remainder of the members were appointed by the Dean of the Division and include two faculty representatives, one to two representatives from each of the major departments, and five to six members at large.

The purpose of this organization is to promote the social activities and carry on the other functions necessary for the welfare of the students and faculty of the Industrial Science Division.

The Iowa State Men's Glee Club, under the direction of Prof. Tolbert MacRae, has for the last six years been recognized as one of the most promising glee clubs in the Middle West. It has appeared in the Missouri Valley Glee Club contest, and has received honorable mention among the leading glee clubs of the Missouri Valley Glee Club Association.

For the past few years, the glee club has arranged a tour during the Spring vacation, appearing in the leading theatres of the state. This year, the Glee Club appeared in Omaha, Sioux City, Storm Lake, Spencer, Sheldon, and Ida Grove. The Glee Club was extensively entertained by the Iowa State Alumni in each of these cities.

Director

The Girl's Glee Club is an organization of enviable reputation on the campus, and has a second club only organized this year, due to the competition, when the try-outs were held. The object of both clubs is to better appreciation of music in general, and to benefit the members of the organization individually by giving them vocal training, as well as a means of expression.

The uniform, which has become traditional, is a white skirt and blouse, and white flannel jacket with tailored black tie.

MIDDLE ROW, left to right: Bell, Hampton, Prahm, Knudson, Hutchison, Cook, Wagner, Broome, Holsinger, Anderson.

FRONT ROW, left to right: Goodwin, Shaw, Ruggles, Barrett, Kuehl, Posson, Alexander, Hoskins, Persons.

The Iowa State College Band

PROF. HAWLEY

Mr. Hawley received his academic education from the Griffith Institute, Springville, New York, and his musical training at the Musical Institute in New York City. He has been affiliated with the Buffalo Symphony Orchestra and with the Ninth Infantry Band, and he was also a member of the New York City string quartet from 1900 to 1905. He has since been director of music at Blees' Military Academy, Macon, Mo., and been connected with the Women's Symphony Orchestra at Minneapolis, the Cincinnati Symphony Orchestra, the Benton Harbor Band, and the U. S. Army bands from 1909 to 1920. Then he came to Iowa State as conductor of the Iowa State bands, and since that time he has organized the Symphony Orchestra.

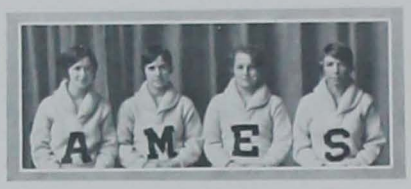
Iowa State College is one of the few institutions in the country who maintain a training band for the instructiton of those who, in later years, will comprise the personnel of its official band. At Iowa State the various sections are given separate instruction in those points of technique in which they are lacking. The result is that these students receive a type of experience which is invaluable to them and which places the Iowa State College Band in the category of the best in the United States.

TRAINING BAND



Girl's A-M-E-S Quartette

The Girl's A-M-E-S quartette has developed into quite a successful organization, under the direction of Miss Rosalind Cook. For the past two years the Girl's quartette has made many appearances both on and off the campus. It has appeared with the Girl's Glee Club in many of the programmes during the year, adding in a large measure to the success of the programme.

The personnel of the quartette is as follows: Helen Barrett, first soprano; Jeanette Kuehl, second soprano; Evelyn Possun, first alto; Virginia Alexander, second alto.

Men's A-M-E-S Quartette

The men's A-M-E-S quartette was organized about ten years ago for the purpose of singing at all athletic events. It has developed since then into such a well-liked organization that it is in demand for all occasions where entertainment is needed. The quartette appears with the Men's Glee Club on their programmes, making the trip with them on their Spring Concert tour.

The personnel of the quartette is as follows: Laurence Hutson, first tenor; Ralph Bishel, second tenor; Carl Diffey, baritone; Alger Schricker, bass.

Iowa State Symphony Orchestra

During the winter quarter of 1920-1921, The Iowa State Symphony Orchestra was organized with a membership of 12. Since then the membership has increased until now it has 70 members. The Orchestra was organized for the sole purpose of entertainment with no commercial end in view. It is the result of the interest shown both by the faculty and students of Iowa State College, and is considered one of the most successful orchestras in the middle west. The Orchestra makes three outstanding appearances during the year, appearing on The Artist's Concert Series, The Messiah, a Christmas programme, and it's Popular Concert in the spring. This Orchestra is under the direction of Professor Oscar Hatch Hawley.

JUDGING TEAMS

International and American Royal Teams

INTERNATIONAL CONTEST

The Live Stock Judging Contest at the Chicago International was established in 1900 and has been an annual event since that time. Iowa State College has been represented at each of these contests, giving it the record for participation. In addition to this, Iowa State has won more contests than any other school.

The members of the 1926 judging team were W. P. Cropley, Robert Collins, O. T. Carlson, Kenneth Cash, Harold Wilke, and Harlan Girton as alternate.

In the competition with twenty-three other teams this year, Iowa State tied for sixth place with Colorado. In individual ranking Cropley was third.

AMERICAN ROYAL CONTEST

Twelve teams were entered in the American Royal Contest held at Kansas City. Iowa State was represented by W. P. Cropley, O. T. Carlson, Harlan Girton, Harold Wilke, Kenneth Cash, and Dwight Seath as alternate.

The team ranked fourth in the contest and first in the division of cattle judging. Kenneth Cash placed first in the cattle judging.

TOP ROW, left to right: Cropley, Wilke, Cash, Sollins.
FRONT ROW, left to right: Seath, Shearer, Anderson, Carlson, Girton.

Dairy Products Judging Team

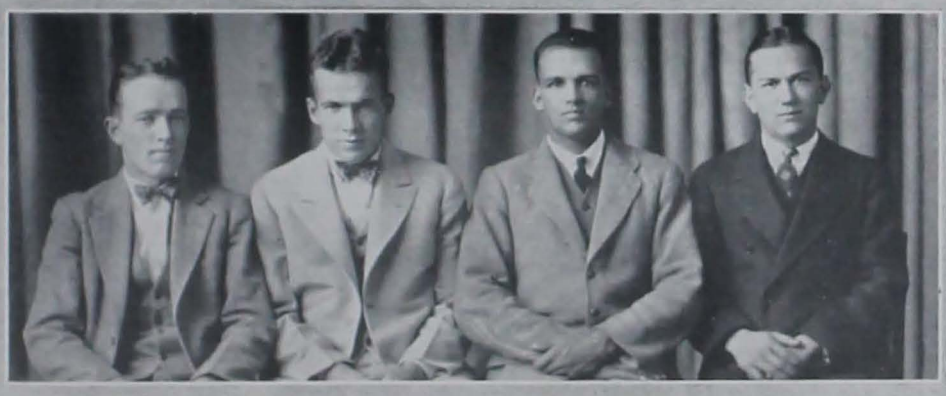
The Tenth Annual Student's National Contest in judging dairy products was held in connection with the National Dairy Show at Detroit.

Iowa State has competed in every contest, never ranking below third place and for the past three years taking first place.

In the spring of 1926, approximately twenty men tried out for the team of which ten were allowed further competition at the Waterloo Dairy Congress. The team finally selected was J. W. Tatum, G. L. Myers, J. A. Earle, and D. W. Swartz as alternate.

At the contest, the team won the sweepstakes cup for the third consecutive year, which makes it a permanent possession of Iowa State College. In addition the team took first place in milk judging and in ice cream judging. A silver cup was received for the highest placing in milk judging.

In individual placings, Tatum ranked first, Myers second, Earle third in the entire contest.



Left to Right: Tatum, Swartz, Earle, Myers.

Swine Judging Team

TOP ROW, left to right: Cropley, Girton, King, Collins.
FRONT ROW, left to right: Malone, Shearer, Anderson, Carlson.

The Swine Judging Contest is held in connection with the National Swine Show at Peoria, Illinois. Iowa State has competed regularly in this contest since its revival in 1919, and has always been one of the winners.

Approximately one hundred men tried out for the Swine judging team. The final team selected was W. P. Cropley, Robert Collins, O. T. Carlson, Roy Malone, Harlan Girton, and Kenneth King as alternate.

First place in the competitive swine judging was won by Nebraska with Illinois second, and Iowa State third.

Dairy Cattle Judging Team

Left to Right: Grove, Davis, Wright, Cash, Prof. Ely.

At the Waterloo Dairy Cattle Congress twelve teams were entered in the Dairy Cattle Judging Contest. The Iowa State team composed of Willard Grove, Earnest Wright, Clifford Davis, and Kenneth Cash placed second in the contest.

In the different breeds the Iowa State team ranked first on Jerseys and second on Holsteins.

From the Waterloo Dairy Congress the team went to the National Dairy Exposition at Detroit, where they placed high in the contest.

Farm Crops Judging Team

Left to Right: Redfern, Simpson, Dorchester, Goodsell, Baker.

The Collegiate Farm Crops Judging Contest is an annual event of the International Live Stock and Grain Show at Chicago. Eight Agricultural Colleges were represented by their judging teams in 1926.

The contest is divided in three divisions, the judging of grains, the commercial grading of grains, and the identification.

The Iowa State team was composed of Samuel Goodsell, Raymond Baker, J. S. Simpson, and C. I. Redfern as alternate. The team placed second in the contest. In the different divisions of the judging they placed first in identification, second in comparative placing, and second in commercial grading.

In individual placing Goodsell ranked second, Baker fourth, and Simpson eighth.

Carcass Judging Team

Left to Right: Schutte, Schaper, Prof. Helser, Killinger, Lichtenberg.

The first Carcass judging contest was held this year at the International Live Stock Exposition. This contest will now be an annual affair at the Exposition. Out of ten teams entered in this contest, Iowa State represented by C. S. Schaper, D. J. Schutte, C. C. Lichtenberg, and J. R. Killinger as alternate placed second.

The team also placed first on pork and first on placings of the carcasses.

Poultry Judging Team

Since the first Intercollegiate Poultry Judging Contest held in Chicago, teams representing Iowa State have never placed below third. This year's team was composed of M. J. Maxted, D. J. Carter, C. L. Hall, and William Kohlmeyer as alternate.

The contest was divided in three divisions, exhibition judging, production judging, and a written examination.

The Iowa State team, having the highest final score in the three divisions of judging, took the sweepstakes cup. The team also obtained a permanent cup for the best production judging.

In the production judging the team obtained a record of the highest score for any contest.

In the entire contest Maxted ranked second, Carter fourth and Hall twelfth. Carter also ranked first in the examination, and Maxted ranked first in production judging.

Kohlmeyer, Prof. Bittenbender, Jaeck, Carter, Hall, Maxted.

DRAMATICS AND FORENSICS

Iowa State College Dramatic Club

Miss Keane

OFFICERS

Jerome H. Bowen	*President*
Lois Jane Munn	*Vice-President*
Lloyd E. Marsden	*Secretary*
Herbert F. Engleking	*Stage Manager*
Walter Wicks	*Head Electrician*
Frances E. Jones	*Costume Mistress*
Marguerite M. Herr	*Historian*

Dramatics

The Dramatic Club, under the direction of the Department of Public Speaking, has presented during the year 1926-27 some of the well known plays very successfully. The club has made a direct attempt, under the capable directing of Miss Helen Keane, and Miss Florence McComb, assistant director, to bring before the student body only the best productions. These have stimulated a keener interest in the dramatics of the college both for audiences and casts. The club was just organized this year and at the present time there are 200 members.

TOP ROW, left to right: Harr, McKee, Shell, Ames, Denmire, Jones, Samuelson, Engleking, Bullis, Raasch, Marsden.

SECOND ROW, left to right: Thompson, Agg, Orchard, Burkhead, Herr, Graes, Malone, Jameson, Nelson, Munn, McKee.

THIRD ROW, left to right: Jones, Moser, White, Gooseman, Bowen, Nicholson, Jones, Draper, Adams, Hahne.

FOURTH ROW, left to right: Helland, Kirwin, Wickes, Thurber, Waughtal, Schultz, Barron, Wiggins, Samuelson, Stilson.

Dramatic Club Production Staff

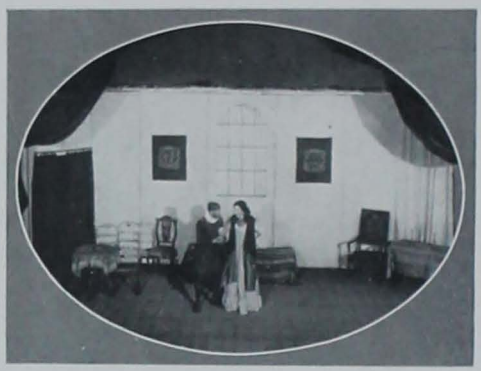
STUDENT COACHES

Lois Jane Munn	J. H. Bowe
Walter Wicks	Joe Fitzgerald
Roy Malone	Bruce Packard
Clinton Horlacker	Barney Wiggins

The production staff deserves a great deal of credit for their admirable work throughout the year. It would have been impossible for any play to have been a success without these people. There were over 75 people engaged in making each production. Besides the casts there were committees to take care of the business end of production, publicity, advertising, ushers and property men, staging, lighting and costuming. More interest has been shown in dramatics this year than ever before, other than from the standpoint of acting.

Miss McComb

TOP ROW, left to right: Bowen, Marsden, Graves, Jones, McComb, Stilson, Keane, Munn, McKee, Hahne.
SECOND ROW, left to right: Engleking, Barron, Waughtal, Malone, Thurber, Wicks, Samuelson, Schultz, Har.



The Miser

by Moliere

Harpagon	Harry Pulver
Cleante	F. G. Damuth
Elise, His Daughter	Margaret Datesman
Valere, his steward	Roy Malone
Mariane, a young girl	Margaret Adams
Anselme, a nobleman	A. V. Wiggins
Frosine, a woman of intrique	Lois Jane Munn
Master Simon, a broker	R. K. Hanke
Master Jacques	R. H. Ingalls
La Fleche, valet to Cleante	Gregory Thornton
Mistress Claude, a servant	Frances Jones
Brindavaine, lackey	J. C. Horlacher
La Merluche, lackey	G. E. Brogan
Police Magistrate	Wallace Barron

Scene: Paris, in Harpagon's house

Coached by Florence McComb

"The Miser," presented by the Public Speaking Department was written by Moilere, who is considered one of the master geniuses of comedy. He was the first great Modern to draw a true page of life. His works are true portrayals of the Louis XIV period.

This play concerns itself with Harpagon, the father, whose dreadful behavior nearly wrecks his family. The climax comes when he discovers the money in the casket has been stolen. The comedy comes to a sudden end by the appearance of Anselme, a wealthy nobleman who brings the story to a peaceful close.

"In The Next Room"

THE CAST

Parks	Dean Francis
Lorna	Marie Robins Giddens
Vantine	Herbert Engelking
Jim Godfrey	Paul Henson
Rogers	Rudolph Hanke
Monsieur Armand	Harold Asquith
Julia	Edith Hutchinson
Grady	George Smith
Simmons	Lloyd Marsden
Madame de Charriere	Grace Hudson
Morel	Harry Pulver
Colonel Piggott	Ray Smithers
Attendants	Clarence Samuelson, Frank Damuth

ACT I—Scene I—The study in Vantine's home, late afternoon.

Secen II—Same as Scene I, but one hour later.

ACT II—The drawing room in Vantine's home, two hours later.

ACT III—Same as Act II.

The intense and exciting mystery play "In the Next Room" was presented March twenty-fifth and twenty-sixth in the Catherine McKay auditorium. It is considered one of the most popular mystery productions and is well known on Broadway. The whole plot centers around the happening, "In the Next Room," which were full of suspense and were very successfully presented. The cast included twelve people, and twenty-four others worked on business, staging and properties.

"The First Year"

by Frank Craven

Presented by The Dramatic Club, Nov. 24 and 26, 1926.

Fred Livingston	John M. Thurber
Mrs. Fred Livingston	Margaret H. Herr
Grace Livingston	Frances C. Nuckolls
Dick Loring, Jr.	Lloyd E. Marsden
Thomas Tucker	John T. Ames
"Hattie"	Virginia Alexander
Peter Barstow	Robert Stilson
Mrs. Peter Barstow	Ann P. Foulke

ACT I. Training quarters—at the Livingston home. Reading, Ill.

ACT II. The Ringside—at Tommy's apartment, Joplin, Mo.

ACT III. The Knockout—at the Livingston home.

"The First year" was written by Frank Craven and is recognized as one of the best American Comedies. The play was first presented in 1920 at the Little Theatre in New York City, where it gained success.

The play opens in a small Illinois town with a young girl facing the problem of selecting the romantic or the dependable lover. Her decision places her in new surroundings where she combats the usual difficulties of married life in a different way. It is an exceptionally humorous play and from beginning to end is full of laughs.

"The Copperhead"

by A. E. Thomas

THE CAST

First Epoch

Joey Shanks	Kenneth L. Bullis
Grandma Perley	Verna Rader
Ma Shanks	Lois Jane Munn
Captain Hardy	Harold Fritzel
Milt Shanks	Edd. R. McKee
Mrs. Bates	Vida Secor
Sue Perley	Mary Nicholson
Lem Tollard	Frank Damuth
Newt Gillispie	Bruce Packard
Andrews	Leo. B. Allen
Sam Carter	Edgar F. Ardell

Additional characters in the Second Epoch

Madeline King	Marian Orchard
Philip Manning	Kentner Shell
Mrs. Manning	Barbara M. Dewell
Dr. Randall	Ernest W. Hoopes

First Epoch—1861—Synopsis.
Act I—The Dooryard of Milton Shanks.
Act II—The Same—Two years later.
Second Epoch—Forty years later.
Act III—The Dooryard of Milton Shanks.
Act IV—The living room.
Scene laid in Southern Illinois.

"The Copperhead," by A. E. Thomas, is a story of Civil War times which is based on the book, "The Glory of His Country," by F. M. Landys. The Copperheads, from which the play was named, was a northern organization that was in sympathy with the south. This play was the biggest undertaking of the Dramatic Club and required the most skillful characterization, lighting, properties and costumes possible. It was the best play produced during the entire year and was very difficult owing to the lapse of time between the two periods.. The play met with such success that it was repeated for the benefit of those who were unable to attend the first performance.

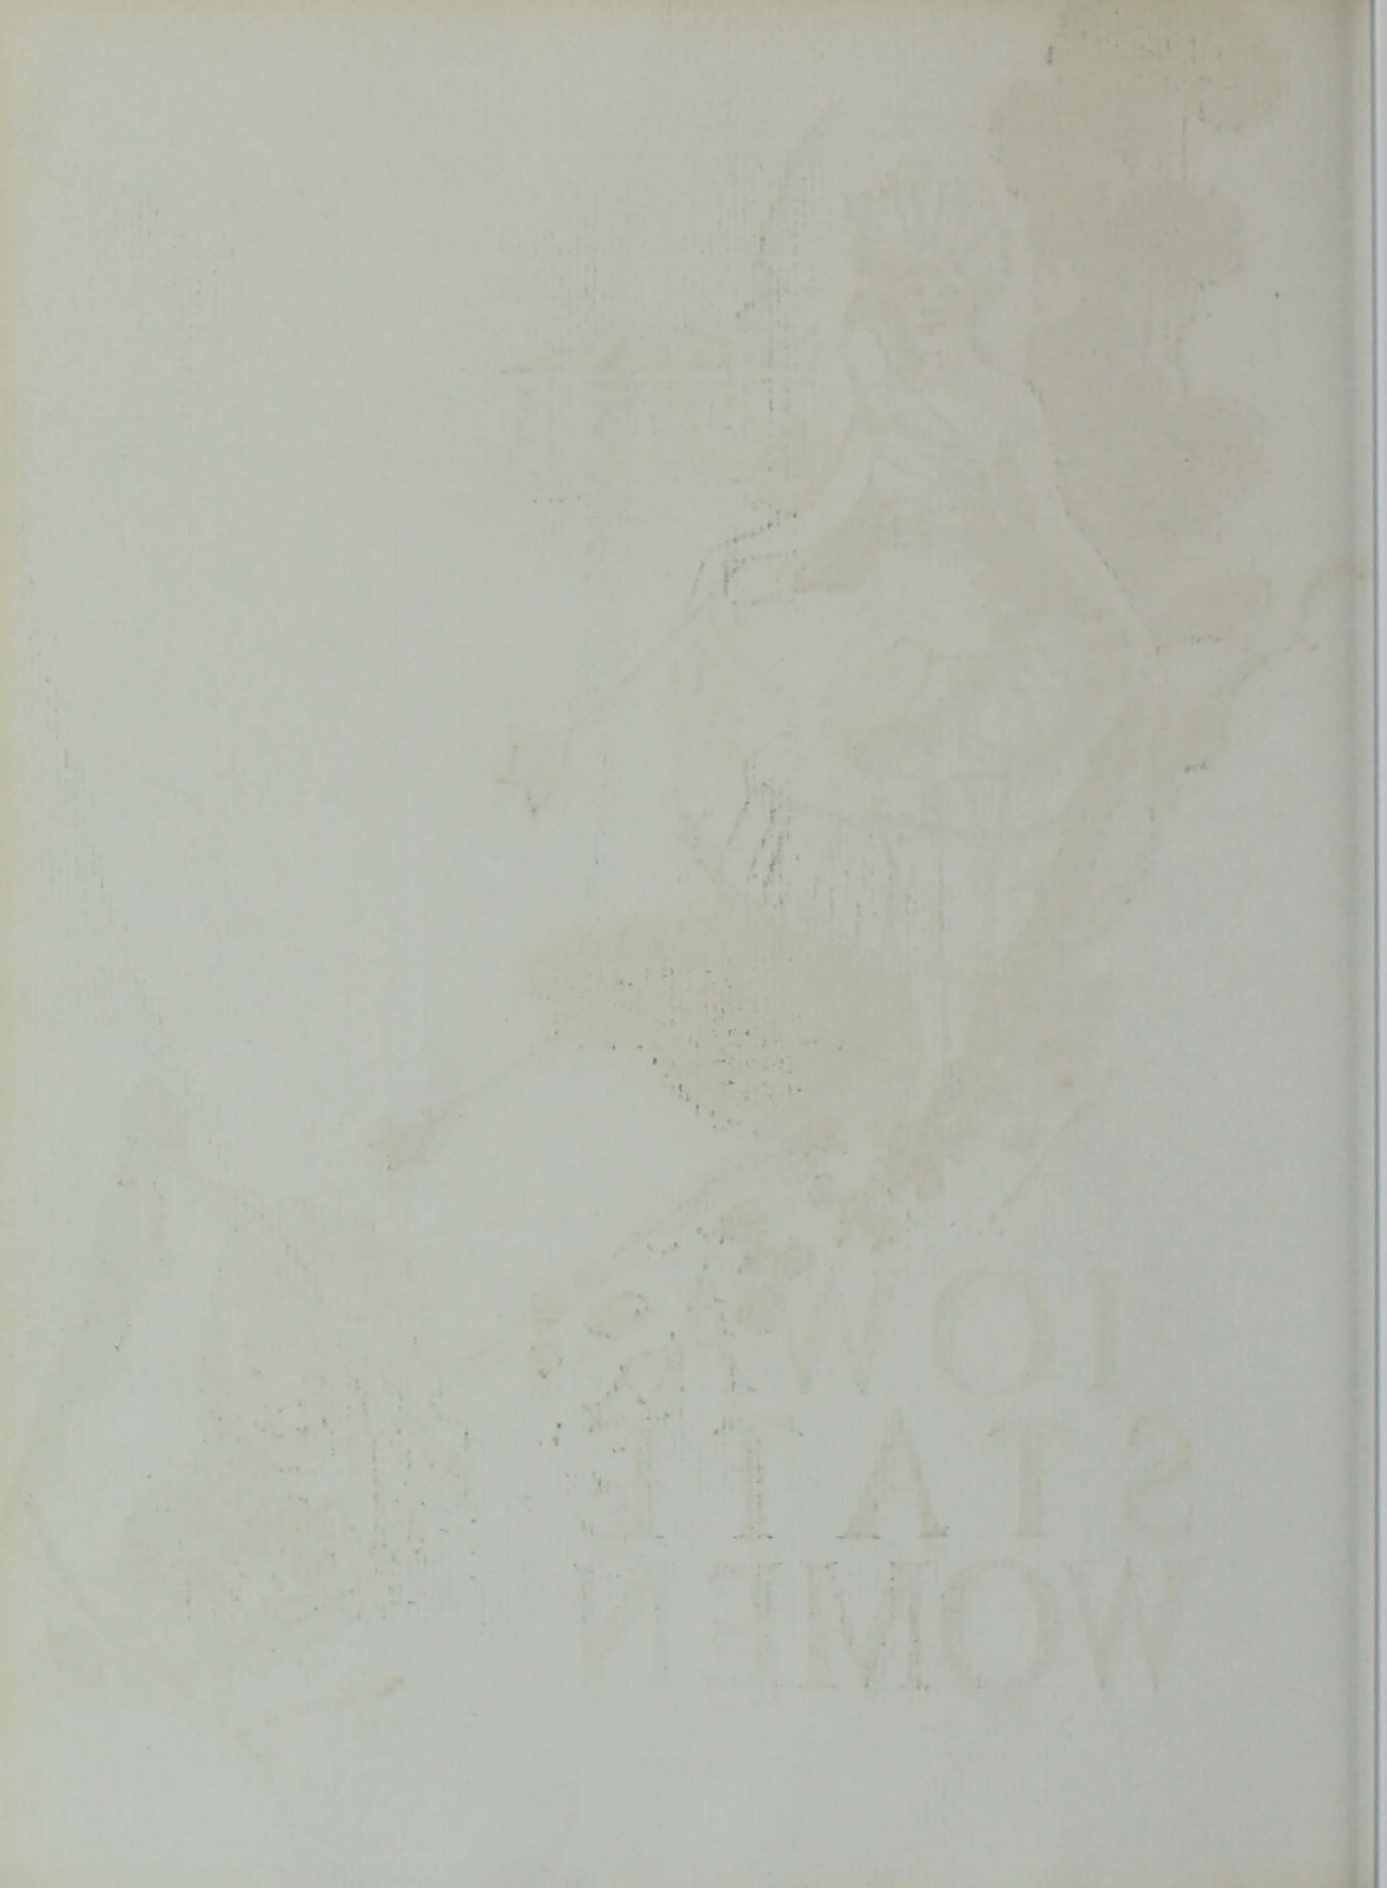
IOWA STATE WOMEN



WOMENS ATHLETICS

MISS WINIFRED TILDEN, *Coach*

Women's Athletics

The past few years has been accompanied by a remarkable growth in the Physical Education department of Iowa State College. With Miss Winifred Tilden and her splendid faculty working tirelessly for the promotion of the highest ideals of women in Physical Education, the department has a most promising future.

Good, active, enduring health is important not only for the individual's happiness but for the best success of every human enterprise. With this in mind the department has provided many splendid activities in order that every student may find her own happiness in participating in wholesome recreation. The activities have been chosen, too, with the view of developing leadership and initiative, strength and vitality, all of which go to make up an individual who will be capable and efficient and of some service to society.

TOP ROW: Hill, Fisher, Miller.
BOTTOM ROW: Maybury, Tilden, Shelby, Hinderman.

Women's Athletics

The Women's Athletic Council has for it's faculty advisor Miss Matilda Shelby, representative from the Physical Education department. Miss Shelby is coach of Track, Hockey, Basketball and Archery. Under her coaching, the Track team did some especially excellent work, making nine new Iowa State records in the Field Day Meet last spring.

The Women's Athletic Council is the governing body of W. A. A. It is comprised of four officers, ten Sport Heads, and a Publicity Manager who edits The Guide, the annual publication of W. A. A. This body passes on all business matters before they are presented to W. A. A. At the state convention of W. A. A. held at Iowa University in November, Iowa State had the largest representation with an attendance of seven members and Miss Shelby.

This fall, through the efforts of Miss Tilden, a new Field House was given to the Physical Education department which contains club rooms, lockers, offices, and an indoor track. Here, W. A. A. and the Council hold their meetings and entertainments.

Miss Matilda Shelby

TOP ROW, letf to right: M. Shelby, C. Dean, G. Hove, V. Blake, V. Alexander, W. Tilden.
SECOND ROW: G. Dawson, H. Newhard, B.Iler, A. Bush, S. Prahm.
BOTTOM ROW: A. Niemoller, M. Proctor, V. Kelley, V. Secor, M. Cleghorn, E. Winton.

VARSITY HOCKEY TEAM

Left to right: E. Winton, M. Payne, E. Gamble, V. Alexander, G. Parker, V. Kelley, D. Bone, B. Iler, G. Dawson, H. Fry.

THE SENIOR TEAM

Hockey

With over one hundred girls out for Hockey this Fall, the field and coaches were kept exceedingly busy.

Tournament week was set late in the quarter, with four class teams competing for honors. The sophomores won first place, the Juniors second, while the Seniors came in a close third.

From these four competing teams the honorary Varsity and Second Varsity were picked.

MISS MATILDA SHELBY, Coach

THE WINNING SOPHOMORE TEAM

TOP ROW, left to right: B. Sharbondy, R. Rolls, H. Newhard, M. J. Varran, F. Jones.
BOTTOM ROW: S. Prahm, C. Deane, H. Goeppinger, F. Winton.

Archery

Archery in the fall was conducted on individual scores. Record was kept of scores throughout the practices and at the end of the season a tournament was held for the archery squad. The grand total of the points made together with the tournament score was then taken. The results were as follows.

Thelma Sprague, 349 points.
Arlene Felingham, 246 points.
Helen Smith, 217 points.
Frances Cole, 207 points.
Reba Rolls, 182 points.

THE HIKERS

Hiking

Hiking was started as a W. A. W. sport last spring, and proved to be very popular throughout the season. Hikes of five miles in length were required of members of the hiking team. Hiking has called a greater number of girls than any other sport, the finishing team being composed of about twenty girls. This sport is offered in the fall and the spring, and although it is but new, it is perhaps one of the most popular sports. The girls finishing the final hike that of ten miles receive 100 points.

Advanced Dancing

Although dancing is no longer offered as a W. A. A. sport, it still fills an important place in the Physical Education department.

Any girl is eligible for advanced dancing who has satisfactorily passed the required number of hours in dancing offered as preliminary work.

This dancing team is composed of girls who have for the past year had leading dancing parts in most of the choruses for The Hec Vodvil and Veishea.

Miss Madge Hill, physical education instructor, is the coach of the advanced dancing team.

Members of the advanced dancing team are as follows:

Betty Barker
Vida Secor
Margaret Taylor
Beryl Spinney
Marcella Alton
Helen Holloway

Miss Madge Hill

THE WINNING JUNIOR TEAM

Basketball

Basketball had its usual quota of girls this winter with probably an additional few in the freshmen class. Steady practicing continued throughout the season under Miss Shelby with the result that four equally matched teams were lined up for tournament week.

A color tournament was played off before the final tournament to facilitate team selection. A round Robin tournament followed in which the Junior team came out victorious winning every game. Sophomores ran in a close second with the seniors taking third. Points were given to the teams in the order of places. Five to the winner, three to second place and one to third.

JUNIOR TEAM

H. Kallenberg, V. Alexander, H. Fry, S. M. Peterson, B. Marsden, W. Migbell, H. Smith.

SOPHOMORE TEAM

TOP ROW: L. Whitmer, E. Rohr, G. Hove, M. Farsworth, F. Hibbs.

BOTTOM ROW: J. Stone, B. Iler, H. Newhard, M. Hoskins, G. Dawson.

BOTTOM ROW: N. Gleason, L. Bondhus.

FRESHMAN TEAM

TOP ROW: E. Rasmussen, R. Bell, M. Beeler, E. Owens,

BOTTOM: H. Harrison, H. Delay, E. Ward, F. Rodgers, R. Davis.

MISS MATILDA SHELBY, *Coach*

The Winning Freshman Team

Swimming

Swimming was conducted winter quarter as a team sport. The presence of Henry W. Longfellow, National Chairman of Red Cross Life Saving, and Jake Daubert, coach, as judges at the final meet created an unusual excitement. Besides the usual events, a stunt was added to entertain the onlookers. Points were given to the winner of the stunt. The winning team was the Freshmen, with the Sophomores second, Juniors third and Seniors fourth.

Under the coaching of Miss Elizabeth Maybury, excellent time records were made in all events.

SWIMMING TEAMS

The Naiad

HONORARY SWIMMING TEAM

To all girls who have made an excellent rating in swimming meets, and who hae passed off their Life Saving Test there is an additional honor in the form of Naiad.

The members of Naiad are as follows:

M. Cleghorn. E. Winton, M. Proctor, S. Prahm, Miss E. Maybury, V. Alexander.

Red Cross Life Saving

Red Cross Life Saving is offered in the fall and in the spring to all girls wishing to win the Red Cross Emblem. After passing the required tests the girls are entitled to wear the emblem signifying their ability to be Red Cross Life Savers. The following girls passed their Red Cross Life Saving Test:

Dorothea Sulzbach
Marguerite Baker
Margaret Brown
Charlotte Deane
Eunice Weis
Miriam Meyer
Geraldine Moe
Helen Ann Thomas
Marian Vittum

Volley Ball

Volley Ball was offered for the first time winter quarter. A court was planned in the field House, and with an unusual number of girls out for the sport it progressed rapidly. Such enthusiasm was shown for the sport that it was introduced into Intramural.

The Freshmen played with their usual eagerness and intensity and defeated the other teams, thus winning the tournament. The Sophomores held their record by placing second.

FRESHMAN TEAM

E. Lamuth. H. Alm. F. Rodgers. G. Jones. R. Manhall. E. McCracken. Whannel. W. Keil.

JUNIOR TEAM

TOP ROW:A. Kallenberg. S. M. Peterson. W. Kenefic

VARSITY TRACK TEAM

TOP ROW, left to right: G. Dawson, E. Winton, L. Rosenfeld, H. Newhard.
V. Alexander, A. Niemoller, I. Foster.

Track

Spring track found the field filled with ambitious girls eager to make records for themselves and their class. No amount of hot weather decreased the number. Practices continued quite zealously until the arrival of Field day. The Freshmen ran away with first honors, with the Sophomores coming in a close second, while the Seniors took third.

Horseshoe Pitching

Horseshoe pitching in the fall was conducted as an individual sport. Although the weather played false most of the time, the practices were continued on an improvised court in the Field House. The winners of the tournament was Anne Niemoller; runner-up, Harriet King, Sophomore. Alice Kirchoff, as manager, also came close on the final score.

Baseball

W. A. A. Baseball, under Miss Winifred Tilden as coach, adopted this year both new rules and a new ball. Heretofore, W. A. A. has sponsored the hard ball, but with the coming of the new season the 9-inch seam soft ball was recommended. With this adoption a faster and better game was played. The Sophomores upheld their traditional honors by winning for the second time the coveted first place. The Juniors took second. From the four classes the outstanding players were picked for the Varsity team.

SOPHOMORE TENNIS TEAM

MARGARET DAVIDSON GLADYS DAWSON HELEN NEWHARD
MARGARET HOSKINS

Tennis

Fall tennis this year brougnt forth unusual interest among the girls. With heavy snows outside, the teams were forced to seek the indoors for the completion of their tournament.

Courts were made inside the Armory with the result that the Sophomores ran off with high honors by defeating the Senior team, and thus winning 2½ points. The Juniors, with no doubles entry, had to appease themselves with a single victory over the Sophomores, leaving the Seniors to a third place.

Soccer

Soccer, since its first arrival into the W. A. A. has been most successful in its number of followers. The tournament was played off at the end of Spring quarter, and with beautiful spring weather favoring every game, both players and onlookers entered into the game with enthusiasm. The Freshmen won first place.

Intramural

Intramural has progressed in leaps and bounds under the supervision of W. A. A. With the announcement of tournaments almost every house and hall has responded to the intramural call.

Last spring two intramural sports were offered: horseshoe pitching and basball. After exciting tournaments the final day arrived when South Hall received the first place in horseshoe pitching, Pi Beta Phi the first in baseball, and Margaret Hall first in tennis. Silver traveling cups were awarded the winners.

Fall quarter, and W. A. A. offered Intramural Swimming which resulted in a second victory for the Pi Beta Phis with a score of 21, while Elm Lodge came close with 19. Excellent time records were made by the winners of most of the events. Those placing first are as follows:

40 Yard Event.

Front Crawl: V. Alexander, Pi Beta Phi, 28 min.
Breast Stroke: Garnette, South Hall, Form.
Free Style: V. Alexander, Pi Beta Phi, 28 min.
Side Stroke: H. Herring, South Hall, Form.
Diving: J. Du Mont, Oak Lodge.
Back Stroke: S. Prahm, Chi Omega, Form.
Inverted Crawl: D. Sulzbach, Birch Hall, 23½ min.
Stunt: Pi Beta Phi.

Volley Ball intramural followed in winter quarter. While the stormy weather raged outside, a stormier tournament was staged in the Field House. Elm Lodge and Alpha Delta Pi met in the final clash, with Elm Lodge as victors.

WINNERS OF FIRST PLACE

S. Prahm, J. Dumont, D. Sulzbach, V. Garnette, H. Herring.

PI BETA PHI TEAM

V. Alexander, J. Archer, H. Kallenberg, V. Secor, F. Butcher.

MISS HINDERMAN, *Coach*

Women's "A" Fraternity

All girls who have won their 1000 points in W. A. A. are entitled to wear the official "A". This is a recognition of ability in athletics, good sportsmanship, and leadership. Miss Winifred Tilden, Physical Education director, and Miss Matilda Shelby are honorary members.

The primary purpose of W. S. G. A. is to co-operate with the faculty in solving problems of government for women students. Another purpose of W. S. G. A. is to support college activities, especially those in which women are interested. W. S. G. A. is an open forum for the women student body when problems are discussed. Every woman in college has the opportunity of becoming a member upon paying the small annual dues. W. S. G. A. is a member of the National College Women's Student Governing Association to whose conventions, held annually are sent the incoming and outgoing presidents.

Phi Upsilon Omicron, national Professional Home Economics fraternity was established in 1909 at the University of Minnesota. The chapter was installed at Iowa State June 6, 1926.

The purpose of the organization is to establish and strengthen bonds of friendship, promote the moral and intellectual development of its members, and to advance and upbuild Home Economics.

Election to membership is in the upper two-fifths of the Junior and Senior class, with qualifications as follows:

1. What is her professional attitude?
2. In what activities has she taken part?
3. Qualities of leadership and ability to cooperate as shown by activities.
4. Has she a spirit of service?
5. Does she show judgment and reliability?
6. Has she qualities indicating force in the professional world and community in which she may reside?

Sigma Alpha Iota Musical Fraternity was founded in 1903 at Ann Arbor, Michigan.

Lambda Mu, local musical honorary fraternity, organized in 1923, was installed as Sigma Lambda chapter of Sigma Alpha Iota, June 12, 1925.

The purposes of the fraternity are to stimulate interest in music; to recognize and reward musical ability; and to promote friendship among musicians.

Members are chosen among those who have taken active part and shown interest and special ability in the various musical organizations of Iowa State College.

TOP ROW, left to right: Ruth Miller, Elizabeth Johnson, Marjorie Price, Mrs. E. C. Volz, Mrs. Tolbert MacRae, Estella Sill

OFFICERS FOR YEAR

MABLE BLOM ..... *President*
BEULAH RODGERS ..... *Vice-President*
ANITA ANDREWS ..... *Secretary*
CLARA BLIZEK ..... *Treasurer*

VIRGINIA BUCK
Chairman of Catherine MacKay Memorial Loan Fund

The Home Economics Club was organized to unify the efforts of the girls of the Division and to stimulate their interest in Home Economics. The membership is about four hundred fifty. The Club is affiliated with the Iowa and American Home Economics Associations, to which delegates are sent each year.

Beside the General Club, there are three sections for the special interests of the members: the Vocational Education Section; the Graduate section, open to all graduate women on the campus; and the Freshmhan Section for Freshmen Home Economics students. The Graduate and Freshman Sections were formed during the past year to better meet the needs of these two groups of students.

The Club carries on all the general activities of Home Economics students. The Home Economics Club picnic in the fall, the Home Economics Vodvil, divisional Open House at Veishea, the Iowa Homemaker, and contributions to the Catherine MacKay Memorial Loan Fund, the Ellen H. Richards Fund, Constantinople Women's College, and a gift to the new Home Economics Hall are activities of the Club.

ORGANIZATIONS

FRATERNITIES

Interfraternity Council

The Interfraternity Council of Iowa State College is composed of one representative from each subscribing chapter of the general national fraternities of Iowa State College and two representatives of the faculty committee on fraternities.

The objects of this council are: to provide an organization representing the general national fraternities of Iowa State college, through which all matters affecting them shall be handled and to study the various campus fraternity problems, initiating and fostering whatever tends toward the best growth and development of the fraternity system. Furthermore it subscribes closely to the rules and recommendations of the National Interfraternity Council.

Seniors

Lawrence Travers — Charles Conaway
George B. Sauer — Harvey P. Benson
Theodore Marshall — William K. Evans
Laverne N. Gill — Wesley Smith

Juniors

William O. Watson

Sophomores

James E. Walmsley — John Parsons
Lyle Connolly

PLEDGES

Clarence Lied — Raymond S. Farran
William Pinne — Eldon Halderman
Cleo Cowell — John Campbell
Robert Jenkins — John Hull
William Morris — Wilfred Barber
Kenneth Garrison — Victor Brucher
Robert Duncan — Harry Conn
Ivan Reiss — Don Collentine
Raymond Riedesel — Robert Larson
Robert Phillips — Clifford Clifton
Robert Johnson — Matt Parrott
George Thul

TOP ROW: Hull, Marshall, Collentine, Riess, Larson, Garrison, Lockwood, Barber.
SECOND ROW: Parrott, Travers, Halderman, Duncan, Parsons, Conway, Cowell, Connolly, Brucher.
THIRD ROW: Pinne, Smith, Conn, Walmsley, Lieds, Gill, Farran, Johnston, Jenkins.
FOURTH ROW: Evans, Morris, Bauer, Clifton, Bliss, Watson, Thul, Riedesel.

Pi Kappa Alpha

MEMBERS IN FACULTY

DR. W. H. STEVENSON — EARL WEAVER
H. H. SUNDERLIN — O. E. OVERSETH
CAPT. O. H. DIXON

Seniors

J. H. BOWEN — FRANK MOSER
C. A. FAUST — L. G. WITMER

Juniors

HAROLD T. BANGS — REUBEN B. SHELDAHL

Sophomores

ROBERT BISHOP — D. S. FRANCIS
EDGAR W. JUNKER — KARL MICHEL
D. K. GEORGE

PLEDGES

DWIGHT CLARK — LLOYD KNIGHT
CLIFFORD HARDIE — CLARENCE MOON
LLOYD JONES — CLARENCE SINGMASTER
LOUIS JUDISCH — K. J. SHAW
PAUL KUHL — CHRIS THIMM
JAY VANDELJOE

Founded at University of Virginia, 1868. Seventy chapters. Publication—"Shield and Diamond."

Alpha Phi chapter established 1913. Organized as Gamma Theta at I. S. C., 1909.

TOP ROW: Michel, Judisch, Bangs, Moon, Singmaster, Moser, Hardie, Helming, Sunderlin.
SECOND ROW: Francis, Knight, Clarke, Faust, Weaver, Jones, Bowen, George.
THIRD ROW: Shaw, Overseth, Bishop, Vendelboe, Capt. Dixon, Thimm, Kuhl, Witmer, Junker.

Sigma Alpha Epsilon

Founded, Tuscaloosa, Alabama, 1856. Ninety six active chapters. Publication—"The Record."

Iowa Gamma chapter established, 1905. Organized at I. S. C. as the Dragon Club, 1900. 2717 West Street.

MEMBERS IN FACULTY

G. W. Burke — C. A. Iverson
W. F. Coover — C. D. Rice
Adolph Shane

GRADUATE MEMBERS

Bernard King — D. Thermohlen

Seniors

David Hansen — Robert S. Quig
Leo M. Henry — John L. Rasmess
Chester D. Lee — Louis K. Thompson

Juniors

Milton E. Held — Edward P. Lohmann
Robert W. Lamson — Elgin A. Johnson
Frank J. Reynolds

Sophomores

Burdette G. Collin — John W. Kulp
Homer E. Grimm — Russell P. White

PLEDGES

Ralph L. Acklin — Gerald W. Humphrey
Oliver A. Anderson — Fred J. Kling
Donald A. Austin — Kurt H. Leemhuis
Raymond J. Becker — Frances C. Morrissey
Vernon S. Hall — Howard D. Perry
Clarence R. Hemphill — Russell E. Pogemiller
Roger G. Holm — James H. Radabaugh
Allen M. Holman — Maynard B. Vifquain

TOP ROW: White, Perry, Buck, Holm, Radabaugh, King, Rasmess, Vifquain.
SECOND ROW: Morrissey, Becker, Holman, Austin, Grimm, Henry, Hall, Kling, Lohmann
THIRD ROW: Humphrey, Acklin, Held, Leemhuis, Rice, Hemphill, Anderson, Pogemiller, Kulp, Quig.
FOURTH ROW: Thompson, Hansen, Johnson, Thermohlen, Lee, Iversno, Collin, Reynolds, Lamson.

Sigma Nu

MEMBERS IN FACULTY

D. L. Boyd — I. A. Merchant
H. T. Ross — J. R. Fitzsimmons
O. L. Osburn — Gordon C. Hutchings
R. A. Moyer

Seniors

Malcolm J. Hepburn — Robert W. Thomas
John O. Warren

Juniors

R. R. Caldwell — Harold E. Swanson
George V. Jeck — Lawrence B. Hutson
John Loran Thorngren

Sophomores

Glenn A. Berryman — George L. Irvine
Maurice A. Hall — Gerrit H. Wormhoudt
John L. Haynes — Cletus F. Trailer

PLEDGES

Frank O. Albertson — Kenneth W. Hull
William Ausland — Bernard C. Lowe
Paul Best — Theodore C. Newell
Daniel B. Brindley — Leo McGlade
G. Roderic Cless — James D. Shea
Clarence W. Dayhoff — Arthur J. Sibley
August F. Diehn — Lawrence B. Smith
Lawrence W. Murray — Robert R. Smith
Walter W. Flynn — Robert R. Thompson
Albert W. Hancock — C. Burton Oliver
Robert R. Hicks — Clifford N. Anderson
J. W. Blythe

Sigma Nu was founded at Virginia Military Institute, 1869. Ninety active chapters. Publication—"The Delta."

Gamma Sigma chapter installed at Iowa State College, April 13, 1904. 2132 Sunset Drive.

TOP ROW: Shea, Wormhoudt, Haynes, Caldwell, Murray, Dayhoff, Ausland, Diehm.
SECOND ROW: Albertson, Hepburn, Thomas, Anderson, Trailer, Berryman, Hull, Newell, McGlade.
THIRD ROW: Thompson, Hutson, Warren, Swanson, Best, Blythe, Hicks, Lowe, Cless.
FOURTH ROW: Hall, Oliver, Davis, Brindley, Irvine, Thorngren, Jeck, Flynn.

Sigma Pi

Founded at Vincennes University, Indiana, 1897. Twenty-seven active chapters. Publication—"The Emerald."

Sigma chapter established 1922. Organized at Iowa State College as Lambda Sigma Phi, 1914. 214 Hyland Avenue.

MEMBERS IN FACULTY

W. L. Foster — J. G. Jenkins
E. M. Mervine — A. W. Ralston

GRADUATE MEMBERS

J. W. Johnson — F. W. Wesco
J. William West — Fred Van Doorninck

ACTIVE MEMBERS

Seniors

Marshall R. Drew — Frederic A. Lyman
Everett L. Gensicke — Roscoe Marsden
Ivan M. Hays — Raymond G. Vawter

Juniors

Lawrence Battey — Lloyd E. Marsden
Rollin A. Bonnell — Percy A. Millard
Ellis B. Clough — Ralph E. Pim
Ralph R. Connelly — Raymond Samuelson
Donald D. Gerling — Clarence Samuelson

Sophomores

Carl Baumhoefner — Lawrence E. Moller
Arden D. Reynolds

PLEDGES

Arthur H. Bowman — Reuben C. Lutter
Orville Drennan — Argus McConaughy
Grant Everhart — John Moore
Clyde Erickson — Arnold Nordgren
Calvin N. Friday — Clement Parks
Lawrence E. Fritchie — Sylvan Runkel
Lawrence Hansen — Cecil Saddoris
Ercil Hunt — J. Potter Smith
Hugh A. Linn — Glenn Woods
Peter E. Wassenaar

TOP ROW, left to right: C. Samuelson, Van Doorninck, Friday, Clough, Wassenaar, Battey, Sanders, Nordgren, Bowman.
SECOND ROW, left to right: Gerling, Smith, Vawter, Drennan, Reynolds, Hansen, Pim, Moller, L. Marsden, Runkel.
THIRD ROW, left to right: Drew, Mervine, Connelly, Millard, Everhart, Erickson, Saddoris, Linn, Lutter.
FOURTH ROW, left to right, Parks, Fritchie, Lyman, Woods, R. Samuelson, R. Marsden, Gensicke, Baumhoefener.

Sigma Phi Epsilon

MEMBERS IN FACULTY

C. C. Culbertson — B. S. Willis

GRADUATE MEMBERS

Albert I. Mann

ACTIVE MEMBERS

Seniors

Kenneth E. Fry — Arthur J. Huber
Harold F. Kroeger — Carl R. Sandberg

Juniors

Karl A. Bergdahl — Henry J. Poston
Carroll F. Garland — Carl J. Schwarzer
Charles F. Murray — Paul J. Siegel

PLEDGES

Theodore Skiff — B. Lee Norton
Elmer E. Adams — Gilbert B. Hay
Harold Hunzinger — Joseph J. Rogers
Jack O. Appleby — Kenneth L. Hill
Howard W. Lang — Edward Mangold
Virgil Cherrington — Curtiss Engberg
Aaron Mansheim — Carl Schneider
Jess Cole — Ernest Willis
Willis Birchard — George Schweitzer
Victor Flickinger — Archie Stuteville
Newton McKenney — Elmer Winegardner
Henry Johnson — Byron Leake
Kenneth R. Frederickson

Founded. November, 1901. Fifty-four active chapters. Publication—The Chronicle.

Iowa Beta chapter established. 1916. 407 Welch Avenue.

TOP ROW: Schweitzer, Frederickson, Lang, Garland, Mann, Willis, Mangold.
SECOND ROW: Sanderg, Kroeger, Huber, Cherrington, Fry, Murray, Bergdahl.
THIRD ROW: Willis, Norton, Skiff, Winegartner, Adams, Rodgers, Appleby, Poston.
FOURTH ROW: McKinney, Schwartzer, Stuteville, Siegel, Hunzinger, Hill, Hay.

Sigma Chi

Founded, Miami University, Oxford, Ohio, 1855. Eighty-seven chapters. Publication—"Magazine of Sigma Chi."

Beta Omicron chapter was installed on November 11, 1916.

MEMBERS IN FACULTY

TOP ROW, left to right: Nagle, Williams, Fitzgerald, Mosbach, Gretter, Todd, Umhoefer, Grier, Worley.

SECOND ROW, left to right: C. Kennedy, Miclot, McDonough, Brennan, Webber, Fahey, Elving, E. Kennedy.

THIRD ROW, left to right: Thomas, Bell, Jordan, Wegener, Wagner, Selman, Parlasca, Scholtes, Azinger.

Phi Kappa Psi

MEMBERS IN FACULTY

Lt. Fred B. Lyle — J. D. Smith, Jr.
Dr. Verl A. Ruth, (Hospital Staff)

ACTIVE MEMBERS

Class of 1927

Lewis B. Pierce — Claude V. McBroom
Ralph E. Nichols — Jack F. Casey
Charles E. Hartford — Harold T. Myers

Class of 1928

Harold W. Lomax — Ralph M. Treadwell
Harold D. Jones — John S. Crary
Rundell W. Kelley — Milton C. Nelson
Quincy E. Thornburg — Gilbert T. Keefer

Class of 1929

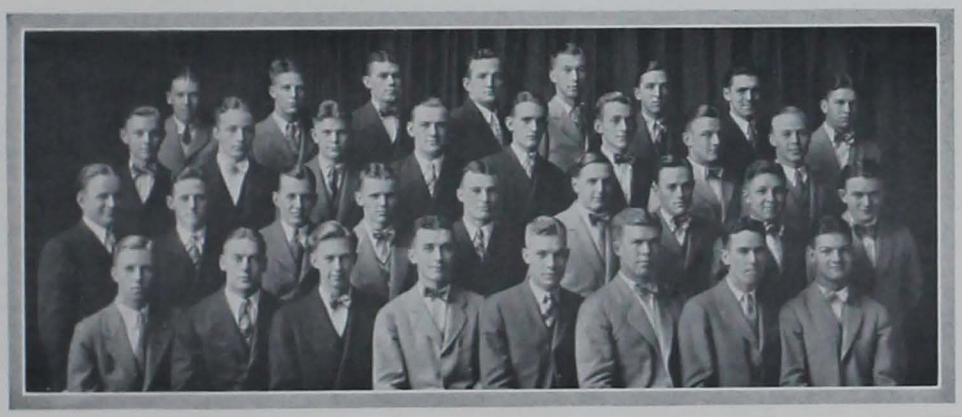
Clifford P. Hougland — Morrow A. Sweeney
Benjamin K. Pospishil — Leonard J. Lessenich
Harold A. Putnam — William B. Hartford

PLEDGES

Guerdon W. Archer — Earl D. Smith
George H. Lieser — A. J. Graves
Harley B. Wilcox — Dudley R. Baldridge
Paul Howe — Earnest G. McFarland
Gilbert F. Dufour — Robert J. Rosebraugh
Hilbert B. Andrews — W. Harold Jameson
Melvin D. Elliott

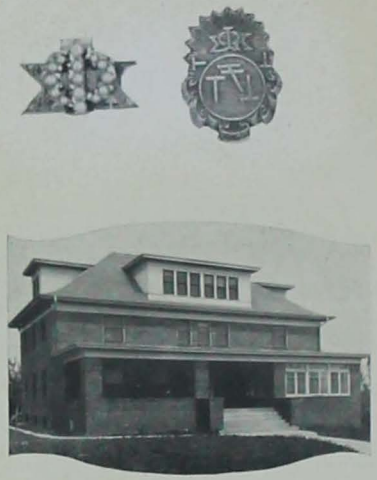
Founded, Washington and Jefferson College, 1852. Forty-eight active chapters. Publication—The Shield.

Iowa Beta Chapter established 1867, re-established 1913. Organized at Iowa State as Ozark, 1907. 316 Lynn Avenue.



TOP ROW: Paul Howe, Quincy E. Thornburg, Ralph E. Nichols, George H. Lieser, Harley B. Wilcox, Hilbert B. Andrews, Gilbert T. Keefer, Harold A. Putnam.
SECOND ROW: Clifford F. Hougland, Earl D. Smith, Gilbert, F. Dufour, Melvin D. Elliott, Guerdon W. Archer, Earnest G. McFarland, Morrow A. Sweeney, Rundell W. Kelley.
THIRD ROW: Claude V. McBroom, Charles E. Hartford, Harold W. Lomax, Robert J. Rosebraugh, John S. Crary, Benjamin K. Pospishil, Willis G. Hartford, W. Harold Jameson, Harold D. Jones.
FOURTH ROW: A. J. Graves, Harold T. Myers, Dudley R. Baldridge, Lewis B. Pierce, Milton C. Nelson, Ralph M. Treadwell, Jack F. Casey, Leonard J. Lessenich.

Phi Sigma Kappa



Founded Amherst, Massachusetts, 1873. Forty-six Active Chapters. Publication—The Signet.

This is the Gamma Deuteron chapter established 1911. Organized at Iowa State as Zeta Sigma Zeta, in 1908. 142 Gray Avenue.

MEMBERS IN FACULTY

E. F. Graff — B. W. Hammer

Seniors

Forrest A. Beemer — Glen L. Imlay
Robert J. Fisher — Miles M. Miller
Homer M. Tostlebe

Juniors

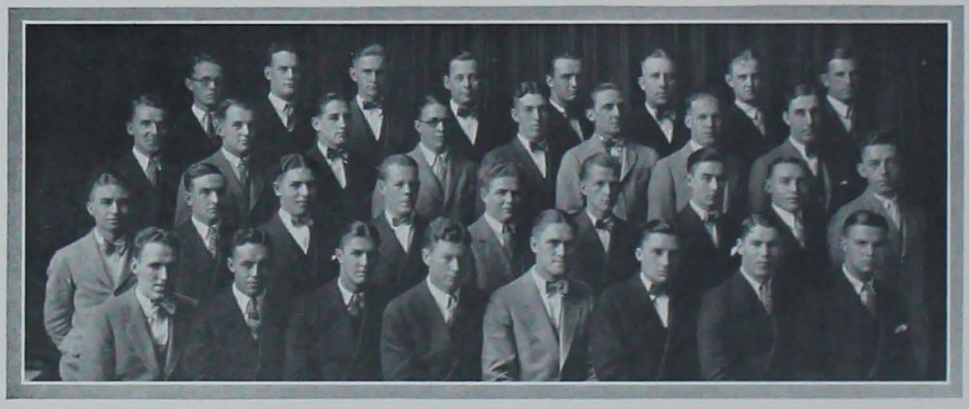
Ralph O. Bishel — John H. Darnall
Ira H. Jones

Sophomores

Howard A. Brown — Russell Law
Randall Ewalt — George E. Mann
Carl R. Gustafson — Gilbert G. Myers

PLEDGES

Robert M. Baird — Alf M. Kirkeberg
Arden Bauck — Leroy J. Markham
Howard E. Earl — George R. Wood
Orville N. Eckstein — Carl M. Morris
Carr McGinnis — Charles Osgood
Orvald J. Hanson — Reed W. Pigman
Oran J. Wyland — LaMoine E. Price
Lyle Haverly — Russell Wicks
Gerald L. Johnson — Fred N. Smith
Lionel Johnston — Ralph W. Williams



TOP ROW, left to right: Hanson, Kirkeberg, Brown, Myers, McGinnis, Haverly, Johnson, Fisher.
SECOND ROW, left to right: Jones, Beemer, Eckstein, Williams, Baird, Wicks, Morris, Smith.
THIRD ROW, left to right: Imlay, Pigman, Mann, Law, Wood, Gustafson, Price, Osgood, Bishel.
FOURTH ROW, left to right: Earl, Darnall, Wyland, Ewalt, Tostlebe, Bauck, Johnston, Markham.

Chi Phi

MEMBERS IN FACULTY

A. L. Bakke — V. C. Fisk
H. H. Flagge — J. C. Schilletter

ACTIVE MEMBERS

Seniors

Leslie E. Thayer — Charles T. Norton
Gould H. Ayres — Norman E. Brown
J. Clinton Horlacher

Juniors

James E. Ayres — Lloyd R. Bock
Cecil S. Shaler — John I. Leach
Clair V. Grooms — Martin F. Jordan
Phillip E. Gissal

Sophomores

Roy W. Olson — John T. Ames
Robert J. Cornelison — John H. Boyd
Fred J. Ludwig — Richard O. Jensen

PLEDGES

Wade R. Willey — Donald M. Whittaker
Arnold J. Johnson — Herbert J. Donners
Ralph E. Spaans — William L. Senn
Cecil W. Broughton — Norman K. Hopp
Ditzler R. King — Burdette C. Pilcher
Charles L. Morrill — Dan J. Cherry
Louis J. Risch — Paul D. Vermilya

Founded at Princeton, New Jersey, 1824. Twenty-nine chapters. Pi chapter established, 1922.

Organized at Iowa State as Lambda Tau Alpha, 2116 Lincoln Way. Publication—The Chi Phi Chakett.

TOP ROW, left to right: Johnson, Spaans, Thayer, Broughton, Cornelison, Ludwig, Ames.
SECOND ROW, left to right: Schilletter, Jordan, Boyd, Bock, King, Willey, Morrill, Horlacher.
THIRD ROW, left to right: Grooms, Risch, Whittaker, Donner, Senn, Hopp, Brown, Pilcher, Gissal.
FOURTH ROW, left to right: Cherry, Jensen, G. Ayres, Olson, Norton, Shaler, J. Ayres, Vermilya.

Delta Sigma Phi

Founded at the College of the City of New York, 1899. Forty-three active chapters. This is the Beta Alpha chapter established 1927. Organized at Iowa State as El Paso.

GRADUATE MEMBERS

Robert E. Fothergill

ACTIVE MEMBERS

Seniors

Philip M. Earhart — Burtis L. Fayram
Lewis L. Falck — Willett J. McCourtney
David B. Gearhart — Harold R. George
Earnest W. Hoopes

Juniors

Gerald H. Griswold — Glenn H. Voss
Clarence R. Hendrickson — Rex E. Ruch
R. Dean Holtz — Alfred F. Sigwalt

Sophomores

Henry M. Black — G. Gale Ensign
Raymond A. Engel — H. Dwight Werts
Standley M. White

PLEDGES

Albert L. Barker — Donald D. Giles
Robert B. Brownlee — J. Harold Good
Richard F. Burns — Max L. Mount
Burr W. Cannam — Lewis Petrak
Burton W. Dutton — Lloyd S. Qualley
Gaylord S. Eige — Alfred H. Schmalfeldt
J. Edward Filip — Floyd R. Simpson

TOP ROW, left to right: Falck, Holtz, Simpson, Cannan, Hendrickson, Engel, Burns, Good.
SECOND ROW, left to right: Sigwalt, Barker, Ruch, Gearhart, Earhart, Eige, Black, Ensign.
THIRD ROW, left to right: Filip, Wertz, Griswold, Qualley, George, Hoopes, Dutton, White.

Farmhouse

MEMBERS IN FACULTY

J. C. Holbert — Robert I. Simpson
W. V. Lambert — John M. Shaw
H. W. Richey — R. L. Watkins
Albert Mighell

GRADUATE MEMBERS

John E. Norton — Willard J. Grove

Seniors

Orville T. Carlson — Kenneth E. King
Kenneth W. Cash — Dwight M. Seath
Walter P. Cropley — Harold Wilcke
Wallace C. DeLong — Ernest M. Wright
Harlan W. Girton — William K. Zimmerman
Fred G. Harbaugh

Juniors

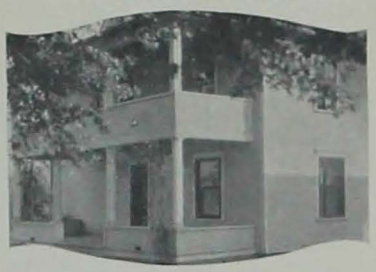
Delbert F. Breazeale — Benjamin Nannen
Ejner Fabricius — Howard Mathews
William Kohlmeyer — Gilmore Lindgren

Sophomores

Earl D. Anderson — Paul A. Goeser
Myron C. Aultfather — Charles Griffin, Jr.
Walter F. Buchholtz — Ralph W. Held
Ralph S. Farmer — Vernon Shepard
William J. Turner

PLEDGES

Roy B. Babb — Elton King
Glenn G. Briggs — Carroll Plager
Harry L. Bryson — Samuel B. McCreight
Russell M. Smith — Archie R. Peterson
James Williams — Howard A. Klinetop
Everett L. Shoemaker



Founded. University of Missouri, 1905. Six active chapters. Publication—"The Farmhouse Record."

Iowa Chapter organized as Lanthus, 1923, made national 1927.

TOP ROW, left to right: Cash, King, Aultfather, Peterson, Grove, Bucholtz, Holbert.
SECOND ROW, left to right: Anderson, Wilcke, Shepard, Carlson, Cropley, Turner, Kohlmeyer, Wright.
THIRD ROW, left to right: Harbaugh, Watkins, Mighell, Williams, DeLong, Klinetop, Held, Breazeale, Goeser.
FOURTH ROW, left to right: Zimmerman, Griffin, Girton, Farmer, Nannen, Fabricius, Briggs.

Delta Sigma Rho was organized at Northwestern University in 1906. Since that time sixty-two chapters have been organized. The Iowa State Capter was organized in 1909 and has been active since then in advancing effective and sincere public speaking. The membership is restricted to those who have taken part in an inter-collegiate debate and who evidence the qualities of leadership that will advance forensics.

Left to right: Bowen, Dorchester, Sampson, Hyde, Harding, Murphy, Ross.

Phi Lambda Upsilon was founded at the University of Illinois in 1899. Theta Chapter was established at Iowa State College in 1912. The object of the organization is the promotion of high scholarship and original investigation in all branches of pure and applied chemistry. The membership consists of faculty members, graduate students and senior and junior men in chemistry. Eligibility to membership is determined by scholarship, particularly in chemical subjects, and on personality.

On October 6, 1898, Ossian E. Mills and a group of associates formed a club of musicians at the New England Conservatory of Music, Boston, Mass. In 1900, this club was expanded into a fraternity and became Alpha chapter of Phi Mu Alpha, Sinfonia.

The local organization was first called Beta Mu. It was started by eight band men who were prominent in music. This local fraternity was installed at Alpha Delta chapter of the national organization on December 12, 1922.

The purpose of the fraternity is to recognize interest and activity in the musical organizations on the campus, and to foster interest in music among the students.

Pi Gamma Mu was founded at Winfield, Kansas, in 1924. The local chapter was installed in the spring of 1925 as Iowa Alpha, with Dr. John E. Brindley acting as president. Membership is composed of students of the social sciences elected on a basis of scholarship and general qualifications. Thirty quarter hours with an average grade of at least eighty-five per cent in economics, history and sociology are the scholarship qualifications. The local society holds meetings and discusses subjects of interest in the field of social sciences.

Phi Mu Epsilon was founded at Syracuse University in May, 1914, and now possesses thirteen chapters scattered throughout the United States. The Iowa State College chapter received its charter in November, 1923, being the first State College west of the Mississippi river to receive a charter. It is an academic fraternity for schools of university grade, its first aim being the scholarship of its individual members in all subjects and especially in mathematics. Its second aim is the advancement of the science of mathematics and lastly the mutual and personal benefit of its members. Members are chosen on a basis of general scholarship and especial scholarship in mathematics with an indicated intent for the pursuit of mathematics and allied subjects.

Scabbard and Blade, a national honorary military fraternity, was founded in 1905 at the University of Wisconsin. In these past twenty-two years it has grown until now it includes over sixty chapters in practically every state in the Union. The local chapter became national in 1915 and has seen active service since that time. Membership is restricted to those men taking advanced Military, and who have shown exceptional qualities of leadership and command so necessary to a successful soldier. The purpose, as stated in the preamble of the constitution, is to develope those qualities which go to make good and efficient officers, and above all, citizens who can take their rightful place in the affairs of the community in which they may reside.

Sigma Alpha was organized at Iowa State College in the Spring of 1926, with the major objective of serving the cause of better agriculture on the farms of the state to the end that 100 per cent of the farmers will farm scientifically. The minor objectives are: to indirectly increase the prestige of agricultural education among the teaching profession, to foster closer co-operation between those engaged in educational work in the field and those in college, and to induce those enrolled in Agricultural Education to look upon the departmental club as of prime importance.

The members are known as the resident and field members. The resident members are those on the campus enrolled in college work, and the members of the Vocational Education staff. The field members are those who have left the campus and are in the field furthering the cause of scientific agriculture.

Membership is based primarily upon service and secondarily upon leadership and scholarship.

Sigma Upsilon was founded in 1906 by the federation of four southern literary clubs; Calumet of Vanderbilt University Sopherim of the University of the South, Osiris of Randolf—Macon College, and Senior Round Table of the University of Georgia. These have been added to until there are now thirty-three active chapters. Sigma Upsilon conducts a national short-story contest every year. The national organization publishes the monthly Sigma Upsilon News-Letter.

A group of students and faculty members who were publishing the first series of the "Ames Narratives" formed Kappa Lambda Alpha, the local chapter, in March, 1924. Kappa Lambda Alpha became the twenty-ninth chapter of Sigma Upsilon in June, 1924.

Eligibility to membership is based primarily on literary interest and attainment, with due regard to the qualities of congeniality and good fellowship. Its purpose is to encourage creative literary work and to furnish the highest reward for conscientious efforts in furthering the best interests of literature in the broadest sense of the term.

A. I. E. E. is a nationwide professional society for Electrical Engineers. It is composed of engineers who have had varied experience and training and who hold ranks accordingly. These are Honorary Member, Fellow, Member and Associate. The purpose of the Student Branches is to afford opportunity for the student to gain a proper perspective of engineering work by enabling him to become acquainted with the personnel and the problems of those engaged in it.

Any person registered as a full-time student in a university or technical school of recognized standing and pursuing a regular course of study in electrical engineering may become enrolled. Membership is, however, generally restricted to Juniors and Seniors.

The local branch sponsors the E. E. Smoker, puts on programs during the year, including technical talks and educational pictures.

American Society of Civil Engineers

OFFICERS

C. L. Donovan ..... *President*
S. Witzel ..... *Vice-President*
W. Ohlsen ..... *Secretary*
R. G. Paustian ..... *Treasurer*

The Civil Engineering society was organized in the fall of 1910, having for its object, the rejuvenation of the old junior and senior seminars which were gradually losing their popularity and value. It was felt that more good could be obtained from addresses by prominent engineers than was being derived from student papers presented before the old seminars. Since the society has been organized, it has instigated and sponsored many divisional activities besides carrying out the purpose for which it was founded.

The Civils were the first to adopt a distinctive shirt and insigna, worn only by juniors and seniors as a recognition mark of the department. This custom has been followed for sixteen years and in the past few years it has spread to other departments of the college.

Ames Student Branch of American Society of Agricultural Engineers

OFFICERS

PAUL V. MORRISSEY ..... *President*
ROBERT BUTLER ..... *Vice-President*
STANLEY M. MADILL ..... *Secretary and Treasurer*

The American society of Agricultural Engineers is the National organization representing the Agricultural Engineering profession. Its purpose is to promote intercourse among engineers in it's field, and to encourage research and development in the fields of farm power and machinery, farm structures and sanitation, land reclaimation, and education. The society was organized at the University of Wisconsin in 1907. Iowa State has been a pioneer and long recognized as leader in this field, and has always had an active part in the National Organization. The society maintains student branches in schools where professional instruction in agricultural engineering is offered. The Ames student branch carries on it's meetings in connection with junior and senior seminar and sponsors many divisional activities, as well as the interests of the parent society. A monthly magazine, namely, "Agricultural Engineering," is the official publication of the society.

The Block and Bridle Club is a national organization of Animal Husbandry Students. It was founded in 1919, at Chicago by the Livestock Judging Teams of Iowa State, Missouri, Kansas, and Nebraska. At present there are nine chapters located at the agricultural colleges of Nebraska, West Virginia, Kansas, Missouri, Oklahoma, Kentucky, Minnesota, Pennsylvania, and Iowa. The purpose of Block and Bridle is to bring closer relationship among men pursuing different phases of Animal Husbandry work, and to encourage better scholarship and higher ideals in students.

The activities of the Club consist of staging a mixer each fall for freshmen agricultural students, putting on the annual livestock show or "Little International," and bringing before the students speakers of note along Animal Husbandry lines. Members are elected once each year from Animal Husbandry students who show an active interest in their work, have good scholastic standing and have completed one and one-half years work in Animal Husbandry.

Chemical Engineering Society

JOHN POOR, *President*

The Chemical Engineering Society was founded at Iowa State College in the fall of 1918 by a group of seniors. The purpose of the organization is to promote loyalty, co-operation and fellowship among the Chemical Engineering students. The meetings of the society are held twice a month, at which times programs are presented by the students, or a lecture given by some out-side specialist. These meetings serve to further acquaintance between the different classes and enable the planning of departmental activities. All students of Chemical Engineering are eligible to membership.

The Cosmopolitan Club of Iowa State College is a chapter of the Association of Cosmopolitan Clubs of America, whose purpose it is to promote friendship and international good will among all nations of the world and to give the foreign student an opportunity to come in closer contact with their American fellow students. The members of the club are composed of students of all nationalities regardless of race, creed, or political affliction, and faculty members of the faculty who sympathize with the ideal and principles upon which the organization was founded. During the past, its membership included nearly fifty per cent American students.

The meetings are held each Wednesday at 7 p. m. at Alumni Hall. The first gathering of each month is devoted to business only, at all other meetings, faculty or student speakers lead the discussion of a variety of subjects, devoted principally to international problems.

This year social activities were featured by a number of banquets, at which prominent, internationally minded speakers headed the program.

The Forestry Club was founded in the spring of 1912. Its purpose is to bring the students and professors into closer relationship with one another, both being technical and social in its programs, Every student enrolled in the Forestry Department is eligible for membership. It was in the fall of 1914 that the official "stag shirt", bearing the Forester's emblem, the pine tree, was adopted. The Foresters were the first on the campus to take up this custom. The Ames Forestry Club is member of the Intercollegiate Association of Forestry Clubs, a national organization composed of the leading forestry schools of the Country. "The Ames Forester" is the annual publication. It is a magazine of semi-technical nature, dealing with the activities of the club and its members.

CHARLES ZOLLARS ..... *Secretary-Treasurer*

The General Engineering Society was founded at Iowa State in the fall of 1926 by students enrolled in the course in General Engineering. The Society is a local organization at present but is being organized and prepared to become a chapter of a national industrial society.

Meetings are held every four weeks. The programs consist of talks by prominent professors and engineers, movies, and refreshments. All students in the General Engineering course are eligible to membership.

FIRST ROW, left to right: Prof. W. L. Foster, Herbert Engleking, Dean Anson Marston, Hudson Smith, Berlin Shoemaker, R. R. Strayer, Norman Brown, Merrill Good.
SECOND ROW: Wallace Stanton, L. P. Scholtes, William Dachtler, James Whitfield, Justin Chevalier, George Aldrich, George Brownfield.
TOP ROW: Delmar Todd, George Kelley, Elmer Lonn, Milton Nelson.

Industrial Science Club

DEPARTMENTAL

OFFICERS

Fall

ROBERT C. BAKKER ..... *President*
RICHARD LEBUHN ..... *Vice-President*
EDGAR MURPHY ..... *Sec. and Treas.*

Spring

EDGAR MURPHY ..... *President*
JOHN THURBER ..... *Vice-President*
WINIFRED HAHNE ..... *Sec. and Treas.*

The Industrial Science Club was organized in the Spring of 1919 under the supervision of Dean Beyer. Its purpose is to secure cooperation between the students and faculty in the promotion of divisional spirit and activity. To sponsor a proper degree of good fellowship, the Club holds an annual Barbecue in the Fall, and a Winter Frolic. Loyalty to both the College and the Division is the ultimate aim of the organization.

Manual Arts Club

OFFICERS

FRANCIS VESEY ..... *President*
OLE GARO ..... *Vice-President*
HAROLD HILL ..... *Secy.-Treas.*

The Manual Arts Club was organized on the campus during the winter of 1926. The purpose of the organization is to promote a closer professional consciousness among students, alumni, and teachers of Iowa State College, who are interested in the teaching of Manual Arts and studying work in industry.

The society is non-departmental and welcomes as members all students, alumni and faculty of Iowa State College who have taken work in preparation for the teaching and supervision of Industrial Arts.

American Society of Mechanical Engineers

DEPARTMENTAL SOCIETY

OFFICERS

CLARENCE JOHNSON ..... *Chairman*
JOSEPH J. HITE ..... *Vice-Chairman*
ED. J. HUGHES ..... *Secretary*
CLIFFORD C. JACKSON ..... *Treasurer*
PROF. R. A. NORMAN ..... *Honorary Chairman*

The Student Branch of the American Society of Mechanical Engineers was formerly known as the Mechanical Engineering Society, composed of students in the mechanical engineering department of college. Its purpose is the fostering of good fellowship among the students of the department. Students of the four collegiate classes are eligible for membership. Throughout the year the organization puts on programs including technical talks and educational pictures.

Men's Vocational Education Club

OFFICERS

OLE GARO ..... *President*
GERALD DUNSMORE ..... *Vice-President*
HAROLD KLINGAMAN ..... *Sec'y. and Treas.*

The Men's Vocational Educational club was organized in 1914 for the purposes of stimulating interest in the teaching profession and to emphasize what is expected of those who enter this vocation. Active membership is limited to those students enrolled in Vocational Education, while Honorary members are chosen from the graduates in Agricultural Education.

TOP ROW, left to right: E. E. Mayhew, A. J. Lenzmeier, Harold, M. Skeels, Harold Beane, John T. Armstrong, Emmett Jacobson, Willis H. Magdefrau, J. B. Small.

SECOND ROW, left to right: Allen J. Ryan, Harold Byram, Ralph Connell, Floyd J. Zaiger, Professor Morgan, Geo. E. Sparks, Erwing Hauswirth.

THIRD ROW, left to right: Gerald Dunsmore, Wallace De Long, Wayne Conrad, Glenn Miller, Fred Masters, Professor Starrak, Clarence Bundy.

FOURTH ROW, left to right: Lewis V. Falck, Byron Zimmerman, Leonard Haase, Gerald Johnson, Wilbur Balmos, Professor Hamlin.

FIFTH ROW, left to right: Joseph T. Broderick, Floyd B. Bunnell, Merit H. Bishop, Sylvester Oberhauser, Miles M. Miller, Samuel F. Wilhoit, Ole Garo.

Curtiss Club

J. A. HOPKINS
K. BJORKA

This club is a consolidation of the Sociology department club and the Agricultural Economics organization of former years. It is open to all students, graduate students and faculty of the Agricultural Economics division and all are encouraged to attend the meetings.

The primary purpose of the club is to create a better acquaintance of students with each other and with their faculty, to foster a bond of friendship between students and faculty who have ideas in common, and to make a point of contact with a different complexion from that gained in the class-room.

The Ames Herdsmen's Club was organized in 1917. Only students taking the Herdsmen's Course are eligible for membership. There are 68 members this year. The purpose of the club is to promote more interest and a friendlier attitude toward better livestock breeding. The weekly programs are arranged with this object in view. Young men who intend to become future breeders of purebred livestock have an opportunity to discuss their problems at the club meetings. Each year the club concludes its activities with a banquet.

Veterinary Medical Society

L. A. Stueland ..... *President*
R. S. McNellis ..... *Secretary*
Leo Henry ..... *Vice-President*
E. D. Smith ..... *Treasurer*
Dr. H. D. Bergman ..... *Honorary President*
Dr. E. A. Benbrook ..... *Honorary Secretary*

This society, founded in 1896, is the oldest student divisional organization in the college. Meetings are held fortnightly, elections bi-annually. The regular meetings permit students to hear valuable scientific papers read by noted people, as well as giving student talent an opportunity to function. The annual social program includes: a student-faculty mixer, a banquet, and a picnic. The society is now a Junior Member of the American Veterinary Medical Association. This should further assist students in preparing for the worthwhile duties of state and national veterinary organizations.

The Vistonian Club

DEPARTMENTAL

OFFICERS

W. Allen Perry ..... *President*
Philip Larson ..... *Treasurer*

MEMBERS IN FACULTY

Prof. P. H. Elwood, Jr.
Asst. Prof. H. F. Kenney
Asst. Prof. R. R. Rothaker

The Vistonian Club was founded in 1918 by students of Landscape Architecture at Iowa State College. The organization is composed of students pursuing the study of Landscape Architecture, and the faculty members of that department. It is the object of the Vistonian Club to promote the general welfare of its members and to stimulate interest among them and others in the profession.

The Ames Filipino Association

OFFICERS

JUAN B. CONCEPCION ..... *President*
THOMAS P. NACNAC ..... *Vice-President*
MRS. SEVERO CAPISTRANO ..... *Sec.-Treas.*

The Ames Filipino Association was founded in 1920 of Piney students at Iowa State College.

The purposes of the Association are the following:

1. To strengthen the ties of brotherhood among the Filipinos in Ames, Iowa, to keep the love for the old home country alive and to propagate good feeling between their own and other nationalities.
2. To promote the spirit of good will.
3. To promote social, political, economical, and religious conditions and problems of the Philippines with progressive view.

Baptist Student Group

OFFICERS

HAROLD OLIVER ..... *President*
ERNESTINE DAVIDSON ..... *Vice-President*
CARROLL REDFERN ..... *Secretary*
FLOYD BUNNELL ..... *Treasurer*

The Baptist Student group includes all Baptist Students and faculty as well as those otherwise interested in the student work. It has been felt that many students neglect their religious life while in college. It is to provide a church home as well as to provide suitable religious training for the student that the church and the Baptist Student Group exists. Thus, the objective of the entire work is to so instruct and train students that they may grow as fast spiritually as they grow mentally while in college.

Young People's Class of the Christian Church

OFFICERS

Iowa State

ATHLETICS

Noel Workman

ALTHOUGH COACH NOEL WORKMAN has been at Iowa State College less than a year, his personal interest in the men, his sterling qualities as a true sportsman and an excellent football coach have won for him the esteem of all those with whom he has come in contact.

Last Fall, Coach Workman did more than the routine work of coaching the team of inexperienced football men which confronted him, he filled them with a spirit of fight and a desire to bring glory and honor to Iowa State College.

With this combination of excellent training and splendid spirit, Iowa State saw this year's football team finish a brilliant football season by a victorious trip to the west coast with an overwhelming victory over California Southern Branch.

Notable Iowa State Victories

1. Iowa State closed the football season by conquering three outstanding opponents in succession, Drake, 13-7; Kansas Aggies, 3-2, and the University of Southern California, Southern Branch at Los Angeles, 20-0.

2. Iowa State won the annual Missouri Valley cross-country meet with Conger, Cyclone distance ace, setting a new course record of 25 minutes 52 seconds for the five mile stretch, lowering the old record by 1 minute and 7 seconds.

3. The Cyclone two mile relay team composed of K. Dempster, Crawford, Caulum, and Conger won first place at the Drake Relays.

4. Iowa State took third place in the Annual Missouri Valley Indoor Classic held at the New Drake Fieldhouse.

5. The Cyclone wrestling team went thru the season losing but one dual meet to Oklahoma A & M. Holding, Iowa State grappler in the 126 pound class, won his weight in the Missouri Valley Meet. In the National A. A. U. meet, held at Ames this year, Holding won the 126 pound championship by defeating Boyvey, last year's champion in this weight, while Grooms took second in the welter weight class, losing to Prunty, formerly of Iowa State.

6. Iowa State's crack medley team composed of Witmer, Thornburg, Caulum and Conger established a new world's record in this event at Rice Institute Relays, Houston, Texas. This quartette negotiated a mile and seven-eights in 7 minutes 34 4-10 second, bettering the old record of 7 minutes and 35 seconds set by the University of Texas team in 1925.

Twisters and Cheerleaders

KENNETH MITCHELL HOWARD GIFFT

The Twisters and Cheerleaders attempted at all times to instill the "Fight Ames Fight" spirit into the student body. While Iowa State athletes were striving for victory on the field, the Twisters and Cheerleaders did their bit on the side lines rousing fans to give their utmost support to the fighting Cyclone teams.

The Twister organization composed of nearly a hundred members was responsible for creating pep in the student body, both before the games in the form of pep meetings and during the games where the Organization sat as one cheering section and assisted Iowa State fans in cheering and yelling.

Between halves of football games the Twisters in conjunction with the Band, featured in formations symbolic of Iowa State and impressed fans with the purpose of the Pep Fraternity.

The Twister organization also sponsors friendly athletic relation with Valley schools away from home. When the Cyclone team met Nebraska on the latter's field, the Twisters accompanied the team and in cooperation with the band featured in several exhibitions between halves.

Iowa State's cheering sections were well directed by the cheerleading staff. Capable and energetic cheerleaders who worked well in unison were responsible for the volumes of noise that issued from the Cyclone stands. Even though an entirely new staff directed yells, the results produced were more than satisfactory.

Varsity Football

Iowa State finished what can be termed one of its best football seasons. With Coach Workman a new man on the campus and only a few veterans available, prospects were anything but bright. A new coach naturally meant the adoption of a new system of play. His plays had to be worked out for a light backfield; no heavy men were available for these positions. His backfield had to be picked from an array of men, most of whom had seen little varsity action. "Chink" Hall, Bob Fisher, and Weiss were carried over from last year's squad and were counted on to again show their abilities. Holman, Miller, Lamson, Klug, and Baird were all drafted from last year's prep squad.

Although most of the veterans played on the line, there were several positions that had to be filled. The center position seemed the hardest to fill, but as the season progressed, Toom and Ayres were fighting it out for this berth with neither having the advantage over the other. Both played excellent football when they were in the game. Thomas was the only veteran guard back so a running mate to him had to be brought out. E. A. Anderson, a letter man of two years ago, seemed the logical first choice, with Orrie Roe running a close second. At the tackles, Workman had two veterans in Grimes and Kingery, and also had Holiday Smith, a 210 pound negro furnishing competition. Any two of these tackles were likely to play in the games that followed except where conference rules forbade the playing of colored athletes. The ends were well fortified with Captain Coe and E. J. Anderson on the job, both being veterans of two seasons.

COACH WORKMAN

FOOTBALL COACHES: Nelson, Rasmuss, Chandler, Wheeler, Schmidt, Workman, Honaker, Peckinpaugh, Firkins, Hardwick, McPhee, Metcalf.

Varsity Football

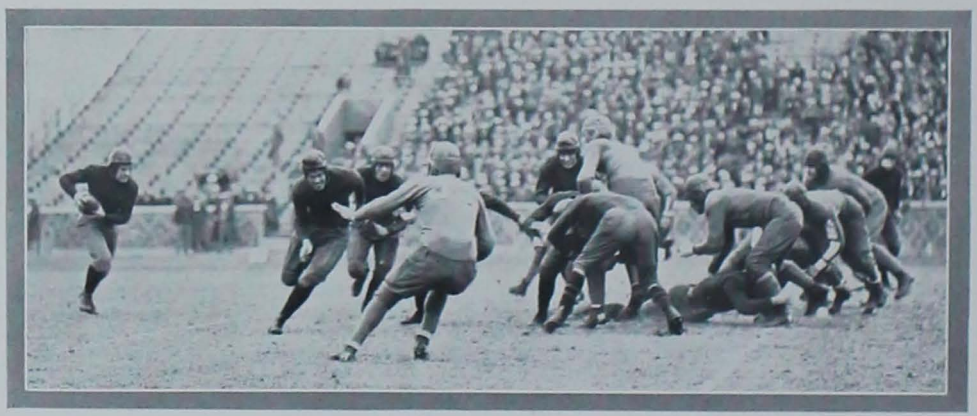
C. R. Coe
End

One of the heaviest schedules in years faced the Cyclones. The season opened with a game at St. Louis with Washington University in which Iowa State came out on top with a 6 to 0 score. Misfortune hit the Cyclone camp however when fullback Klug broke his leg early in the game. Lamson was substituted and proved himself capable of doing the work. He stayed at this position throughout the season.

The second game was a defeat at the hands of Oklahoma A. & M. by a score of 13 to 0. The valley champs outweighed the Cyclones but were held fairly even throughout the game. The third game with Grinnell resulted in a scoreless tie, but was one of the best games played this season. Missouri, valley champs last year carried off the honors in the next game by a 7 to 3 count. Nebraska ran wild to defeat Iowa State 31 to 7. The Homecoming fans saw our old foes, the Bulldogs from Drake take a 13 to 7 trimming. The Kansas Aggies were next to fall in line by a 3 to 2 count. The Cyclone's schedule included an intersectional game with the University of California (Southern Branch), the first to ever appear on a Cyclone schedule. Without the services of Holman who broke his arm in the Drake game, the gridders representing Iowa State piled up a 20 to 0 score over their Pacific coast rivals.

A summing up of the season does not show a clean slate, but taking the season as a whole it was very successful. Iowa State won four games, lost two and tied one in the Valley schedule including a Homecoming victory, the first in several years. It showed the capability of Coach Noel Workman, and prospects for a valley championship are in sight for next year.

W. Weiss
Captain-Elect
Quarterback



Miller Goes Around Drake's End

Iowa State—Washington Game

E. KINGERY
Tackle

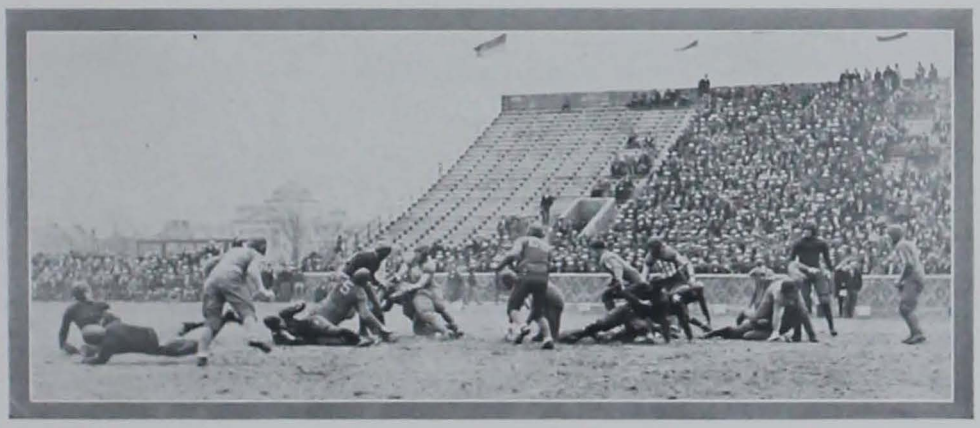
In the opening game of the season, Iowa State defeated Washington 6 to 0. Before the game, the strength of the Cyclones was unknown because of an entire new backfield, but when the final whistle blew, one could predict a favorable season ahead. The slippery field was a hindrance to both teams, and it was not until the second quarter that the scoring began. In this period Holman threw a long pass to Miller who made a beautiful catch on the 22 yard line. Weiss called for the ball on the next play and ran around the end for a touchdown. In the last quarter Grimes picked up a fumble and ran 40 yards for a touchdown, but the ball was called back and score not allowed because the umpire caught someone holding.

Iowa State—Grinnell Game

Repeating the score of last year, the Cyclones and Pioneers battled for four quarters without either being able to produce a score. It was one of the best played games of the year. The Cyclones were conceded a slight advantage in both offensive and defensive play.

Holman and Lindblom were the shining lights in the Cyclone's offense, carrying the ball for substantial gains. Smith and Ayres played strong defensive games on the line, time and again stopping Evahn and Meeter, the Pioneer aces. Lamson proved to be a huge stumbling block on secondary defense.

N. THOMAS
Guard



MILLER PLUNGES A BROKEN LINE

Iowa State—Oklahoma Aggies Game

E. J. Anderson
End

Iowa State fans were given their first real chance to see the Cyclones in action on the home field against the powerful Oklahoma Aggies. Although the final score was not to the satisfaction of the crowd in the stands, the team displayed a good brand of football to keep the score at 13 to 0. Oklahoma made its counters in the first and third quarters, the first touchdown coming via the aerial route, and the second on a combination of passing and smashing.

Both teams resorted to the passing game with Oklahoma having a slight advantage in the number completed. Neither team was able to gain much thru the line. Weiss showed his ability in returning punts by evading several tacklers before he was finally brought down. Holman did most of the ball toting, while the entire backfield took an active part in the aerial attack.

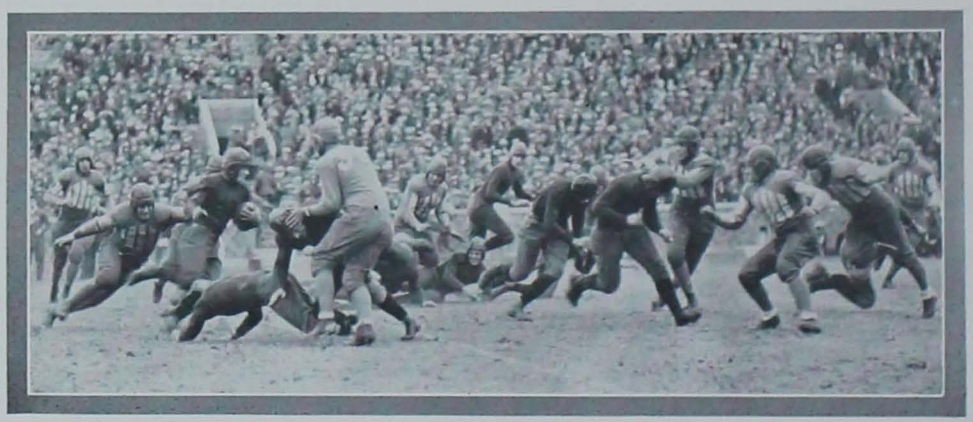
Center



Holman Cuts Back Into the Bulldog Line

Iowa State—Missouri Game

L. Grimes
Tackle

Missouri brought a strong team of veterans to State Field, and after a great game were on the long end of a 7 to 3 score. Iowa State scored first early in the game. Missouri was employing a passing attack to gain yardage. One of their passes was intercepted by Ole Anderson, Cyclone guard and carried to a place where Thomas was able to negotiate a field goal. This three point advantage looked big enough to win the game until the final quarter, when the Tigers launched an offensive attack and made a touchdown which won them the game. Holman and Fisher gained consistently, while Weiss was especially adept in returning punts.

Iowa State—Nebraska Game

Iowa State journeyed to Lincoln to battle with the Nebraska Cornhuskers, and came back stinging with a 31 to 6 defeat. The Cyclones were unable to stop Presnell, star of the Husker's backfield, who made four touchdowns and a field goal. Although Holman and Fisher gained consistently, Nebraska braced and held at critical periods. Iowa State's counter came as a result of a Husker fumble which was recovered by Smith, Cyclone dusky tackle on the Nebraska 20 yard line. Holman and Fisher advanced the ball to the three yard line from where Weiss carried it over.

H. Lindbloom
Halfback

Iowa State—Drake Game

Before a crowd estimated at 17,000, the largest ever to witness a football game at Iowa State, Iowa State vanquished the Drake Bulldogs 13 to 7. Drake was out-played both offensively and defensively by the Cyclones from start to finish. Miller, especially, gained yardage on a fake play which the Bulldogs were unable to solve.

The Cyclone's first score came at the start of the second quarter. The ball was on the 3 yard line. After three attempts the ball was on the one foot mark, where Weiss carried it over. Thomas added the extra point by a place kick. Thomas attempted a field goal just before the half ended, but failed to make it good.

Straight football, mixed with passes, and several fake plays, produced Iowa State's second marker making the score 13 to 0. Drake scored on a long pass to the goal line. The original pass was knocked out of reach of the intended receiver, but unfortunately into the arms of another Drake player, who was a few yards distant, who had but to fall over the line for a touchdown. Their trial for the extra point from placement was good.

J. Miller
Halfback

Nebraska Goes Over

Iowa State—Kansas Aggies Game

The Cyclones defeated the Kansas Aggies 3 to 2 while on their way to California. As the score indicates, it was a strong defensive game, the Cyclones make six downs, and the Aggies four, thus giving the former the advantage in offensive strength.

There was no scoring until the final quarter. Miller carried the ball to the 29 yard line where Thomas made good a place kick. After receiving the kickoff the Aggies started an offensive attack that brough them to the 3 yard line where they were held for downs. Captain Coe, playing safe, proceeded as if to punt, but touched the ball to the ground for a safety. This gave him a free kick on the next play.

Lindbloom ran 48 yards for a touchdown, but was called back because of offsides. Ayres, Kingery, Thomas, and Captain Coe were bulwarks of strength on the line.

Iowa State—California Game

V. Hall
Halfback

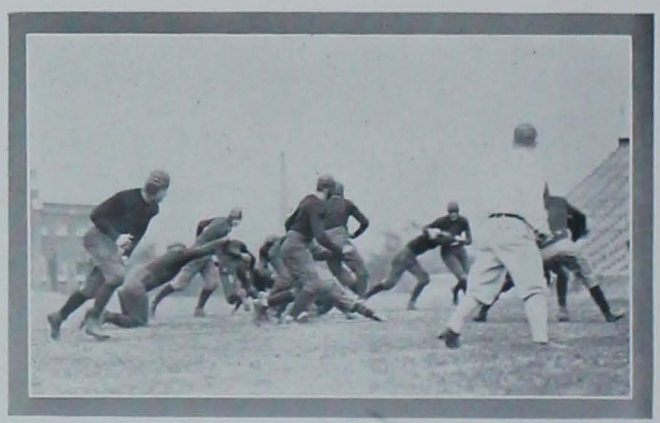
W. Klug
Fullback

Iowa State continued its journey from Manhattan to Los Angeles to tackle the University of California, Southern Branch. When the final report came back, the Cyclones had accumulated 20 points to their opponts nothing. It was a game in which the gridders of Iowa State employed straight, smashing football tacticts.

On the second play of the second quarter, Lindbloom smashed over for a touchdown from the 7 yard line. Thomas added a point for placement. In the same period Anderson picked up a California fumble and put the ball on the 22 yard line. After four smashes Miller converted it into a touchdown, but the trial for extra point failed.

During the third quarter Miller and Lindblom carried the ball to the one yard line. Weiss failed by inches to make a touchdown. From then on to the beginning of the final quarter the ball changed hands frequently.

H. Smith
Tackle



Cyclone's Attempt a Play Through the Oiler's Left Tackle

Iowa State—California Game

The score was increased in the last quarter. Weiss intercepted a pass on the 36 yard line. Miller and Lindblom again advanced the ball to the 3 yard line. Weiss was successful in crossing the line in his first attempt. Thomas added the final point by a place kick. Iowa State was on its way to another touchdown when the pistol cracked.

This game put a great climax on a most successful season and brought out some real talent that can be looked to for the nucleus of next year's eleven.

Coach W. S. Chandler

When the '27 basketball season closed, Coach Wheeler was satisfied that some excellent varsity material existed in his freshman basketball squad. Throughout the season a squad of thirty men reported daily for practice and received instructions in Coach Chandler's short pass and pivot system.

Only on a few occasions were the preps able to scrimmage the varsity since the latter were on trips most of the season. Coach Wheeler's preps confined themselves to playing class teams in the absence of the varsity. In the class tournament the freshman hoopsters played six games of which they won five, losing one game to the sophomores.

At no time during the season was Coach Wheeler able to segregate one quintet which was the cream of the squad. However, some of the outstanding prep cagers were Woods and Stillman at the pivot job, Klingaman, Burton and Potter, guards, while Madsen and Fitzgerald were the shining lights at the forward position. Madsen, Woods and Klingaman turned in good scoring records.

A. Miller
Guard

E. Elliott
Forward

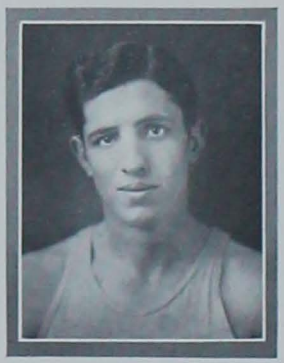
After playing a total of seventeen games, fifteen of which were Missouri Valley engagements, the Iowa State basketball team ended one of the heaviest seasons ever played by any Cyclone quintet. Although Coach Chandler's men did not close the season with a high Missouri Valley standing, the team displayed a brand of basketball off and on all season that thrilled basketball fans.

Only six of Iowa State's Valley games were played on the home floor, and consequently, the Cyclone quintet journeyed close to 6,000 miles, often times playing two and three games a week. This strenuous pace began to tell on the Cyclone hoopsters when they dropped four games in succession to Oklahoma Aggies, Oklahoma U., Drake and Nebraska after upsetting the dope by defeating the strong Kansas University team, 15 to 12, Oklahoma Aggies, 40 to 21, and Grinnell, 22 to 19, earlier in the season. All the Valley games in which Iowa State figured, with an exception of two, were closely contested, and on a few occasions, two baskets more or two less, would have won or lost a game for the Cardinal and Gold. Only once were the Cyclones decisively trounced when they met the Oklahoma Aggies in a return game and received the small end of a 46 to 19 game. In the first encounter with the Oilers from Stillwater, however, Chandler's quintet won a decisive victory with a 40 to 21 margin.

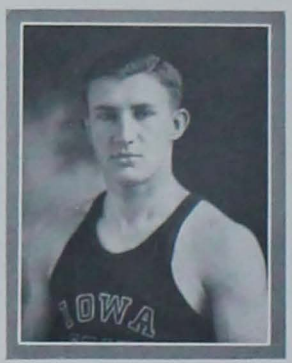
Probably the biggest cage upset of the year came early in the season when Iowa State stopped Kansas University, 15 to 12. For the past sixteen years the Cyclones have defeated the Jayhawks only three times. Iowa State's five man defense never functioned more smoothly as it did in this game. Changing from the offense to the defense in lightning style, the Cyclones forced the Jayhawks to rush their shots in order to get a chance at the basket at all.

Coach Chandler's men encountered Drake three times during the season, playing two games at Des Moines and one on the local floor. The first game with the Bulldogs resulted in a defeat for Iowa State by a 43 to 29 count. This game marked the last appearance of "Chuck" Everett against Iowa State. The following game with Drake found the Bulldogs weakened by the loss of Everett and the Cyclones won the second game, 26 to 21. In a closely contested game Drake defeated the Cyclones, 23 to 20 in the third game of the season. This game was won largely through the ability of the Drake hoopsters to make their free throws good while Iowa State, with almost an equal number of chances had exceptionally poor luck in making their charity throws count.

H. Fennema
Center



J. Wagner
Center



L. Lande
Forward

Coach Chandler's big problem at the beginning of the season was to find a capable pivot man. Only two men seemed eligible for this position. They were Joe Wagner, lanky center from the freshman squad and Fennama who played at the center position the year before. Wagner started out the season alternating with Fennema. The lanky center had considerable height advantage, good floor work and showed ability on finding the hoop on short follow-up shots. But as the season progressed Wagner became handicapped with a bad knee which he received in the first game with the Oklahoma Aggies. During the latter part of the season the Cyclone center was benched and Fennema took the pivot job.

Probably some of the prettiest exhibition of basketball playing ever seen by local fans was the stellar performances of Freddie Kling. The Cyclone guard displayed fast clever floor work and a good basket eye, rating third place on the scoring column for Iowa State. Kling's close guarding featured every game, and opposing forwards found it difficult to get under the basket for a short shot.

Elliot, Iowa State's diminutive forward, opened the season by leading the Valley in individual scoring, but a decided slump in his ability to find the hoop during the remainder of the season resulted in Elliot losing his scoring position. At times the Cyclone forward displayed a basket eye short of marvelous.

Captain-elect Staver played a consistent game of basketball at a forward position, and with Lande at the other forward birth, Coach Chandler possessed two strong offensive players. Staver demonstrated his basket eye time and again by taking short setup shots and dropping them in from under the basket.

When Captain Miller was forced to the bench with a bad knee, Coach Chandler's worries were eased considerably when S. Brown, a guard from last year's freshman squad stepped into the vacancy left by Miller and played a strong defensive game. Brown followed his opponents closely, rarely allowing an opposing forward to get away for a short shot. With Brown and Kling both back next year, Coach Chandler will have a great backcourt combination.

Lande who played his first varsity game this year, being ineligible last year, displayed a good brand of basketball during the latter part of the season.

Although "Tiny" Grimes didn't play enough to win a major A, he played during the earlier part of the season at a guard position.

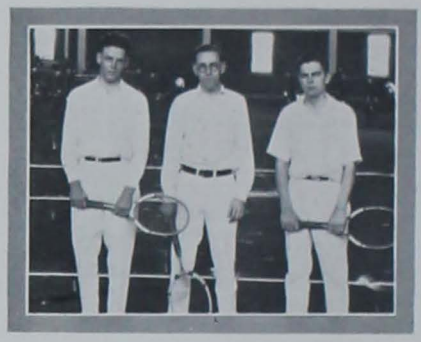
Iowa State Tennis

GILMAN CAMPBELL FENTON



EVANS LEERMAKERS SHOEMAKER

Tennis at Iowa State has received much impetus during the past season and, although the results of the matches were not very imposing for Iowa State, the outlook is considerably brighter for next year.

The squad has been coached by F. C. Fenton, head coach, with Henry Gilman and Runsey Campbell assisting. Those on the varsity squad were: F. B. Shoemaker, W. K. Evans, H. A. Leermakers, J. I. Leach, H. Robertson, and L. D. Jennings.

Matches played this year, consisting of four singles and two doubles, were as follows:

		Results
Simpson	at Ames	4-2
Luther	at Ames	5-1
Grinnell	at Grinnell	6-0
Drake	at Des Moines	6-0
Nebraska	at Ames	5-1
Grinnell	at Ames	5-1
Drake	at Ames	6-2
Coe	at Ames	2-1
Coe	at Cedar Rapids	

The squad participated in the Missouri Valley meet at Lincoln, Nebraska, the same time as the track meet was held there.

Minor A's were awarded to F. Berlin Shoemaker, Henry A. Leermakers, and William K. Evans.

The Freshman aggregation showed up with some fine material. With all these men back next year, Iowa State ought to come thru for a successful season.

The squad consisted of about twelve aspirants under the direction of coach B. W. Hammer. Those on the squad receiving Freshman numerals were: J. A. Leermakers, Edwin Parlasca, Donald Protz, Homer Rawson, Joe Rust and Lyle Shader.

COACH W. S. CHANDLER

Coach Chandler had the following men as a nucleus around which he could build a team to represent Iowa State on the diamond: Captain Fisher, who was again available to cover the territory between third and second bases, Carmen Towne, a letterman capable of guarding the hot corner, and Ed Hill, the keystone sacker. McCracken and Boller were the only experienced batterymen whose value was known.

Some very promising material reported at the early practices, however, that brightened the future outlook. The freshman squad heralded in an array of material that could be used to adantage. Manship, one of the smoothest fielders to be seen for some time, was making a bid for the third base position. Cory, Dale, and Dorr were three pitchers of whom much was expected in the coming season. Of the three, Door was the only portsider of the lot, but like most lefthanders he lacked control. Other men reporting were Greenlee, Myers, and Johnson, all catchers who had been on the squad before but lacked experience; Riemenschneider and Wilson, outfielders and Ayres a pitcher completed the squad that was carried throughout the year.

A MISSOURI BATTER HITS ONE

Baseball

H. McCracken, *Captain-Elect*
Pitcher, Outfielder

The schedule called for seventeen games of which eleven were played on the home field. The Cyclones succeeded in winning but seven of the games although several were lost by small margins and were games that mean much whether won or lost as far as baseball goes.

The lineup for the first game was Coe at first, Hill at second, Fisher at shortstop, and Towne at third. The outer gardners were Johnson in left, McCracken in center and Cory in right. For most of the following games these men were in the outfield except when they were assigned to mound work in which case Riemenschneider or Wilson took their places. Johnson was a permanent fixture in left field because of his hitting and fielding ability. The battery for the opening game against Upper Iowa was Cory on the slab and Myers receiving. This was practically the lineup used throughout the season with naturally a change in battery men and occasionally with Manship at third. Boller was used as catcher most of the time after the season got under way because he seemed to be the heaviest hitter and also a peppery catcher.

Upper Iowa brought a team to Iowa State diamond for a pair of games that resulted in setbacks for the Cyclones. The first one ended 5-3, and the second 7-3. Cory did the flinging in the first game and allowed but five hits but his mates made three miscues that contributed to the opponent's scoring. Myers did the receiving. The Cyclone batters were only able to gather three hits off the delivery of Larson who was on the mound for Upper Iowa. McCracken was Coach Chendler's choice for mound duty in the second game, and would have come through in fine shape had he had the support. Iowa State collected seven hits to their opponents eight. Boller was catching McCracken's slants in this game.

The third game of the season was a victory over the representatives of the Capital City Commercial College of Des Moines. The final score was 6-1.

The next two games were played at Columbia, Missouri, with Missouri. The Tigers took the first game by a score of 12-9 and Iowa State the second by a 9-4 count. Both contests were free hitting contests, not any of the pitchers being very effective.

Iowa State grabbed two games from State Teachers on the home field by scores of 2-1 and 9-6. The first game was a ten inning game and one of the best played during the season. Dale and Boller formed the Cyclone battery and performed like veterans. Dale allowed seven scattered hits throughout the ten innings. The Teachers scored their only run in the fourth on a walk and two successive singles. Captain Fisher tied the count in the eighth by poling out a homerun. He also made the hit in the tenth that scored Towne who had gone to first on an error.

The second game was a free hitting affair with the Cyclones having a slight advantage. Riemenschneider and Cory led the attack with three hits apiece, the former getting a homerun and two singles, and the latter a double and two singles. Towne crashed the ball for a homerun also in the eighth frame. McCracken and Boller formed the battery in this game.

State Teachers turned the tables on Iowa State at Cedar Falls the following week by taking two well-played games. The scores for these were 3-2 and 2-0 respectively. Dale toiled on the mound in the first game and Cory in the second.

Missouri journeyed to Ames and again defeated the Cyclones by large scores in both games. None of the men working on the hill for Iowa State were able to hold the opposing batters down. All the available pitchers were used in this series including, Dale, Mc-

Pitcher

cracken, Cory, Dorr, and Ayres. The scores were 12-5 and 14-3.

Notre Dame brought a strong team for a two game series, the second game never being played because of rain. The Irish succeeded in shutting the Cyclones out permitting but one hit and at the same time piling up a seven run margin. Dale was in the box and although the Irish secured seven runs, they did not pound his offerings as might be supposed.

Coe was the next foe to be met by the Cyclones in a four game series. The first two were played on State field and resulted in a victory for each team. Coe took the first one 10-8 in ten innings while Iowa State took the second 2-1. The next two games played at Cedar Rapids were also divided. Coe managed to take the opener 2-1, but the Cyclones came back and copped the second by a 7-6 score.

The final game of the season with the Alumni resulted in a walkaway for the varsity resulting in a 13-1 score. The Cyclones hit and ran at will. Almost every man on the squad participated in this game.

Howard McCracken was elected captain for 1927 but his sudden death the following fall necessitated the election of a successor. Ed Hill the regular second baseman for two years was selected to fill the gap. "Mac's" loss will be a severe blow to the future Cyclone team.

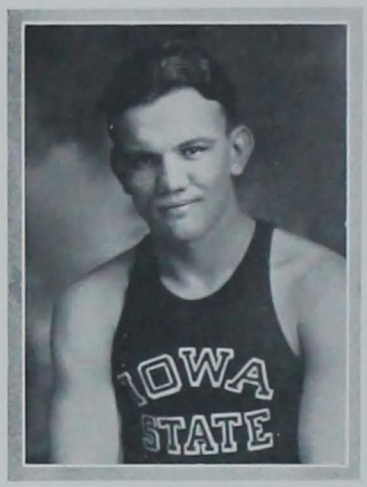
TRACK AND CROSS COUNTRY

Varsity Track



CAPT. CRAWFORD

Iowa State's reputation on the cinder track has largely been gained through the remarkable performances of her record-breaking relay teams and nationally known distance men. Probably there is no other school that can boast of such consistency in establishing relay and distance records as Iowa State. Although the Cyclones have never boasted of a well balanced track team, one equally strong in all events, they have for the past years showed unusual strength in the distance events from the half mile to five mile event, inclusive.

IOWA-GRINNELL-DRAKE INDOOR TRACK MEET

For the twelfth time in thirteen meets, the Cyclone track team carried off the honors in the annual triangular indoor tournament with Drake and Grinnell. The Iowa State athletes piled up a total of 67 points, followed by Drake with 45 and Grinnell with 17.

Iowa state showed its usual strength in the distance events, taking first, second, and third places in the mile run with Dempster, Conger and Bonnell breaking the tape in the order named. Finishing second, third, and fourth in the half mile event were three Cyclone runners, Crawford, Thornburg, and Marshall. The two mile event, like the 880 yard run, resulted in a second, third, and fourth for Iowa State when Cervi, Malone, and Drew broke the tape in the order named.

Another feature of the track meet was the ease with which the Cyclone team won the mile relay, finishing 30 yards ahead of the first Drake man. Conger ran a remarkable 440 when he came up from third place to first and gave his team mates a safe margin. This relay team was composed of Conger, Darnall, Suit, and Caulum.

ILLINOIS RELAYS

Coach William's two mile medley team, composed of Crawford, Caulum, Suit, and Conger featured in the Illinois Relays, held at Urbana, Ill., by lowering their own record for the third time in four years. The team negotiated the distance in the fast time of 8 minutes 12 2-5 seconds, after Conger, the last man, running the mile and finishing 50 yards ahead of the first Indiana runner.

Seven crack medley relay teams were entered in this event besides Iowa State. Following the Cyclone runners to the tape were Indiana, Wisconsin, and Illinois, respectively.

The first record set by the Cyclones in the medley event was in 1922, when the team composed of Walters, Hammerly, Rathburn, and Higgens ran the distance in 8:19 1-5. Again last year, a team composed of entirely new men, Crawford, Burnison, Greenlee, and Conger clipped 3 2-5 seconds from the record of 1922, lowering the mark to 8:15 4-5.

TWO MILE MEDLEY RELAY TEAM
PRICE, CAULUM, WILLAMAN, CONGER, CRAWFORD

KANSAS RELAYS

The first outdoor performance of the year was held at Lawrence in the form of the Kansas relays. Coach Willaman sent a quartet composed of Caulum, Price, Crawford, and Conger to compete in the university medley relay race. The Cyclone quartet stepped off the distance in 7:42 3-10 to take first place. The local runners were not pressed to the utmost and as a result ran the distance six seconds slower than the record established by Texas University the year before.

The Cyclone team took the lead near the finish when Conger running in second place to the Nebraska anchor man passed the Cornhusker and broke the tape in first place. The time was 8:11 8-10.

DRAKE RELAYS

Iowa State's prowess in the distance runs was again the outstanding feature of the Drake Relays when Coach Willaman's athletes took third place in the medley relay one day and the first place in the two mile relay the following day.

Due to the fact that the weather was unfavorable and the track soft, the time in both events was not outstanding. The medley team composed of Captain Crawford, Suit, Caulum, and Conger, which was doped to take first place, was nosed out by Illinois and Kansas Aggies respectively. Crawford, lead off man and half miler on the Cyclone medley team failed to hold his own in this part of the race. Conger, anchor man and running the mile, received the baton in sixth place and after treating the fans with an exhibition of flying heels crossed the line in third place, almost catching Kimport of Kansas and White of Illinois. The time was 8:40.

Iowa State's victory in the two mile relay event came as a surprise to track fans since this event had not been run previous in the season by Willaman's men. K. Dempster, Crawford, Caulum, and Conger ran for Iowa State in the two mile event. The fact that Caulum was shifted to the half mile run instead of the 440 and K. Dempster running his first race in this relay made the strength of this quartet somewhat questionable.

G. Griswold
High Jump

S. Hamilton
Quarter Mile, Pole-Vault, Broad Jump

OWEN GOES OVER

H. PRICE
Dashes

R. LUCK
Hurdles, Dashes

The most exceptional performance of the day was Conger's feat when he won the mile in the fast time of 4:26 6/10 and an hour later broke the tape for first place in the half mile with a time of 1:56 8/10. The second performance was even more outstanding than the first, considering the fact that Conger was entered in a field of half milers all of whom had breasted the tape some time or other in 1:57. Conger was further handicapped by drawing the sixth lane. During the early part of the race Conger ran in fourth place, but during the last 220 yards the Cyclone flash stepped around his opponents and broke the tape 5 yards ahead of his nearest competitor.

Other Iowa State Athletes who placed in the meet besides Conger and Crawford were Kingery and the mile relay quartet. Kingery tied for second in the high jump with a leap of 5 feet 11 inches and placed fourth in the discus throw with a toss of 125 feet 10 inches. The relay team composed of Price, Hamilton, Caulum, and Darnall won fourth place.

Robert I. Simpson made his debut to Iowa State as cross-country and track coach by presenting Iowa State with a clean record in the triangle and dual meets along with the Missouri Valley individual and team championship. Iowa State won their first dual with Minnesota at Minneapolis followed by a victory over Missouri and Drake during the Homecoming football game at State Field. A dual with Drake at Des Moines was a near shut-out victory for the Iowa State team.

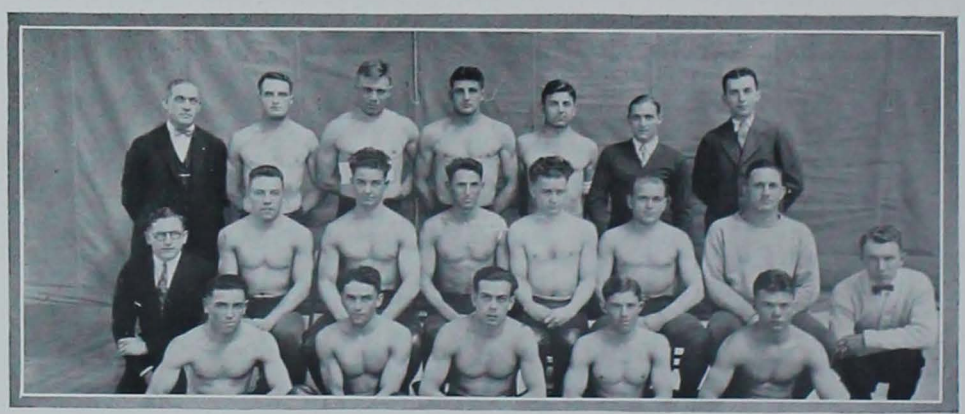
SIMPSON vs. IOWA STATE AT AMES

Simpson furnished the opposition for the first dual meet of the year for the Cyclone grapplers. The bouts resulted in three falls and four decisions, Simpson being able to win in the 135 pound class only and that by a fall. The final score was 22 to 5.

Nordyke won a slow bout from Porter gaining a time advantage of 2 minutes 55 seconds. Kurtz, a veteran of previous years had a good opponent in Hansell, but managed to work a 3 minute 40 second time advantage. Bingaman of Simpson had too much experience for Max Campbell, applying several holds, and finally pinning his man with a body chancery and headlock in 5 minutes 20 seconds. Rex Campbell gained a decision over Captain Kreider with a time advantage of 6 minutes 36 seconds. The next two bouts resulted in falls for the Cyclones, Blair using the headlock in 6 minutes and 14 seconds, and Wolf using a combination of body chancery and headlock in 4 minutes and 38 seconds. Anderson had little trouble in getting a 7 minute 11 second time advantage.

Varsity Squad



TOP ROW: Trainer, Nelson, Blair, Anderson, Laurence, Wolf, Gerling, Pierce, Manager.
MIDDLE ROW: Pinney, Grooms, R. Campbell, Beach, M. Campbell, Rapp, Otopalik.
FIRST ROW: Holding, Kurtz, Myers, Nordyke, Boeke.

Varsity Wrestling

MISSOURI vs. IOWA STATE AT AMES

Iowa State's first Valley opponent, Missouri, succumbed to a 29 to 0 shutout. Several new men were in the lineup. Meyers, varsity 115 pounder of last year replaced Nordyke and after checking up he had gained a 2 minute 6 second time advantage. In the feature bout of the meet Kurtz threw Tiffen in 9:57. Several times previously he had nearly gained falls. Gerling made his first varsity appearance and displayed a great assortment of holds and in 6:18 showed Adkinson the lights, using a body scissors and armlock. Grooms had little trouble with his man. He was unable to secure a fall, although he had his opponent in a bad fix several times. He obtained a time advantage of 7:22. Blair got a quick fall, taking but 1 minute 40 seconds using a headlock and body chancery. Captain Lawrence duplicated Blair's feat by applying a body lock in 4:1. Anderson stayed behind for 7 minutes 37 seconds and thus gained a decision.

PENN STATE vs. IOWA STATE AT AMES

Penn State brought a strong team here for the first intersectional meet of the year for the Cyclones. Captain Kaiser opened the meet by obtaining a 4:33 advantage over Meyers. That ended Penn State's scoring however for the Cyclones secured three falls and three decisions in the remaining weights, making a final score of 24 to 3. The falls can be credited to Kurtz in the 125 pound class, Gerling in the 135 pound class, and to Captain Lawrence in the light heavyweight. The Kurtz-Liggett bout was the feature attraction. The latter got behind first but was unable to keep the advantage. Kurtz got away and soon was behind his opponent and in 8:06 had his shoulders on the mat. This meet marked the final appearance of Gerling in the 135 pound class. During a practice session the following week he tripped over a mat and broke his leg, thus keeping him out for the rest of the season.

Coach Hugo Otopalik

R. Campbell
145 *Pound Class*

NEBRASKA vs. IOWA STATE AT LINCOLN

The Cyclones first journey took them to Lincoln to take on the Huskers. The result was another shutout to Iowa State's credit. Every bout was won by a decision. Higgins filled the 115 pound berth, while Beach was working in the 135 pound class. Both of these men had varsity experience last year but were making their first appearance. Wolf in the 158 pound class had the smallest time advantage of the meet, the others piling up better than four minute advantages.

KANSAS UNIVERSITY vs. IOWA STATE AT LAWRENCE

Iowa State added another shutout victory to their credit over the Kansas Jayhawkers. Blair was the only one to secure a fall. He used a head scissors and reverse armlock. Higgins and Beach were forced to go into extra periods to gain decisions. The final count was 23 to 0.

OKLAHOMA UNIVERSITY vs. IOWA STATE AT NORMAN

Oklahoma University suffered a 14 to 11 defeat at the hands of the Cyclones. The score does not give a correct comparison of the strength of the two teams. The Cyclones took the first four bouts, three by decisions and one by a fall and then lost the next two by decisions, and forfeited the heavyweight bout to the Sooners. Coach Otopalik was holding as much reserve strength back as possible for the next dual meet with Oklahoma A. & M.

OKLAHOMA A. & M. vs. IOWA STATE AT STILLWATER

With the Missouri Valley and national championships at stake, Iowa State met the Oklahoma A. & M. and suffered its first defeat of the season by a score of 18½ to 4½. Some good wrestling was displayed by all the participants. Beach exhibited the best wrestling of his college career, but lost the decision. Captain Lawrence and Rule wrestled furiously in a bout that ended in a draw. Grooms was the only Cyclone to win his bout. He got an 8:03 time advantage over White. The only fall of the meet came when Strack threw Anderson in 9:36 with a front scissors and body and arm hold.

CORNELL COLLEGE vs. IOWA STATE AT AMES

Iowa State defeated Cornell college in the final dual meet of the year by a score of 12 to 9. No changes were made in the lineup except that Rex Campbell, a 145 pound wrestler was sent in against Midkiff, the Cornell heavyweight who was not able to down the crafty Cyclone. Kurtz, Beach, Grooms, and Wolf won decisions while the other three weights resulted in decisions for Cornell.

THE NATIONAL A. A. U. MEET AT AMES

One of the big events of the athletic season was the holding of the National A. A. U. wrestling tournament at Iowa State College. One hundred fifty stars participated representing all sections of the country. Two of last year's champions, Lupton in the 112 pound class and Reggie in the 145 pound class did not appear to defend their title. Only one of last year's champions was crowned champion again this year, he being Morrison, formerly of Marshalltown high school but now a freshman at the University of Illinois.

Pfeffer of Iowa University came through in all his bouts to carry off the medal in the 112 pound class. He showed his superiority against every opponent. In the 118 pound division, Lake of Oklahoma A. & M., was forced to get a decision over his teammate, DeMarsh to cop the honors.

The 126 pound bout brought together Boyvey, last year's champion while wrestling under Iowa State's colors, and Holding representing Iowa State this year. Holding was awarded the championship after a great exhibition of wrestling by both men.

Morrison defended his title by getting a decision over Burke of the Hamlin A. C. of Chicago. Morrison was behind for the greatest part of the tussle.

Prunty, the "iron man" of the tournament took the honors in the 147 pound class. He wrestled under the Ames Lions Club, but as is known he formerly wrestled for Iowa State. He entered in both the 147 and 160 pound divisions, but was eliminated in the latter weight by Northrup of Oklahoma A. & M. in the semi-finals. He was forced to grapple with Grooms of Iowa State in the finals of the 147 pound class.

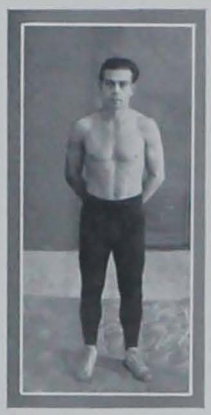
Collins and Northrup, both of Oklahoma A. & M. fought it out in the finals of the 160 pound class, the former finally getting the decision.

Rule of Oklahoma A. & M. defeated Hammon of Texas University, champion of last year in the 158 pound class. Hammon wrestled in both the 160 and 175 pound weights, but was eliminated in the semi-finals in the former weight and put up a great battle before he was defeated by Rule, the bout going extra time.

Flanders, wrestling unattached and Anderson of Iowa State met in the finals of the heavyweight division, the former winning by a decision. His superior weight and size was too much for the Cyclone heavyweight. Several times Anderson got to his feet only to be brought to the mat again.

Holding of Iowa State was considered the outstanding wrestler of the tournament by C. W. Streit, chairman of the National A. A. U. Wrestling Committee. The features of the meet were: first, the numerous appearances of Prunty in the 147 and 160 pound classes, he appearing six times in one day without defeat. Second, the defeat of Mitchell, champion of 188 pound class by Richard Cole, local high school grappler in the preliminary round. Third, the defeat of Strack, eight times champion in the heavyweight division by Flanders, wrestling unattached.

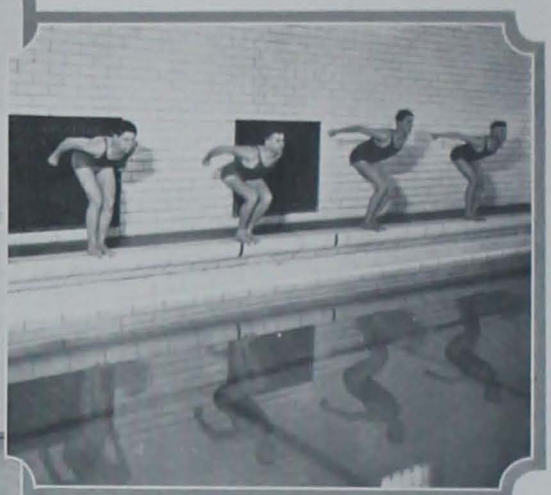
Oklahoma A. & M. brought the greatest number of wrestlers and carried off three championships. Three new champions wrestled either unattached or for some club and one champion each from Iowa State College and Iowa University.



C. Kurtz
125 *Pound Class*

A. Holding
125 *Pound Class*

L. Pierce, *Mgr.*



By winning three dual and triangle meets, losing three and taking second to Washington University, the Iowa State swimming team came through a very successful year. A lack of a better showing was due to the many injuries that hampered Coach Daubert's team from maintaining a clean slate. The outstanding men of the season were Captain Sulzbach in the sprints and the middle distance free style with Wicks in the breast stroke. Several new records were established by these men in their specialties.

MAJOR JOHN E. MORT

Iowa State is proud of her Military Department which for two years has been rated as a Distinguished School by the War Department. Three branches of the service are carried here: Artillery, Engineer, and Veterinary. The Advanced Course is very popular with the men of the college, and helps in no small manner to uphold the high standards set by the regular personnel.

Pistol Team

TOP ROW, left to right: J. A. Shea, H. R. Phelps, N. P. Crink, L. Riley, R. B. Bums, G. Soderburg, W. Thulin, J. S. Tomy, W. H. Cummins, Williams.
BOTTOM ROW, left to right: Lieutenant Jones, (Coach); Buckmaster, A. P. Wendt, G. W. Johnson, L. S. Guthrie, O. Johnson, Kreager, C. R. Wenstler, O. A. Sederholm.

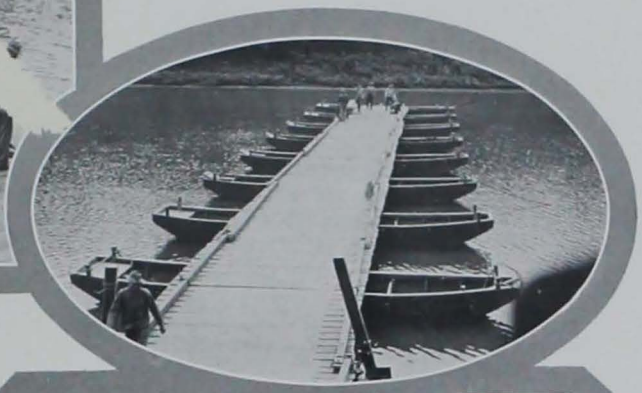
Iowa State has been very well represented by her Military Rifle and Pistol teams; they rank with the best in the Nation.

Rifle Team

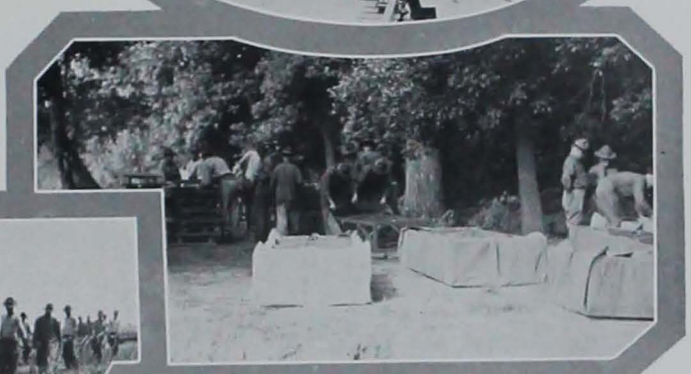
TOP ROW, left to right: Ensign, Boyvey, Moravetz, Lorenz, Koenitzer, Neil, Harvey, Little, Dawe.
BOTTOM ROW, left to right: Seiffert, Bernd, Quinby, Kratosky, Capt. Meister, King, Chevalier, Soderberg.

The R. O. T. C. men in the Advanced Course spend six weeks at a summer camp, between their Junior and Senior years. The Artillery men go to Camp Knox, Louisville, Kentucky.

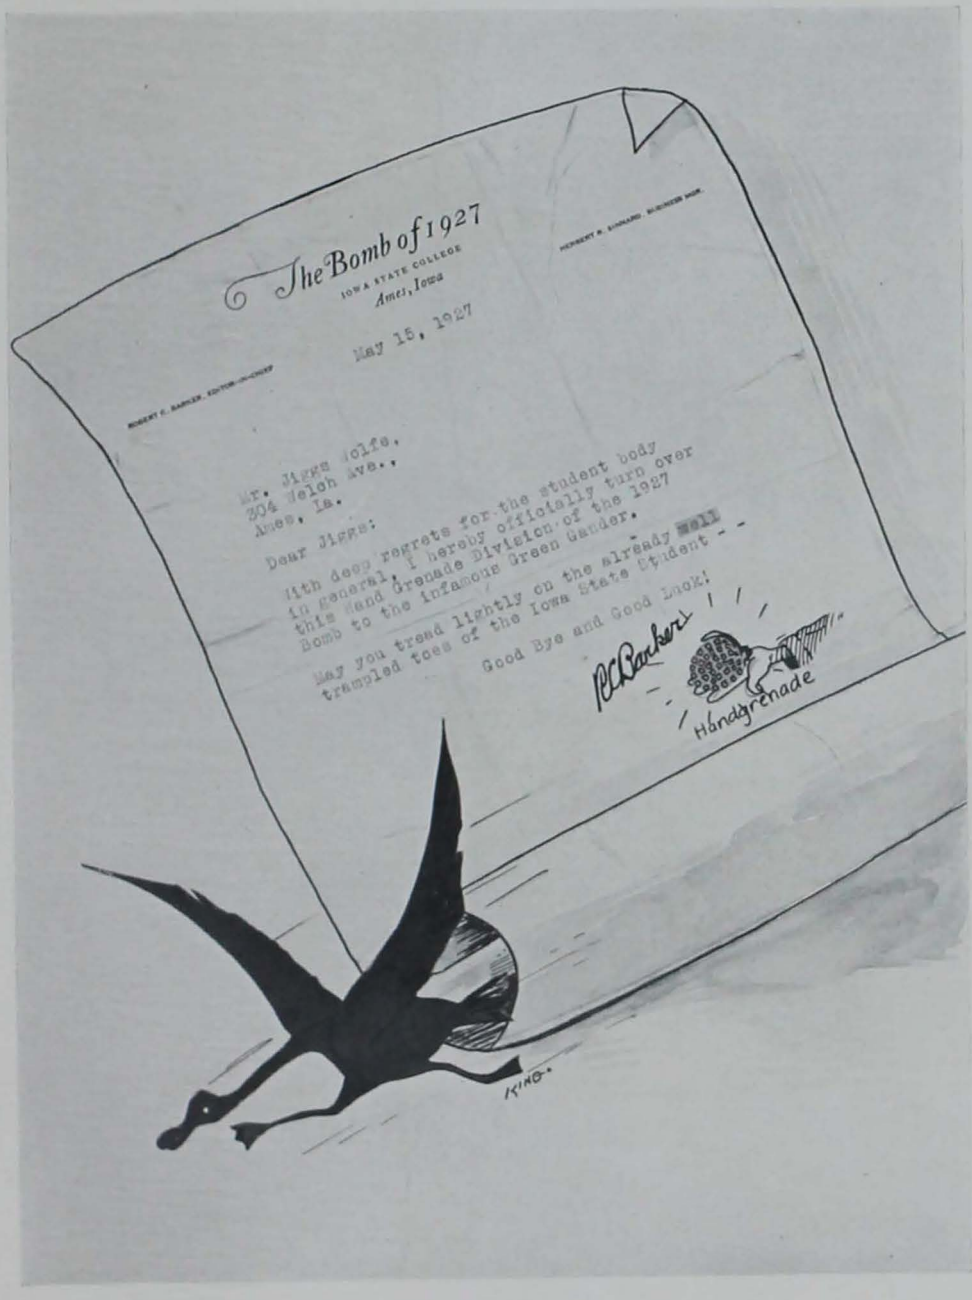
"Rough and Dirty," but Mighty Good!



The Advanced Corps Engineers spend six weeks at Ft. Snelling, Minn., learning to make "pontoon" bridges, "trenches," "suspension" bridges, etc.



HAND GRENADES



The Bomb of 1927
IOWA STATE COLLEGE
Ames, Iowa
May 15, 1927
Mr. Jigga Jolfe,
304 Welch Ave.,
Ames, Ia.
Dear Jigga:
With deep regrets for the student body
in general, I hereby officially turn over
this Hand Grenade Division of the 1927
Bomb to the infamous Green Gander.
May you tread lightly on the already well
trampled toes of the Iowa State Student - -
Good Bye and Good Luck!
P.C. Barker

Behind the scenes

—which you see in this book are the real working parts of an institution whose name has a national significance, whose graduates encircle the earth.

The persons pictured in this book are working in their chosen fields—Agriculture, Home Economics, Engineering, Industrial Science or Veterinary Medicine.

This book itself is a collection of happy memories of those classmates who chose—as many others will choose—a college that leads its field.

For information, address the Registrar

Live Stock Commission Merchants

Rooms 603-604-605 Exchange Building

CHICAGO

WHEN IN CHICAGO MAKE OUR OFFICE YOUR HEADQUARTERS

We are ex-farmers and can talk of **your** problems in **your** terms. Perhaps it is this that has enabled us to build up one of the best live stock commission firms in Chicago.

Just a few years ago if anyone had gone through the country talking agricultural colleges and the great benefit that they might be to the farmer, he would have been in danger. If he had not been taken by a mob, he would have been told in strong terms a few ideas that existed in the farmers' minds at that time. The times have changed, however, and you will find few farmers who will not say that agricultural schools have been of great benefit to the farmers everywhere. You can take any well-informed relative to agricultural colleges and whether he lives in Iowa or not, he always speaks highly of Iowa State College. Boys and girls go out from Ames as good representatives and are always loud in their praise of what they have learned while attending this wonderful institution. It has taken time and money to develop the Iowa State College, but it has just begun in our opinion.

BUILT UPON CONFIDENCE

CONFIDENCE is the foundation upon which every successful banking institution has been built, and without which it would cease to exist. Confidence in the officers and directors—faith in their business ability and integrity—belief in the careful and accurate methods used in handling of detail—all these are priceless assets to any banking institution.

And it is upon foundation of the long established confidence of its customers that the AMES NATIONAL BANK has progressed. Now as always this bank stands ready to serve you.

You Want the Best of Everything

EARL V. FISHER
New York Life Man

Of course you do. You are in the best college. You want the best training the best clothes, the best girl and the best automobile. Why should you be satisfied with anything but the best life insurance policy?

You want a policy and a company that will give the best protection and that will stand the acid test of conditions for the next fifty or more years.

The NEW YORK LIFE with its increasing disability benefits to age 65, and its double indemnity for accidental death for life, is the broadest field for protection written today.

Also the NEW YORK LIFE is the strongest, safest company in the world, pays the largest dividends and provides this protection at the lowest cost over a term of years of any company. What more can be said? Come to me for your protection.

BEFORE BUYING ELSEWHERE SEE WHAT THE NEW YORK LIFE WILL DO.

Earl V. Fisher, *Agent*

Some Day

When the cares of the world have for the moment dimmed all the glorious memories of your Cardinal and Gold Days, and the future seems clouded with despair, then may this book open golden channels to the memories of Iowa State and help you relive the treasured years of college life.

Interwoven between the pages of this book are the joyous successes of a college year, linked together by the careful thought and willing sacrifice of a loyal staff.

The Staff has been so careful and so thorough in their work, that for the editor, The Bomb has been merely a matter of compilation. To the Staff I am indebted for their help in realizing The Bomb of 1927.

Robert C. Barker.
