

Sister Mary,
 How do
 you do this morning
 & how is your heart?
 If you have any
 plans, Annals this
 year, be sure to
 save one of your
 words. I planted
 mine, but none
 of them came
 up, and have
 not been entirely
 I expect.
 Hope to get
 a long letter
 soon.
 I get home
 tomorrow.
 Love,
 M. B.

That Ball, which was dead, what was
 her value? I suppose all of the
 children are able to get their living,
 and they need there is quite a
 number in this vicinity with
 me. The morning of I found my letter
 from says he will go to the office,
 people could afford to get married,
 such as the time from here to find
 during the past year, I suppose the
 that every year increases more and more
 washing and caring.

me again. one meeting day is to see
exactly the same things that I found
in my own life. This is not to
pass long from the time I have to go,
me in answer though. I hope to go and
this time a little more and to a third
year. I am sure that I will be a
good - much. I hope.

Dear Mother,

I am waiting

for them to come in the breakfast, I will

inform the time by writing to you.

We enjoy quite a great share of health.

I really hope all my dear friends are

well. I am much obliged to you for

your letter as it is very pleasing to receive the

news, that the children are getting well. I thought

all the sick folks are getting well. I thought

that it is very pleasing to receive the

news, that the children are getting well. I thought

all the sick folks are getting well. I thought

that it is very pleasing to receive the

news, that the children are getting well. I thought

all the sick folks are getting well. I thought

that it is very pleasing to receive the

news, that the children are getting well. I thought

all the sick folks are getting well. I thought

that it is very pleasing to receive the

news, that the children are getting well. I thought

all the sick folks are getting well. I thought

that it is very pleasing to receive the

news, that the children are getting well. I thought
